**TELEPATHIC MESSAGE FROM THE ETERNAL  
FATHER TO THE TERRESTRIAL WORLD; SECOND  
MESSAGE; THE FIRST MESSAGE WAS HIDDEN  
FROM THE WORLD BY THE RELIGIOUS ROCK.-**

Yes children; one is born searching for the truth; it is initiated for the world of knowledge, the Revelation awaited for centuries and centuries; your Creator makes use of Living Doctrines to make the worlds advance; in the past He sent you the Mosaic Law; then came the Christian Doctrine; the third one, which is being initiated, is the Doctrine of the Lamb of God; this Doctrine will also be called Celestial Science; its origin lies on the same elements of nature; the Telepathic Scripture is the means of communication which the Creator of the Universe makes use of; it has always been like that; in the Past the doctrines of the prophets were received by telepathy; because everything has an origin and a cause of being; the Doctrine of the Lamb of God has no ending;

because the universe does not have it; and for the same reason it will be spread all over the world; it will be translated to all the languages of the world; its influence will be such that it will make the exploitative materialism fall; because a new morality is coming to the world; the morality pertaining to the Millennium of Peace; The Doctrines of the Eternal Father always transform the worlds; just as it happened in the Past of the Earth; The New Revelation was requested by the present human spirits; and it was granted to you; every instant lived in your existences, was requested and was granted to you; the New Revelation is the continuation of the Holy Scriptures; one thing is being studious of the Scriptures and another being religious; the first one is eternal because your spirit always searches for its own origin; the second one is the commerce of the faith; the religions are the first ones to be accused before the world; in the Doctrine of the Lamb of God; the so called religions in their human morality have divided the world of faith; they have no right to do such a thing; they have forgotten that there is only one God; only one truth; only Satan divides and he divides himself;

the religious spirits are the same Pharisees of the Roman era; they requested God to be born again to mend errors from the Past; and the trial was conceded to them; do not forget all religious people of the world, that every spirit is put on trial in the destiny that he chose; you spirits of the rock did the same thing in remote worlds; you divided other flocks; you left spiritual confusion in other creatures; you filled many planets with material temples; and you did it again on the Earth; that is why you will be the first ones to be judged; you by violating the law become the same antichrist; and every violator of the Commandments, in fact is so; you say the holy mother church; I say to you that nobody in this world is saint or holy; the real humility does not need titles which are unknown in the Kingdom of Heavens; even your microscopic planet is so; only the Father and certain prophets know the planet-dust called Earth; the cause of it is that the Living Universe of Father Jehovah has no end; and whosoever thinks of being big is not; for you was written the word prostitute; because you trade with my divine Law; blinds leading other blinds; who transmit your errors to other

blinds; when the New Doctrine spreads, your rock of spiritual selfishness will be divided; the word rock does not symbolize the eternity of anything; the Earth is relative and not eternal; you think that your church is eternal; the events that will come will get you out of this error; only the humble at heart, have eternity achieved; not those who teach morality within immorality; when my First-Born Son said in the past of the Earth; upon this rock i shall build my church, he said so by seeing the Future of humanity; for the Solar Trinity is everywhere; it is also in the living times: Past, present, and future; And what did he see? He saw all your violations; he saw how you persecuted innocent creatures; because they did not share your ideas; he saw how you sent them to the stalks; he saw how you persecuted great studios and writers; just because they made you see the error; he saw how you crowned terrestrial kings; knowing your selfish rock that there is only one King of kings; the divine Father; the One Who gives and takes life away; the title of King is of the celestial world; the demon is called spirit-king; the Commandments do not teach to become Kings; they teach to be humble above

everything; he saw how you blessed the arms with which the Father's children kill each other; knowing you demons that the divine Commandment says: Thou shalt not kill; he saw the commerce of faith; and he saw every immorality in your spirits; it would have been better not to have requested to be born again before falling into violation again; your religions are unknown in the Kingdom of Heavens; and every morality that pretends to divide the faith of the Father's children is unknown; the only temple known in the Kingdom is the temple of work; work is the oldest mandate that exists; before your microscopic planet was born, work was and is practiced in colossal worlds; the temple of work is never reduced to dust; your material temples do get reduced to dust; and with it the material adoration on this planet disappears; an adoration which should have never been taught; because of this adoration which lies in hypocrisy, you have delayed the world's advance in twenty centuries; in their moral and spiritual plane.-

