

**THE WORLD
SHALL BE RULED
BY THE SAME ONES
WHO WERE EXPLOITED**

ALPHA AND OMEGA

THE WORLD SHALL BE RULED BY THE SAME ONES WHO WERE EXPLOITED; THE LIFE SYSTEM BASED ON THE LAWS OF GOLD, SHALL DISAPPEAR FROM THIS PLANET; FOR IT WAS A SYSTEM THAT CAME OUT OF MEN AND NOT OF GOD; EVERYTHING THAT COMES OUT OF MAN TURNS INTO DUST; WHAT IS OF GOD IS ETERNAL; IT BLOOMS FROM WORLD TO WORLD.-

Yes little son; the world that is coming shall be ruled by those who were exploited; for the Earth is theirs; it has always been; from the right instant in which the divine Father said: The humble are first in the Kingdom of Heavens; First means, first up above and first down below; for what is up above is the

same as down below; the Father's mandates are the same in any point of the universe; the humble is always above all the others; in this world, the men who have led its destinies, did the opposite; they never allowed the humble to lead the world; men usurped their divine mandate; I verily say unto you that all those who participated in this violation, shall pay all of it; not a single capitalist shall remain; they shall be uprooted from this world; for the capitalist philosophy is not of the Kingdom of Heavens; nobody knows it; nor shall anyone defend them; behold it would have been better not to have requested to come to this world; for they would not be in question; behold the weeping and gnashing of teeth, of a tree that Father Jehovah did not plant; behold the destiny that awaits those who dared to lead a world, by putting the Father aside; thus shall they pay it; for thus

they requested it in the Kingdom of Heavens; everything is requested in the Kingdom; in that everything one even requests the way of being punished, if one gets to violate the Father's law; all those who participated in the capitalism, violated the law; all the blood that claimed justice through the centuries falls on them; every moral suffering caused by necessity, hunger, insecurity falls on them; I verily say unto you that the Father's nature is sufficient for everyone; no one should have undergone hunger in the world; no one should have been either rich or poor; for all of you requested equality before the Father; Woe betide you hypocritical rich! Woe betide your spirits! For you shall envy the dead! Behold everything shall be taken from you! Individual or rich nations impoverished; for the enjoyment of such abundance, never ever belonged to you; if the Father allowed you, it

was for respect to the time of life trials, that you requested; and which had to be fulfilled; that time has been fulfilled; the arrival of the own Revelation proves it; behold it starts for you, followers of gold, your public judgment; for you requested judgment, just as they are done in the Kingdom of Heavens; nothing is occult there; occultism in any of its forms, is not known in the Kingdom; no one hides anything from anybody; behold all those who even pronounced the word occultism, shall not enter the Kingdom of Heavens; for it is a word which should have never been known; as this world should have never known the world capitalism; I verily say unto you that every custom or tradition, which came out of a strange life system, like yours, impedes its protagonists to enter the Kingdom of Heavens; being the mandate, which came out of men, illegal, the most microscopic that came

out of them is too; every thinking remained being influenced; by something that should have never been; that something does not have an inheritance in the Kingdom; for it did not come out from the Kingdom; and everything that did not come out of the Kingdom, no one knows it in the Kingdom; behold you who lived a strange life system, where the most important was gold, and not the Father, you are also unknown in the Kingdom; I verily say unto you that in the Kingdom of Heavens one only knows and respects what is of the Father; the creatures who having requested to know lives on remote planets and did not fulfill the respective Father's law, do not enter the Father's Kingdom again; until they pay the last debt; being this a molecule, an idea, a gesture, intention, instant; everything that one imagined must be paid; for everything imagined becomes alive in the Father's

presence; and they ask for justice in their respective laws; for no one is disinherited in the Father's creation; thus all what you were in the terrestrial life, is born again in the Father's presence; molecules, cells, hair, eyebrows, virtues, ideas; nothing as microscopic as it may be, remains without its justice; behold the supreme explanation that corresponds to the equality taught by the Father; being everything in the universe living, matter and spirit have the same rights; behold every spiritual importance, feels shaken; for it stops being so; no one is more important than the other before the Father; all are equal in rights; and if the Father has predilection for someone, be sure that that someone is the humblest among the humble; behold that in this world one makes the impossible, so that there would not be any humble; with the selfish and self-interested life system that

they gave to you, no one cultivates humility; that is why nobody in this world shall enter the Father's Kingdom; with no humility it is impossible to enter the Kingdom of Heavens; I verily say unto you that it is enough that a lightning of ambition has crossed your mind, and you shall not enter the Father's Kingdom; behold your life system based on gold, makes your innocence vary; and it is enough a most microscopic variation in the innocence, and the spirit does not enter the Kingdom of Heavens; behold the work of gold over every innocence; behold the deceiver of the world; behold the demon of this world; behold satan who divides innocence between good and evil; behold your yolk in all the epochs of the Earth; at every instant it stole from you a divine right; and every instant stolen from another, must be returned; behold for the same time that the right to govern the world

was usurped from the humble, they shall govern it; behold the birth of a New World; a world that should have always existed; for the divine mandate was given before all the generations; behold the own deceived ones shall crush their deceivers; behold the fall of the beast; behold the worshippers of the damned Osiris; behold the followers of gold; behold the ones who divide the Father's children; behold the corrupted ones of the universe; behold the ones who serve many masters; behold the ones who served gold and its vices; the weeping and gnashing of teeth is theirs.-

Yes little son; the celestial drawing shows that the entire nature shall be judged by the Solar Trinity; the drawing represents the Ark of Covenants; the Ark represents the reincarnation of each creature; the union between the elements and the spirits; matter and spirit get united in remote worlds; for being them living, they plan their own destinies; the Solar Trinity represents the divine power of the Father, in all the worlds

of the universe; when the Solar Trinity visits the worlds, it manifests itself by living knowledge; by doctrine; just as it was in the past of this world; the Mosaic Era and the Christian Era; now the Era of the Lamb of God is initiated; the last visit of the Trinity to this world; every celestial mandate is eternally subordinated to Father Jehovah; it depends on Him to make the laws that He creates to be fulfilled or annulled; every Trinity of the planets earths, has the living telepathy with the Father's Son; thus was in the past; everything was by living telepathy; the divine orders were given directly to the individualities that served the Father; nothing is done by chance, in the Father's creation; for you were taught that God is everywhere and in everything; the divine means which the Father has in order to communicate with His worlds, is infinite; for nothing in Him has

any limits; the Father chooses in His divine free will, the means of communication that he wants; just as you do on Earth; the Father has free will and the children have free will; what is up above is the same as down below; what the children have, the Father has in an infinite degree; and what you are going to have in the future, the Father already has it; for the Father is first in everything imagined; the Revelation shall get extended through this world, for thus it is written in the Father's Scriptures; The Doctrine of the Lamb of God is the materialization of the Apocalypse; and with it a new state of things is initiated in this world; everything that was not guided by the Father's Scriptures; the own life system falls, based on gold; every tree that was not planted by the divine Father falls; everything that is strange to His divine mandate falls; what is not of the Father, is

satan's; for one cannot serve two masters; one cannot serve two truths; for one of them is false; there is one God only; an infinite and perfect Father, He does not confuse nor divide his children; your determinations in the human laws have divided you; for you did not guide your free wills through the way of the Father's Scriptures; each act of yours is impregnated with a strange morality; a morality that is not known in the Kingdom of Heavens; in the Father's Kingdom one knows laws that came out of the Father; one does not know laws of children who had to fulfill the laws of the Father on remote planets; this is to do things opposite to the Father's will; everything that is opposite to the Father's will, does not enter the Kingdom of Heavens; and it is called arrogance; I verily say unto you that all the history of this world, constitutes an arrogance turned into history;

and no protagonist of this history shall enter the Kingdom of Heavens; it is more likely for one who did not get to know a strange history to enter the Father's Kingdom, than for one who got to know it and lived it; I verily say unto you that when millions and millions of dead are resurrected from your tombs, you shall understand the falseness of your history; for none of them was able to enter the Kingdom of Heavens; for all got to know and lived the strange life system based on gold and self-interest; behold the meaning of every Scripture that came out of the Father; everything had as an objective, to make you see that you were living a life system, contrary to the own morality of the own Scriptures; for being God everywhere and in everything, He is also in every custom; your Father contemplates your customs in their entire development; being these good or bad;

I verily say unto you that every false history is so, when it does not enter the Kingdom of Heavens; for it does not become eternal; what came out of the Kingdom, must enter intact as far as innocence is concerned; for nothing that is divided enters the Kingdom again; only satan divides and he divides himself; he was the only one who tried to divide the Father's angels; many of which requested to know lives in many worlds of the light; behold a divine Revelation that shall make millions of this world shudder; for millions of this world belonged to the legions of satan; millions bring to the world philosophies and thoughts that divide the world through generations; among them is the capitalist life system; these spirits bring in their individualities the germ of division; they divide and do not take into account the equality taught by the Father; behold

the blinds leading other blinds; who transmit selfishness to their children; there is no greater selfishness than ignoring by one's own free will, the Scriptures and Mandates of the Father; when the capitalists constitute a life system, and they do not consider the Father's teachings, became the greatest selfish beings of the universe; they only considered the laws of gold; a gold that was created by the same God who created them; a gold that in the divine presence of the Father, becomes living; and renders account to the Father as every spirit renders it; behold the spirit and greediness see each other before the Father; for everything that was imagined came out of the Father; behold the shame awaiting for you, spirits who came out of satan's legions; a shame that no human psychology could explain; for every psychology of this world, is also trialed by the divine

psychology of the Father; matter and spirit are trialed by the Creator of everything; I verily say unto you that no psychologist of this world shall enter the Kingdom of Heavens; for they were not psychologists of the Father's Scriptures, above everything from this world; it is more likely for one who did not know how to read nor write to enter the Kingdom of Heavens, than for the most illustrated one of this world; for having a greater knowledge, he did not search for the Father; it was written: He who searches, shall find; those who had more illustration, should have searched for the Father, with greater reason; for one requests knowledge and wisdom in the Kingdom of Heavens in order to be the first in praising the knowledge that came out of the Father; he who did not do it, did not fulfill the law.-

ALPHA AND OMEGA.-

DIVINE CELESTIAL COMMUNISM; THE PHILOSOPHICAL STRUGGLE OF EACH THINKING CREATURE; THE DOCTRINE OF THE LAMB OF GOD, IS THE BRIDGE BETWEEN THE SCRIPTURES AND THE TERRESTRIAL COMMUNISM.-

Yes little son; communism is the fruit of the divine parable that says: Thou shalt earn thy bread on the sweat of thy face; for there is no human philosophy, that has not cost a struggle; philosophies have their attribute and quality like the ideas; philosophy and hierarchy; I verily say unto you that the philosophy that gets closer to the Father' parable, is the one that remains reigning in the world; among all the philosophies that men

have given to themselves, in order to govern themselves through the centuries, Father Jehovah leaves the one that suffered the most; the most persecuted one; the most despised; the one that has cost more tears; the one that has undergone greater persecutions; by which more blood has been shed; He chooses the so-called earthly communism; I verily say unto you that there is no philosophy that contains more faith than communism; behold a replica of the philosophy that reigns in the Kingdom of Heavens; in the Macrocosm called Kingdom of Heavens, exists the celestial communism, with a philosophy of a child; what is up above is the same as down below; each creature requests his own living philosophy in the Kingdom of Heavens; the philosophies that the human creatures requested were philosophies of trials; for every spirit is trialed in life; the

attribute and quality of every human life is unknown in the Macrocosm; it was written: From dust you are and to dust you shall return; it means: From the microscopic you are and to the microscopic you return; for every spirit is born again; he has infinite existences again, and he returns to his microscopic dimensions; in each existence the spirit learns a new philosophy; a new knowledge; a new salt of life; in each existence the spirit gets to know Holy Scriptures; for no one is disinherited in any existence; men's communism, being imperfect, represents the greatest philosophy of the humble; all those who lived and got to know injustice on Earth, end up adhering to communism; I verily say unto you that it is more likely for one who fought against the demon of gold to enter the Kingdom of Heavens, than for one who did not fight; every spiritual merit is

harvested by those who confront a problem; and not by those who do not face it; the latter ones are easy-attitude ones; my First-born Son was the First Revolutionary of this world; he brought the philosophy of love; he gave his life for it; many have imitated him in their own philosophical struggles; I verily say unto you that only the philosophy that defended my humble shall remain; was this world not taught that every humble is first before the Creator? Also those who defended them are too; the award becomes extensive to those who defended the Father's cause? A divine cause that has been happening from world to world; for what is of God has neither a beginning nor an end; your communism even though it does not recognize an Author of the Universe, it recognizes the rights of every oppressed one, to get united and confront the exploitative demon; I verily say unto you