Yes little son; this heavenly drawing shows that every justice comes out in the same way as the beings are reproduced; all the human spirits saw this justice in the Kingdom of Heavens; because seeing their own justice was given to everybody; everything exists in the Kingdom of Heavens; nobody comes blind to this world as far as spirituality is concerned; justice adjusts to your actions; because each one promised to make their own heaven; justice has its law in the Living Commandments; which is the same rod with which you will be measured; each of your ideas has an intention; and every intention becomes physical and living in the Kingdom; the intention is judged when the spirit has committed violation with it; the human body is a product of magnetic

laws; yielded from the macrocosm, and called divine laws; Whosoever denies being divine in the microscopic which one represents, denies the Father; Who wants the best for His children; and whosoever denies the Father, denies his own eternity; because in infinite heavens they read their minds; and when those heavenly creatures read in the spirits, they do so by judging; whosoever denies the Father, the Living Heavens also deny them the entrance; whatever you do down below has a repercussion up above; and wherever your spirit goes, the Law is the same; my mandates are the same down below as well as up above; what changes is the philosophy which is lived for an instant; your justice is and shall be spiritual; what is material does not remain in your salt of life; in your knowledge; the unique reality for every spirit is the eternity which it lives; it is not the ephemeral that it felt when it had a physical body; a body of flesh which it requested; and it was conceded to him/ her; conceding a physical body is not like conceding anything; the body is living which momentarily requested such physical geometry too; and it was conceded; the inheritance is the same for

everyone; matter and spirit have the same rights; both request; spiritual and material laws are merged; known in the Kingdom of Heavens as the Ark of Covenants; for the materialization of a spirit is not done at random; it is done with responsibility; to say the opposite is to despise oneself; and whosoever despises himself, despises the Father; Who is found in him; were you not taught that your Creator is everywhere? In what is imaginable and unimaginable? Verily you know it by mouth; but, not by your own knowledge; by your own effort; in the sweat of your face; by your own merit; he who seeks shall find; because he is awarded to the degree he used in the greatest search; because you can search for many things in your existences; and if you do not search for the Father Who gave life to you, you shall not enter the Kingdom of Heavens; the ungrateful have never entered; only the humble; those who went through their own trials in life; because they were the trials requested by the humble themselves in the Kingdom; every trial that one goes through in life at each instant, at each second, was requested and was granted; even the way and characteristics of your deaths, you did

request; and within your trials you requested to fulfill the highest morality, the only one; because without it you will never enter the Kingdom of Heavens; and you requested that such morality were taught on Earth; and the divine commandments were conceded to you; they are the rod; for by them you shall be judged; and so shall it be up to the consummation of this planet; the human spirits could never study me as well; but, not living in the morality of my Commandments is darkness; because you will never enter where the Father is; it is so unprecedented the time you will be away from the light, that you will have to be born again to read the number; what is not in your microscopic evolution; the justice you requested starts with the most microscopic thing that your mind can conceive; so it is, because the tiniest, the humble, are first in everything; first in the Kingdom of Heavens and its Divine Justice; and first before the Divine Father Jehovah; and the most microscopic thing that your mind can conceive; are your ideas; the same that you generate daily; the same you requested in the Kingdom; the same you feel but do not see; all your ideas travel physically to the space; they have the

same rights as you do; you requested to be born in the matter; they did so too; you requested to live in a time and space; your ideas, did so too; what is up above is the same as down below; the inheritance of requests are the same in everybody; gigantic beings request and microscopic beings request; the living matter requests and the living nothingness requests; and everything is granted by the Father; because He is infinite; your ideas travel in space, unprecedented distances; distances you will never calculate; only the Father knows; your ideas are known in the Kingdom, as Galactic Seed; for from them your worlds are born from your own heaven; it was written in my free will: Each one makes his own heaven; because all of you have in a microscopic form the Father's inheritance; whatsoever the Father has, the children have; just as it happens with the terrestrial parents; their hereditary characteristics are transmitted to the offspring; what is up above is the same as down below; the inheritance your Father gave you was of innocence and lacking of philosophy; because it is your free will which chooses; and all what you have been is your own merit; because everything is attained