that the communist philosophy shall reign in this world; but, none of them shall enter the Kingdom of Heavens; for you precisely do not want to recognize the Creator of your lives; he who denies the Father, does not see the Father; His justice is perfect; just as you act, you receive; among all the philosophies that this world has known, the one that defended my humble, is closer to the Kingdom of Heavens; for its psychology is closer to the Father's desires; he who by his own intention is closer, the Father also draws him closer to the award; I verily say unto you that there is no greater award than what those who struggled in life shall receive; no easy-attitude one shall enjoy such an award; for every rich and every powerful one of this world, have already enjoyed their award; thus they requested it in the Kingdom of Heavens; behold the poorly evolved spirits; who do not

know how to distinguish between the eternal award and the temporary award; for no rich nor any easy-attitude one shall be rejuvenated to a child; they shall not enjoy the resurrection of the flesh; for they preferred the pleasures and comfort of the world; that is why they shall be called mundane spirits; the highest expression of the mundane, is constituted by the so-called high society; a world of hypocrisy and falseness; one of the trees that the divine Father did not plant; and it shall be pulled out from its roots from the human evolution; this living immorality is not of the Father's Scriptures; it is a product of the demon of gold; a product of a corrupted life system; which is not of the Father's Scriptures either; this life system came out of the science of good; of the power that money gives; the greatest mundane people are the kings, bankers, the pawn

brokers, the financiers, the capitalists; and all those who one way or the other have to do with the exploitation of the needs of others; I verily say unto you that it is more likely for one who was exploited to enter the Kingdom of Heavens, than for one who exploited; the earthly communism fulfills what was promised in the Kingdom of Heavens; to struggle with all one's might, against the demon of gold; represented by the capitalist life system; every capitalist or trader of the necessities of others, have no God; ambition and exploitation are not of the Father; they are of satan's spirits; they are spirits who came out of the demon's legion; just as the damned one divided my angels up above, thus his followers divided my children down below, in rich and poor; only satan divides and he divides himself; so that no one enters the Kingdom; for no divided spirit shall enter the

Kingdom of Heavens; everyone promised Father Jehovah to return to the Kingdom with the same innocence with which they came out; when the spirits of ambition created the so-called capitalism, they frustrated the entire humanity; for they divided them generation after generation; behold the weeping and gnashing of teeth of this world; it would have been better for you not to have lived the life system based on gold; for if you had not known it, you would have entered the Father's Kingdom; behold your demon on Earth; behold the beast; he built your hopes up with comfort and a false concept of freedom; every freedom that does not take the Father into account, stops being freedom; it turns into violation; I verily say unto you that all those who have spoken about freedom in this world, none of them has entered the Kingdom of Heavens; it is more likely for

one who in his concepts of freedom exalted the Father to enter the Kingdom, than for one who did not exalt Him; communism exalts work, but it does not exalt its Creator; he who denies the infinity to a Creator, denies himself; for the living infinity shall also deny him; I verily say unto you that you can keep being communists all eternity; but if you deny the Creator who gave you life, you shall never see Him; in order to see the Father, one must not negate Him; it is more likely for one who believed in Him, to be able to see Him, than for one who did not believe in Him; for even the most microscopic effort is awarded by the Father; I verily say unto you that Father Jehovah does not beg anyone; but He gives an opportunity to everyone; he who denies Him fulfills his law; the great believers of the Father were in other existences, great deniers; for every spirit is born again; what

he affirmed in one existence, he denies in another; and what he denied in another, he affirms it in the next one; for all the existences of a spirit are eternally relative; and parallel to their evolution; I verily say unto you that the children of communism, shall end up recognizing the existence of a Creator; this shall happen when they see the First-born Solar Son Christ levitating and working over the terrestrial nature; the skeptical being needs proofs; the poorly evolved; whining and shame shall be theirs; for they unknowingly denied what there was beyond Earth; it would have been better for them to have been mute; before denying what has always existed; the same always happen in all the imperfect worlds; for what is of the Father is not reduced to just one world; being the universe infinite, the events are also infinite; what happens in one world, takes place

in others as well; one shall never be able to count those others; the events are not unique in the sense of being unique; no one is unique; for there is not just one sole life; there are so many lives as molehills are contained in a desert; only the Father is unique; for no one can be compared to Him; I verily say unto you that he who praised the Father on Earth, can visit the Kingdom of Heavens; for if you are thankful, the Father is not less; what is up above is the same as down below; every thankfulness came out of the Father; and it returns to the Father; all the doctrines that you exercised on Earth, are waiting for you in the Kingdom of Heavens; every thinking philosophy, is as living as the own spirit; for all are the same before God; matter and spirit; each one in their respective laws; behold the supreme concept of all the philosophies; none of them is less before the

Father; for all came out of the Father; the Father chooses the one that has greater spiritual merit; the one that gets closer to His mandates; for there is no greater complacency for the Creator, when His creations try to please Him; I verily say unto you that one cannot please the Father, when the thought got away from His divine mandates; one cannot serve two masters, by thinking that he is serving just one; this world served another master by not considering the Father's Scriptures in its life system; they served another master; for all is living; behold your fall; you promised in the Kingdom of Heavens to serve one sole Master; the Master of Masters; the living God; Father Jehovah; the I Am What I Am; for many call Me in different ways; I verily say unto you that every philosophy that did not come out of the Holy Scriptures of the Father, it accuses its

creators; up to its last letter; I verily say unto you that to create philosophies out of the Scriptures, is to create living tragedies; of which you shall have to render account; that is the fruit of violation; out of the Scriptures, only the tragedy of division exists; only the demon is out of the Scriptures; who appeared in this world in the form of life system, dividing you in rich and poor; behold the demon of this world; and there is no other; I verily say unto you that only tragedy you shall harvest; for no one escaped its damned influence; none of you shall enter the Kingdom of Heavens; communism and its followers are also getting tempted; it was written: May the left be aware of what the right does; it means: May the humble and meek at heart be aware of the immoralities of those who defend gold; for they are of a strange morality; be aware children of work; be aware of

not making any alliances with the sustainers of gold; for none of those who made alliances shall enter the Kingdom of Heavens; Woe betide those who advertised the exploiters of my humble! They were blinds for being easy-attitude; no easy-attitude one shall enter the Kingdom of Heavens; for all of you with no exception promised to fight against the demon that divides the spirit; Woe betide you, politicians of the world!! Just as you divided the world, likewise shall be done with you; you shall be divided between light and darkness; your so-called political parties are not of the Father's Scriptures; who is your god then? The Father does not divide his children; for only satan divides; the Father's Commandments divide no one; why then do you divide? You did the opposite of what was promised to the Father; no one promised to divide anyone; for all of you