in the sweat of one's face; with spiritual effort; there is nothing in the Father's Creation that does not cost; everything costs and will cost; since without each one's spiritual merit one cannot enter the Kingdom of Heavens; the comforts of your world are worth nothing in Heaven; every comfort already enjoyed in the world is an award already enjoyed; and it is because of this that was written: And they obtained their reward; all material enjoyment is of no merit in Heaven; and least of all when such enjoyments are the product of a philosophy which did not take the Father's Commandments into account; such philosophy has its days numbered; because the Creator gives and takes away; your materialistic philosophy will be cut in its expansion; since everything has its time; because everything is relative to the Father's Commandments; a relativity that you yourselves requested in your trials of life; the fall of your own life system is the fall of your own yoke; it will be the greatest event for the humble; the exploited and the despised; since all are equal before God; nobody was born rich and nobody was born poor; such situation was created by the ambitious spirits; those who only live a present;

the most backward spirits in their evolution; with this ephemeral way of thinking before eternity they have not done anything but subjugate the world; all these demons will be judged by the world itself; because nobody wants the condemnation of his soul; the Light of the Doctrine of the Lamb of God will transform the world; because that is how it is written in the Kingdom of Heavens; the world Earth has done the contrary to what it was told; throughout the centuries my Divine Commandment has been telling it: The humble are the first; in all order of things; And what have you done with the Heavenly Commandment? Do my humble govern the world, since they are the first in everything? Verily not; because I see that every humble is despised; they cannot be part of that immorality that you call high society; and who gave you the right to create such society? Is it by any chance in my Scriptures? Verily I say unto you demons of vanity that every philosophical tree that the Creator did not plant will be pulled out from its roots; that is how every living evolution is; And who created you and made you kings? Do you not know that only the Father is King of kings? And the title

king is not from this world; it belongs to the Heavenly world; Satan is called spirit-king; the Divine Commandments teach to be humble above everything; they do not teach to make oneself king; I verily say unto you demons of the damned aristocracy; that none of you shall enter the Kingdom of Heavens; and along with you neither will your children up to the third generation; because in the Living Universe of Father Jehovah every inheritance is transmitted; nobody should have been vain not even a microscopic second of time; because even one second or less of violation and you will not enter the Kingdom of Heavens; damned kings of the world, the innocence of your offspring shall curse you; for because of you they shall not enter the Kingdom of Heaven; and along with them every man or woman who served you in your damned philosophy; not a single demon called aristocrat will enter the Kingdom; because in the Kingdom only the merit of Work is known; the Universal Philosophy; because in the Living Universe of Father Jehovah every inheritance is transmitted; nobody should have been vain not even a microscopic second of time; because even one second or less

of violation and you will not enter the Kingdom of Heavens; damned kings of the world, the innocence of your offspring shall curse you; since because of you they shall not enter the Kingdom of Heaven; and along with them every man or woman who served you in your damned philosophy; not a single demon called aristocrat will enter the Kingdom; because in the Kingdom only the merit of Work is known; the Universal Philosophy; the one that every humble and honest being requested; those who were and are kings on the Earth, were and are deluded spirits in vanity; they have in their spirits the galactic influence of other existences; existences where everything was material brightness and nothing of intellectuality; a salt of life proper of darkness; and there is no demon that has not been a king in some world; this philosophy is led by the own Satan; from the right instant in which he rebelled; and all the legion which rebelled along with him; all the human spirits who requested to have a flock, a nation with a king as a leader; belong to the legion of Satan; for all of you came out of heaven; and even the demon came out of there; being in heaven, the spirits acquire customs of

other creatures; just as it happens among you; for what is up above is the same as down below; Satan's imitators are distributed among the religious, rich, kings and the damned ones who create philosophies of force; but, no demon shall remain; the living Word of the divine Father purifies everything; transforms everything; just as He transformed the old world with the Mosaic Law; and afterwards with the Christian Doctrine; now He does it with the Doctrine of the Lamb of God; and nothing easier for the Creator of the Universe than transforming the world of flesh with his Living Word; the same Word that just some heavenly instants ago said: Let there be light and there was light; the same Word that created every Holy Scripture; the same Word that gave you the Commandments; and the same Word that judges you by intellectuality first, and then by physical laws; because every spirit requested it that way; they requested to be on trial in the Final Judgment itself; as they requested to be trialed in every instant of life; beginning with the difficulties in interpreting my Scriptures; everything absolutely everything was requested by you; even the most minimal details of the Science of the