knew that it was written in the Kingdom of Heavens: Do not do to others what you would not like others to do to you; because of you politicians of the world, millions and millions of my children have not entered nor shall they enter the Kingdom of Heavens; for they got to know division in all their ideas; they and their inheritance shall not enter the Kingdom of Heavens; only the doctrine that defended the oppressed and the poor, is great in the Kingdom of Heavens; may the power and blessing be to it; behold a prophesy that shall shudder the powers of this world; all the nations that were exploited shall form one sole power; the greatest that has ever existed; and there shall not be another alike; for every humble is first; all those who were called underdeveloped is first in the events of this world; behold the divine complement to this divine parable; in order to become

first one had to undergo suffering; and to have known how to undergo it; every long-suffering being shall be consoled; for thus they requested it in the Kingdom of Heavens; and every violator of the Father's law, shall be punished; for thus they also requested it; I verily say unto you that everything is requested in the place where one was created; every request becomes life and sensation; every doctrine was requested by the creature; many were shown the inconveniences and the consequences that doctrines that forget the Father's mandates carry; but the spirits insist in knowing and experiencing, what they have never known and experienced; such is the free will in the Kingdom of Heavens; nothing is negated; but responsibility falls on everyone; no one mandates himself; only satan defends licentiousness; I verily say unto you that all those who taught

doctrines or political parties, none of them shall enter the Kingdom of Heavens; it is more likely for one who did not divide to enter the Kingdom of Heavens, than for one who divided; only those who defend the humble, divide no one; for it was mandated to be humble; every philosophy that did not defend the humbles' rights, made war against the Father; for every humble came out of the Father; he who is against the Father, is not of the Father; by your acts you shall recognize yourselves if you are of the Father; the Scriptures of the Father were given to you so that you would make of them the Alpha and Omega of life; so that you would make of them your own life system; so that you would make of them the above everything; I verily say unto you that satan divided and deluded you; and he drew you away from the Scriptures; it was your struggle not to let

yourselves be deluded by the illusions of life; you are in a world of trials; it was your duty to take care of your rights to what is of the Father; which are the rights in order to enter His eternity; what award can the illusions of life give? If they have no knowledge? What virtue can one have if he is fascinated with the ephemeral? I verily say unto you that all those who struggled for material things of life, none of them shall enter the Kingdom of Heavens; nor has any entered; the eternal happiness is achieved by fulfilling the Father's mandates; not forgetting what is of the Father; all those who have passed through this world, none of them has entered the Kingdom of Heavens; they have only advanced in what is mundane and not in what is spiritual; when each creature violates the Father's law, he is drawn away from the Kingdom of Heavens; for his innocence stops being what

it was in the Father's Kingdom; I verily say unto you that you requested in the Kingdom, something difficult to fulfill in this world; you requested to keep the same innocence of a child, through life; not stopping from being a child a single second; in your character; for you saw in the Kingdom that the Father and the solar virtues, are joyful like a child; in the Kingdom of Heavens every degree of selfishness is unknown; joy is the only philosophy; any other one is unknown; that is why it was written for you, the adults: Let the children come to Me, for theirs is the Kingdom of Heavens; for it is more likely for a child to enter the Kingdom of Heavens, than for an adult; the child is closer to the innocence with which one came out of the Kingdom; the so-called adult sullied his innocence by living a shameful life system, based on ambition; it is just necessary to

know satan by name, and one does not enter the Kingdom of Heavens; it is more likely for one who never heard the word capitalism to enter the Kingdom, than for one who heard it and lived it; for he made a mental, spiritual and material covenant, with a violation to the law of the Father; whereas a child lives the innocence proper of his infantile individuality; I verily say unto you that with the life system that a group of ambitious demons gave to you, it is impossible for you to keep the innocence throughout life; for one cannot serve two masters; either one serves the morality of God by keeping the innocence, or one serves the morality of money; this latter one creates in the creature a strange morality; for the Commandments of the Father say nothing about money; no one is taught to be rich; for wealth does not lead one to the Kingdom of Heavens; therefore,

every rich is rich by spiritual arrogance; for every rich as the rest of the creatures of this world, promised in the Kingdom, that what is of the Father was above everything; above every philosophy of human conception; behold every rich is undeserving to enter the Kingdom of Heavens; for he broke his own promise; it is more likely for a poor one to enter the Kingdom, than for one who was rich; poverty is a product of the human injustice; by impoverishing many, a few rich were born; every rich shall remain in the greatest poverty; for they requested to be measured with the same rod with which they measured others; they shall live poverty just as they provoked it on others; nations and individuals; Father Jehovah is a fair Father; He gives and takes away; according to the children requests; the rich requested it to be taken away from them, in case of causing harm to

others; that is why it was written: Do not do to others what you would not like them to do to you; the so-called rich would not like others to impoverish them; but the blinds do not see that because of them, there are millions of poor; I verily say unto you blind rich that you shall be persecuted as one persecutes a criminal; and they shall flee from you as one flees from the pest; the most terrible isolation shall fall on you; for it was written: Every humble shall be glorified; and every rich despised; blind rich; who do not enter the Father's Kingdom, and who do not let others enter; all those who imitated you, none shall enter the Kingdom of Heavens; your inheritance is a damned inheritance; for such inheritance does not enter the Kingdom; your philosophy of ambition of having more than others, is a pharaonic inheritance; it comes out of a past of the Earth; and every

creature of that past still does not enter the Father's Kingdom; I verily say unto you that the pain and injustice of this world came out of the damned pharaonic era; the parents of the exploitative materialism came out of this era; the demon was born from this era; the pharaonic serpent; the same serpent that deceived your terrestrial parents; the same one that remained on Earth in order to divide the Father's children in rich and poor; for the serpent knew that no divided child enters the Kingdom of Heavens; rich of the world!! You are spirits of the pharaonic era; for every spirit is born again; reincarnates again; for one has to be born again infinite times, in order to see the elevated Kingdoms of God; only with knowledge one understands the Father; one sole existence is not enough to understand His greatness; for what is of the Father has neither a beginning nor an end;

even if you are being born to new existences through all eternity, you shall never arrive into any limit, in the Father's Glory; I verily say unto you that he who believed in the eternal succession of the existences, shall have infinite existences at his disposition; he who denied them, shall have none; in the living universe of the Father, everything that is denied, turns into life before God; being this matter or spirit; for all are equal in rights before the Father; matter has as much right in its laws as the spirit has it in his; nothing is impossible for the One who has created everything; I verily say unto you that every violation, whichever it may be, is judged with the participation of the everything; in the judgment matter and spirit participate; for you are both things; and in both there are microcosms; from matter, pores, cells, atoms, hair, excrement, blood and all what your