Lamb of God; this gives you an idea that even the invisible to you is controlled from the Kingdom of Heavens; your unknown sensations; justice is for your thinking; your ideas; your intentions; you yourselves requested it that way in the Kingdom; and you also requested the oblivion you have of your origin; the way and the details of how you were created; but, you shall know everything; because you asked to know on Earth the Light of the Lamb of God; you requested to be consoled in the knowledge; you requested a New Doctrine; and you asked the surprise in the arrival of this Doctrine; the Doctrine of the Lamb of God; it should have already been known a long time ago; the incredulity and the materialism of the religious rock hid the truth from you; they have Rolls of the Lamb; the first Rolls were put in their hands; because they were trialed; every spirit is trialed; these demons who teach a faith which not even them believe; requested to be the first ones to have the knowledge of the truth; and it was granted to them; why they hid the truth is due to having cultivated a selfish rock in their hearts; they are the least believers; they are influenced by the laws of material adoration;

a pharaonic inheritance; which leads to exalt the person; verily I say unto you demons of adoration that not a single false being of my word shall enter the Kingdom of Heavens; not a single selfish rock shall enter; you shall be damned by this generation and the ones to come; because of you demons this humanity shall not enter the Kingdom; because all the seconds gone by were living time in violation; just one second or less of any type of violation is enough for not entering the Kingdom of Heavens; and when you hid the truth from the world, you drifted this humanity more apart from the Kingdom; because you perpetuated the error more, the number of seconds lived in error is much bigger; each second of violation is a heaven which is closed to the creature; all of you must add up the seconds which a minute has, an hour, a day, a week, a year, and the number of seconds of the years you have lived; and every calculation must be done from the age of twelve years; before that age; every spirit is innocent before God; and anyone who has mistreated by act or word for one second or less one of my innocents, those shall not enter the Kingdom of Heavens; because they in other existences

complained in the Kingdom when they, being innocent, were mistreated; it is because of it that was written: Do not do to others what you would not like them to do to you; For that reason neither a bad father nor a mother or stepfather or stepmother or a man or woman who was in charge of children shall not enter my Kingdom; their destinies are subjected to the justice of my innocent; because every little one is big in the Kingdom of Heavens; Were you not taught that every humble is first before the Father? This means that everything microscopic is first in Father Jehovah's Justice; for that reason your spirit is not first in the Kingdom; first are the ones your spirit despised on Earth; your spirits cannot ask to be first; because you were ordered to be humble above all things; the last one is always humble; he disregards any importance to himself; verily I say unto you that the one who regarded importance to oneself in life shall not enter the Kingdom of Heavens; even if that improper importance had lasted one second or less than one second; and every nasty-minded who had done it in the same amount of time; does not enter the Kingdom of Heavens; the fall

of this humanity is due to the false and mundane concept, which was instilled in you by the false morality of the religious rock; this prostitute who for centuries and centuries has traded with the faith; has done things according to her temporary interests; she did not take the humble into account; the humble does not surround himself with luxury; he does not falsify himself; because every humble has passed through what the seekers of notoriety are passing; every materialist is a backward spirit; who builds up his hopes towards a microscopic present; even more, they are ignorant of the laws of the spirit; such is the characteristic of the so called popes; heads of the prostitute; these creatures are unknown in the Kingdom; because no one has entered; only the humble and the modest enter; and every religion is also unknown; and even your planet-dust is; this is due to infinite laws; one of them is that the Universe is infinite; so infinite that every fantasy becomes a reality; the other law is that each one makes his own heaven; and it is that way how the so called popes and their followers, who cherished a philosophy of materialistic adoration, created their own worlds with such

philosophy; because every world is surrounded by a heaven; and each one makes his own heaven; the materialistic adoration is not a tree planted by the Divine Father; and it is not known in the Kingdom; as it is not known any doctrine or science or sect that has not taken my humble into consideration, because I verily say unto you that this planet should have been governed by the humble; because they are the first in the Kingdom; they are first up above and must be so down below; and all the contrary has been done; this world is governed by those who did not ask for it in the Kingdom; the spirits of darkness govern you; because in their positions they do not do it in the name of the Light; they do not mention me in their speeches; their aim is not the Creator; it is the ephemeral; that which only lasts a sigh before eternity; I read their minds; I see their calculations; because I am everywhere; I see that they build up their own worlds of darkness; I verily say unto you proud and vain leaders that none of you shall remain; and nobody who did not take my mandates into consideration shall remain; if the humble had governed the world from the beginning, I assure you that this world

would not have had any need of judgment; it is the violators who create the judgments; not a single violator shall enter the Father's Kingdom; the law is in you yourselves; it has always been like that; you just need to think and you are creating your judgment; matter and spirit think in their respective laws; because nobody is disinherited; everybody has the same rights; nobody is less before the Father; these rights are manifested in all imaginable forms; every form you see in the world that you asked for, you witnessed the request of them; because before coming to the planetary dwellings, covenants with the elements of the future nature are previously done; and everything that your eyes have seen during your existence was requested by you in Divine Covenants; that is why in the Living Universe of Father Jehovah matter and spirit have the right to ask for judgment; matter and spirit have free will; being independent one from another; if it was not like that, there would not be perfection in justice; there would not be any equilibrium in each one's rights; the Father's Justice being only one, is manifested in infinite forms; because nothing in Him has a limitation; every justice is

born from the same acts done by the creature; it is the salt of life, which gives form to its justice; the salt of life is the same knowledge learnt in one existence; considering its free will; the spirits do not advance with the same pace in the achievement of knowledge; some are first and then others; this law explains the physical inequality among you; each knowledge or acquired salt of life is perpetuated in you; but everything is relative in an infinite degree; you create the attribute and the quality of your living relativities yourselves; the attribute is given by the philosophy of your thinking, and the quality by your spiritual hierarchy in the Kingdom of Heavens; the best quality is attained with humility; followed by joy and work; behold the complement of Heavenly Communism in the Kingdom of God; a Heavenly Communism with the philosophy of a child; he who did not cultivate joy during his life, does not enter the Kingdom of Heavens; not a single idiotic in character shall enter; even if this idiocy or anger might have lasted one second or less; all of you promised in the Kingdom of Heavens to be joyful in life; imitating Heaven itself; you promised to be joyful under any circumstances;

you did not ask to be idiotic of character; because you knew that it was unknown in the Kingdom; and you knew that by being idiotic, you would not enter; if in your existences you got angry repeatedly, it is because of the unfair life system that men chose; and the creators of such system must pay for them in this judgment; because they requested it so; and thus shall it be conceded to them; regarding the demons who created the exploitative capitalism, the full weight of the Divine Justice shall fall on them; these demons of ambition and predominance promised the Eternal Father to glorify His Divine Law in this world; not to become their own tyrants; because this life system whose product is the science of good and comfort, is the yoke of this world; a yoke which is arriving to its end; for the beginning of the new times has arrived; New World with New Time; New Morality with New Destiny; were you not taught that the Creator renews everything? The Final Judgment is initiated with the Doctrine of the Lamb of God; a painful ending; because every violation of the Father's Law only causes pain; just as you have experienced injustice in your lives; injustice which was born

from a life system which was not created by the Divine Father and which is unknown in the Kingdom of Heavens. -

## **WHAT IS TO COME.-**

WHAT IS TO COME, DEPENDS UPON EACH ONE; FOR IT WAS WRITTEN, THAT EACH ONE WOULD BE JUDGED BY THEIR WORKS; THE DIVINE JUDGEMENT OF GOD CONSISTS OF IDEA BY IDEA FROM TWELVE YEARS OLD ONWARDS; FOR ONLY THE CHILDREN ARE THE ONES WHO DO NOT FACE DIVINE JUDGEMENT; THE DIVINE JUDGEMENT OF GOD CONCERNS THE SO-CALLED ADULTS IN THE TESTED LIFE; WHAT WAS THOUGHT OF IN A SECOND WILL BE EQUIVALENT TO AN EXISTENCE; WHICH, ACCORDING TO HOW IT WAS THOUGHT, IT CAN BE A LIGHT EXISTENCE ACQUIRED OR LIGHT EXISTENCE LOST; THIS IS SO FOR THE THINGS THAT ARE GOD'S ARE LIMITLESS; THE ETERNAL OFFERS WHOLE EXISTENCES FOR A MICROSCOPIC MENTAL EFFORT.-