physical body has participated; and from the spirit the 318 virtues of your thinking participate; all the ideas that you generated in life; nothing, absolutely nothing that you had in life, remains out of judgment; even nothingness has got its rights before the Father; for having Him created everything, He also created nothingness; I verily say unto you that a violator of his own mandates, which he requested in order to fulfill them, has got trillions of accusers; which got united to the spirit when this requested to know and trial certain kind of life; these trillions of creatures that get united to a spirit, are called Ark of Covenants; the Ark of Covenants is the own reincarnation of a spirit; it is the own being born again; behold the law of the beginning; the form, characteristics, and who participate in the creation of a life; for no one makes himself alone; there is a living mandate in

everyone; for everything came out of a living God; everything returns to the same place where they came out of; the places where one comes out of are infinite due to their number; no one shall ever be able to count them; for the Father is everywhere; and where the Father is, He is a Life who creates other lives; the forms of creating of the Father are infinite; and no one shall be able to count them; I verily say unto you that all those who believed that they were defending a fair cause on Earth, Father Jehovah asks them: What you defended exalted the Father above everything? What you defended, did you do it for the humble? What you defended, did it exalt the Father's Scriptures? I verily say unto you that if in what you defended on Earth, you did not consider in any way what was of the Father, it would have been better for you not to have defended; for nobody shall defend

you in the judgment; you yourselves human spirits, promised the Father, to defend Him on Earth above everything; and thus it remained written in the Kingdom of Heavens; no one promised the Father to defend neither wealth nor strange things to His Commandments; I see little son that you are thinking about the problems of your flock Chile; So it is divine Father Jehovah, I think by your divine grace, about ignorant creatures; who being poor and exploited help those who have everything; So it is little son; it is charity to the demon; this kind of charity is not known in the Kingdom of Heavens; for he who is being helped has got a strange morality; I know little son that you are thinking about the ambitious; about the so-called owners of trucks; So it is divine Father Jehovah; what a shame divine Father!! They have everything and they still complain, as if they

had nothing; so it is little son; it is the ambition that took these demons as prey; I verily say unto you, little son, that none of these immoral beings shall enter the Kingdom of Heavens; it is more likely for one who did not have a vehicle to enter the Kingdom of Heavens, than for one who had; for everything that one had in this immoral life system, one had it by violating the Father's law; the Father did not teach that one had more than another; for all are equal in rights before God; I verily say unto you that had more than was mandated; everything shall be taken away from you; thus you requested it in the Kingdom of Heavens; and every request is fulfilled; because of you ambitious beings, this world never found its justice; and you must pay up to the last molecule of flesh that every physical body felt; I verily say unto you that you requested to pay your error an eye

for an eye and a tooth for a tooth; and thus shall it be done; nothing shall remain from you, ambitious of the world; for every tree that the divine Father did not plant, shall be pulled out from its roots from the human evolution; your disappearance ambitious of the world, shall mark the happiest epoch that has ever been known by this dwelling; you were and are, the demon in human form; who lashed this world for centuries; you are the yoke of the world; your damned philosophy of ambition, has tragedy and the weeping and gnashing of teeth as an inheritance; none of you shall enter the Kingdom of Heavens; neither your imitators nor your children; no inheritance up to the fourth generation; for only the clean at heart enter the Father's Kingdom; those who lived according to the Scriptures, and not according to men; I verily say unto you that all those who lived

according to men, who lived by what the people would say, none of them shall enter the Kingdom of Heavens; for all those who pronounced what people would say, are backward spirits; ignorant; who only think according to the interests of the present; it is enough to think about what people would say, and one does not enter the Kingdom of Heavens; the term: What would they say, is not known in the Kingdom of Heavens; for all those who have pronounced them in remote and infinite worlds, not a single one of them has entered nor shall they ever enter the Kingdom of Heavens; and millions of you have fallen into the same thing in other existences; I verily say unto you that selfishness within selfishness, draws you more and more away from the Kingdom of Heavens; instant by instant; second by second; for you are living at every instant, a life system that did not come out

of the Father's mandates; at every instant you propagate future seeds of darkness for you; for each one makes his future heaven; I verily say unto you that when your understanding gets to comprehend the Doctrine of the Lamb of God, you shall all be frightened; for you shall be violating the law of God up to the last second; this is due to what you believed as being unimportant, it is to the Father; your error lies on forgetting that all are equal in rights, before God; you never understood the term everything, coming from God has neither a beginning nor an end; the instants, the seconds, the microbes, all that you do not see but exist, have the same rights as you have; the term everything was belittled by your own selves; the illusion of life reduced in you the Father's infinite concept; the ephemeral nestled in your minds; what does not come from a present; the same

inheritance that characterizes the so-called capitalists, influenced in you; they the greater blinds; and you the minor blinds; for you were influenced by blinds of greater hierarchy; by those who created your tragedy; which is not entering the Kingdom of Heavens, for living in violation of life system; I verily say unto you that satan alternated with you; for being your own way of living a violation, it is the own satan; I verily say unto you that your own indifference towards the Father's Scriptures, made your weeping and gnashing of teeth more painful; behold the falseness that characterized the so-called christian world; there is everything in the Lord's vineyard; there are true and false beings; the false christians are those who never studied the content of the Scriptures, as it was mandated; they are the christians by mouth; but not of illustration; I verily say

unto you that no false being of this world, shall enter the Kingdom of Heavens; the so-called christian world shall be accused in the Kingdom of Heavens by their own virtues; by their own thinking; by their own ideas; for playing with them; for making them false; behold the work of the religious rock; the work of the greatest selfish beings that have passed through this world; behold the work of satan; for he divided you in many beliefs, being there one God only; they confused the world of faith; religious of the world!! Be ready for what is coming to you; every harm as microscopic as it may be, must be paid; what you did with this world, you did it in others; remote humanities got to know your damned division; humanities who because of you did not enter the Kingdom of Heavens; in remote worlds you left despair and the weeping and gnashing of teeth; you filled

these worlds with temples and monuments; you taught in them the material adoration; the adoration that never pleased the Father; for the children do not attain anything in spirituality; all the contrary, they fall behind; they fall into opposing feelings; they become hypocritical and false; just as the so-called christian world became; I verily say unto you demons of hypocrisy and falseness, that you are the false prophets of my Scriptures; thus shall the world call you; for you requested the Father that every error and falseness that you provoked in others, fell on you; this is with the rod you measured, you shall be measured; behold why the Father told you, centuries ago: Upon this rock I shall build my Church; I wanted to say to you: Upon this rock of human selfishness; you fell into the intellectual selfishness; the most terrible of selfishness; you believed of yourselves as

being unique in the truth; how will you explain the world the rejection you gave my humble Emissary? Where is the humility which you talked so much about for centuries? False of false beings!! Your humility is not the true one; the true humility does not need temples nor thrones; nor does it need to be confessed; for woe betide those who enquire the intimacies of the free will; it would have been better for them not to have been born in this world; not even the Creator does what you do hypocritical demons; I verily say unto you that you shall have to cry out your sins before everyone; thus you requested it in the Kingdom of Heavens; you requested a universal judgment; a judgment in the presence of everyone; just as it is done in the Kingdom of Heavens; where nothing is hidden; woe betide those who created occultism in this world! Thus shall the

Kingdom of Heavens be occulted to them; I verily say unto you religious of the world, that the final judgment starts from you; for thus you requested it in the Kingdom of Heavens; you requested to be the first in the Word of God, and the first to be judged; but you did not teach the Father's Word, according to the Father's Scriptures; you taught what is of the Father according to your comfort and material interests; you made a covenant with the immoral life system; a corrupted life system; whose characteristic was the so-called rich; knowing you religious demons that no rich enters the Kingdom of Heavens; you shall run the same fate as theirs; you shall be accused in the Kingdom of Heavens, of complicity with the demons of gold; of intriguing and corrupting the innocence of a world; it would have been better for you not to have been religious in

life; for the world would not be against you; no one would accuse you; I verily say unto you, children of the world that your blind guides, have you in a backwardness of twenty centuries; in the moral and spiritual level; you are being led by the most backward of the human evolution; since for the Father, the humble are the first; and between the true humble and the so-called religious, there is an infinite difference; the humble enter the Kingdom of Heavens; the religious do not enter; I verily say unto you that it is more likely for one who did not get to know religion to enter the Kingdom, than for one who got to know it; he who did not get to know religion did not get divided; he got to know it did get divided; only satan divides himself, and he divides others; for no divided spirit shall enter the Kingdom of Heavens; every divided being is influenced by a strange

morality; alien to the morality of the Father's Scriptures; so it is that the entire christian world has got a strange morality; whose cause is in the false interpretation of the Scriptures; I verily say unto you that no false one shall enter the Kingdom of Heavens; behold the greatest deceit of this world; this deceit is so immense that no creature of this world shall enter the Kingdom of Heavens; what is worthy in the Kingdom is the meticulous fulfillment of the Father's divine mandates; the rest is a strange morality; the entire human organization should have come out of the Father's Scriptures; the own life system; you promised the Father to make of life the own Scriptures; above everything; and you did the opposite; the Father's Scriptures are the most forgotten ones; likewise shall they forget about you in the Kingdom of Heavens; I verily say unto you that in all

the worlds the same tragedy takes place, when their creatures draw away from the Father's Scriptures; I verily say unto you that the interpretation of the Father's Scriptures is not in what is material; it is in the individuality and its inclinations; the Father's interpretation of the Scriptures should have never been material; for the spiritual actions are the eternal ones; the ones that lead to the Kingdom of Heavens; what is material is ephemeral and contemplative; intelligence stops; it does not have a creative expansion; I verily say unto you, that your material adoration has drawn away every child that has passed through this world, from the Kingdom of Heavens; for they were influenced by a false concept, which they should not have had; behold your fault false prophets of my Scriptures; because of your ignorance this world did not live exalting the Father above

everything; they lived in prudery; because of you ignorant beings of the rock, this world does not enter the Kingdom of Heavens; no thinking that did not think according to the psychology of the Father's Scriptures, has entered the Kingdom of Heavens; for the term: Above everything, includes: above every thinking; above every strange psychology; and I verily say unto you that to teach my Scriptures according to the human comfort and selfishness, creates a false morality and a strange morality; what is taught in falseness does not agree with what was promised in the Kingdom of Heavens; behold the drama that you caused in every spirit who followed you in life; each believer was divided between what they promised and what you taught them; what was promised in the Kingdom of Heavens was made into an eternal law; this eternal law is written in the Solar

Books; and in the terrestrial Scriptures; you by falsifying the true interpretation of the Scriptures, falsified the real concept of eternity in millions of minds; it is your immoral way of interpreting it what made no one of this world enter the Kingdom of Heavens; one enters the Kingdom with the most elevated concept of morality, that the mind can imagine; and you religious demons, did not know to give the world the most elevated morality that one can imagine; I verily say unto you that you did not want to attack the demon, from the beginning; you accepted from the beginning the life system based on gold; behold your covenant with the demon; one cannot serve two masters; either one serves the living God according to his Scriptures, or one serves the god of gold, according to its darkness; and you blinds served both; I verily say unto you that you shall have

to cry out your sin before the world; for only satan divides; I verily say unto you that the world never saw nor shall they ever see such an event; you were the own satan!! Behold even satan is trialed by the Father; I verily say unto you, damned traders of the faith, that when you disappear from this world, this world shall enter the happiest era of its history; for it shall not be divided; the world that was trialed would have passed; the materialistic world; the Alpha or beginning world; you never realized it religious beings of the world; throughout life, you only saw the mote in someone's eye, and did not see the rafter in your own; you were selfish and as hard as a rock up to the last instant of the time of your trials; behold why he Creator immortalized the divine term: Upon this rock I shall build my Church; it was said before the actors of the human selfishness were

born; for every divine expression that comes out of the Father is prophetic; for having Him created everything, He also created the future; I put your fall in the own Scriptures; and many of you false prophets, sensed this truth; but you remained silent; so much the worse for the poorly honest; for you helped to sink others; I verily say unto you that it would have been better for you not to have requested being religious as a trial; for you shall be the most hated of this world; for you provoked in everyone the worst tragedy of the spirit; to know that one shall not enter the Kingdom of Heavens; behold a law of life; those who were great in power in this life, pass to be the despised ones; for the final judgment, the living Word of the Father, opens all the understandings; for being Him everywhere, He is in every mind; I verily say unto you great ones of the world, that the

weeping and gnashing of teeth starts for you; for there should have never been any powerful one in this world; for it was taught that all are equal before God; every greatness of this world, shall not enter the Kingdom of Heavens; it is more likely for one who was humble to enter the Kingdom, than for one who exalted himself; I verily say unto you that according to how one lived in life, thus shall be your award; for everything has a hierarchy in the universe; and all are living in their laws; all without exception have mandates to fulfill; yours was and is to have been humble above everything; who was so with your scandalous life system? Who could be humble, if they tempted you with gold? Who could be humble, if your own parents gave you the bad example? Who could keep innocence if your own parents legalized scandal? And they made others call them christians!!

I verily say unto you that your children shall curse you, and every parent shall curse their parents; for a mandate was given to you which came out of the Creator, and you did not fulfill it; you fulfilled mandates of men; unknown mandates in the Kingdom of the Father; I verily say unto you that eternity does not come out from them; for the earthly humanity is a microscopic hierarchy; those who expected everything from men, do not expect anything from the Father; Father Jehovah is a Zealous God of his laws; I verily say unto you that all those who broke their promises made to the Father, that only the Father was above everything, shall not enter the Kingdom of Heavens; for they cannot show themselves as models of obedience, before the world virtues; they would call them demons of disobedience; in the Kingdom any violation to the law of love, is called

demoniac love; even if that violation is the most microscopic that your mind can imagine; evil is unknown in the Kingdom of Heavens; and if you entered the Father's Kingdom, infinite innocences would read your mind; and they would see in you darkness of disobedience; and you would become disturbers of the mental peace and tranquility in other beings; behold the inheritance that was given to you by those who created your self-interested life system; because of them you shall have to continue out of the Kingdom of Heavens; you should keep being born on planets of flesh; behold the law for those who do not fulfill; behold that you are one of the infinite worlds that wander through the spaces, paying debts of very remote pasts; of births that have already passed; for other demons also deceived you; there have been satans in all generations; there is no

generation that has not been divided and drawn away from the truth of the Scriptures; and none of them has been able to enter the Kingdom of Heavens; I verily say unto you that only those who thought about the rest, shall enter the Kingdom of Heavens; no one who thought for himself enters; those who gave their lives so that others were happier, theirs is the Kingdom of Heavens; the poor, the persecuted, the humble, the exploited are awarded; for the Father awards him who has known how to carry his cross; and more awarded is the one who never had anything; he who expected everything from the Father; every patience receives its award; I verily say unto you that he who had nothing, shall have everything; including the physical eternity; to become a boy or a girl again; the resurrection of their flesh; for a First-born Son can do everything; who is first in everything that

your mind can imagine; behold a Revelation that was announced to you, with many centuries of anticipation; but, just a few believed; for just a few searched; just a few deepened into the Father's Scriptures; he who did not believe, shall not receive anything; precisely for he did not believe; only he who believed, shall receive according to how much he believed; behold a justice in which you yourselves were the accused and the judge; for you shall receive according to your acts; you will have to arm yourselves with all that you made in life; behold the Armageddon; which means people who get armed; the Armageddon is each one's judgment; second by second, instant by instant, molecule by molecule, virtue by virtue, idea by idea; for thus you requested it in the Kingdom of Heavens; all that you are in body and mind, you requested it; there is nothing in you that has not been

requested; the judgment of the Lamb of God starts with those who exalted themselves the most in this world; with those who made all the opposite, according to the Father's Commandments; Who did not mandate anyone to exalt himself; He mandated everyone to be humble above everything; behold a weeping and gnashing of teeth; for the truth comes by surprise; it depended on you not to let yourselves be surprised; for it is part of the trials of life; you requested surprise in all the things of life; including the coming of your final judgment; for everything becomes a reality in life; it was your turn down here; others up above.-

ALPHA AND OMEGA.-

THOSE WHO GOT UP EARLY BECAUSE OF THEIR WORK, ARE FIRST IN THE KINGDOM OF HEAVENS; WORK IS THE ONLY PHILOSOPHY THAT LEADS TO THE KINGDOM; IT IS MORE LIKELY FOR ONE WHO WAS A WORKER TO ENTER THE KINGDOM OF HEAVENS, THAN FOR ONE WHO WAS A KING OR MILLIONAIRE.-

Yes little son; the philosophy of work occupies the first place in the celestial points; for work is the Father's philosophy; this divine philosophy of the Creator of the Universe, was expressed to the world when Father Jehovah said: Thou shalt earn thy bread on the sweat of thy face; everything that costs the spirit is the first before the Father; I verily

say unto you that those who avoided work so to make money work, shall not enter the Kingdom of Heavens; for the divine mandate of the Father was not fulfilled; those who were Kings or millionaires shall not enter the Kingdom of Heavens; it is more likely for a camel to pass through a needle's eye than for a rich man to enter the Kingdom of Heavens; behold the cause why the humble and exploited are the first in the celestial points; for having turned their own lives into work, the attained points are enormous; every worker must add all the seconds gone by in their lives of work; but, since matter and spirit have attribute and quality, there are hierarchies in the diverse jobs of the world; the humbler a job was, the more elevated is its hierarchy; and greater are its attained points; so it is, for example: If a worker spent his life making excavations, every little molehill that he

removed, represents an attained point for him; the worker or any child who built his own house, each built molecule represents a little point attained; I verily say unto you that the number that this represents, escapes the human calculation; every collective work which others took advantage of, must multiply each little point by three, each molecule, each molehill; so it is that every garbage collector, chimney cleaner, floor polisher, home painters, plumbers, radio and TV repairers, telephone and refrigerator repairers, building demolishing worker, have got the highest points attained; all of them must multiply by three each attained little point; I verily say unto you that every rich or king, shall envy every humble; for every humble and exploited one, has got his eternity attained; the points are multiplied to all the virtues of the spirit; when the spirit has worked in

good; for all of them participate in each idea, in each action carried out by the spirit; they are as expansive as the own universe; there is no private virtue in the spirit; all the virtues requested unification and the equality taught by the Father, in the Kingdom of Heavens; the fact that all are equal before God, represents the Universal Communism; this law that came out of the Father, was never understood by the licentious spirits; who only speak about freedom in order to follow gold and its vices; behold the cause of every struggle in this world, while the spirits who make others called them free, do not overcome the complex that they have in respect to gold, this world shall never have justice and equality; the life system based on gold, called capitalism has always impeded the unification and justice in this world; for they have got the complex of self-interest based

on shrewdness; they act just as satan acted with Adam and Eve; he who used shrewdness towards the brethren in the trials of life, shall not enter the Kingdom of Heavens; shrewdness is not a tree planted by the Father; and it shall be uprooted from the human customs; I verily say unto you that every early riser of his work, has also got points multiplied by three; a baker has got one little point for each molecule of worked flour; and since bread is food for everyone, they have got points multiplied by three; behold one of the elevated points in humanity; work is the universal philosophy of the Father; the first and the last; all the other philosophies of this world are temporary; which requested to be trialed in the spirits; every philosophy is living before the Father; the universe was born by the divine work of the Father; and those who should have governed this

world, should have always been the workers from the beginning; for the highest points of light are in them; the greatest spiritual merit; but, the opposite happened; those who have governed this planet are those who have less points of light; those who have led the destiny of this world are those who got away from the Father's Scriptures and Commandments the most; and when this always happens, the greatest sorrow and injustice takes hold of them; the same thing happens in infinite worlds; for no one is unique in the universe; the Father's justice is the opposite to what men waited for; for men did the opposite; the self-exalted of this world shall not be so anymore; for everything has its time of reign and everything has got its end; the Final Judgment in the form of a Doctrine starts to emerge in this world; it starts from the intellectual; amidst everyone's surprise;

for no one imagined that the Final judgment would start from the human intellect.-

Yes little son; the celestial drawing shows the Solar Trinity can do it all; the divine concept that says: In Glory and Majesty means that the First-born Solar Son shall visit many worlds that surround the Earth by levitating and flying; it shall be a sublime spectacle; the term First-born Son in Father Jehovah, means to be first in everything imagined; for the faith of a Solar Son covers concepts of the

universe which the humanity of this world does not get to understand yet; every concept that the imagination generates, becomes a reality in the Father; being this proportional to the degree of faith in each one; behold a concept that came out of the divine parable that says: Faith moves mountains; for without faith no one would get to be a First-born Son; for every spiritual advance towards the Father, is in a correct and direct relation with the evolutionary concept that one has about infinity; it is said correct and direct for there is satisfaction of the free will and conscience of a destiny; those who cultivated a poor faith, have got a limited concept of the Father's infinity; just as they did not care about infinity, likewise infinity shall not care about them; behold millions and millions of spirits, wander through the universe, without finding their destinies; for in the trials of

life, they did not care about understanding it; each inclination of the spirit becomes a destiny out of the Earth; the lack of interest towards the Father, becomes a tragedy to the spirit; out of the Earth no one cares about him; what is up above is the same as down below; I verily say unto you that according to the conscience with which you fulfilled the trials of life, that is what you are going to find out of the Earth; the mental state close to the own innocence, is what draws one near the Kingdom of Heavens; but, innocence was not kept in this world; for every innocence was influenced by a self-interested life system; self-interest should have never been known in this world; not even by word should it have been known; all those who pronounced the word self-interest shall not enter the Kingdom of Heavens; it is more likely for one who not having known

self-interest, did not pronounce it in life to enter the Kingdom of Heavens, than for one who got to know and pronounce it in words; being in innocence, there is much that one should have never known; it is just enough to know only one letter that did not belong to innocence, and one does not enter the Kingdom of Heavens; I verily say unto you that in order to keep the same innocence, with which you came out of the Kingdom of Heavens, you should have never lived the capitalist life system; you should have never taken gold as the basis for survival; for one could have lived in many ways; the form of the less self-interested life is what you should have lived; self-interest shall never be recognized in the Kingdom of Heavens; that is why no human creature shall enter the Father's Kingdom; it is more likely for one who did not live in the capitalist system to enter the

Kingdom of Heavens, than for one who lived it; the so-called Occidental world shall not enter the Kingdom of Heavens; for it gave the rest of the world an example of usury and injustice; it infected the Orient; it shall be accused before the Father of being a corruptor of individuals and nations; behold satan building the world's hopes up with his gold; perpetuating the division of the world between rich and poor; behold the lash of the world; behold the beast; behold satan turned into a life form; I verily say unto you that nothing shall remain of this beast; for the Revelation of Father Jehovah shall crush it; woe betide those who lived with ostentation! Woe betide those who were rich! For the weeping and gnashing of teeth is theirs; what never belonged to every so-called rich shall be taken away from them; for it was taught that all are equal in rights before the Father;

great are those who proclaimed equality in this world; for they cared for a justice for everyone; a rich was never interested for justice for the rest of the world; what they were interested in was privilege and power; even by violating the law of the Father's equality; all the rich of the world shall remain in the greatest poverty; for thus they requested it to the Father, in case they let themselves be tempted by an abundance which is an immorality in the Kingdom of Heavens; wealth would be legal before the Father if it did not violate His own law; no rich or capitalist has consulted the Father's Scriptures; for they live deluded and clinging to gold; no deluded one shall enter the Kingdom of Heavens; I verily say unto you that every rich of the world resolved before the Father to oppose resistance against the inclination of having more than others; for no one requested the

Father to violate equality in any imagined form; all the inclinations which a spirit feels subdued to, are trials which he promised to overcome; I verily say unto you that every spirit who let himself be influenced by his own inclinations, shall not enter the Kingdom of Heavens; such was the request of this entire humanity; for everything is requested in the Kingdom of Heavens; life was given to you in order to understand the Father above everything; he who did not search for Him nor understood Him in the trials of life, does not return to the Father; I verily say unto you that the own life with all its events, is living before the Father; living means that it expresses itself before the Creator; every life with all its facts, when it does not find its Creator, accuses the spirit of its tragedy; behold one of the causes of persecution in many spirits; who did not fulfill the Father's

Commandments in life; all the facts that he lived in his life feel the influence of such disobedience; and they make the spirit an enemy; the spiritual hatred is born between the virtues and the spirit; a hatred that lasts for many existences; by many being born again; I verily say unto you that every ungratefulness to the Father is paid in darkness; behold the destiny that awaits millions and millions of human creatures, who have never read Him; these poor creatures promised the Father not to let themselves be overcome by forgetfulness, at any instant and above everything; behold the fall of the so-called christian world; a hypocritical world; a world that lived for gold, and shielded itself by mouth in the Father's Scripture; behold the rock of the human selfishness; behold the world of false prophets of the Father's Word; behold the dead; for no so-called christian shall

enter the Kingdom of Heavens; for they served two masters; and one cannot serve two masters; for there is one sole God only; to serve Father Jehovah, it was not necessary to serve gold; I verily say unto you that no spirit requested the Father to let himself be dominated by possession; and possession tempted you in the form of life based on gold; your tempter was capitalism; because of capitalism none of you shall enter the Kingdom of Heavens; behold the demon; behold evil turned into a form of life; behold no one of the past of this world has entered the Kingdom of Heavens again; for there were ambitious beings in every epoch; there were infectors; there were tempters; behold at every instant, second by second, this world is getting away from the Kingdom of Heavens; and so will it be as long as you keep on serving capitalism; as you continue serving

gold and its followers; this drawing away which has been taking place through centuries and centuries shall stop when the tempting demon disappears from this world; when the so-called capitalism disappears; when this tree which was not planted by Father Jehovah stops existing; behold the Armageddon war shall pull out from its roots what the Father did not plant; this war shall not be like the wars of men; for the Father does not use wars in order to judge this world; the war of Armageddon, is a war of ideas already lived; ideas of good and ideas of evil; behold from your own selves comes out the fall of the demon of gold; for every evil came out of those who gave you the life system based on gold; the Armageddon war is the war that every spirit shall sustain against all the evil done; it is the addition of all the ideas generated by the mind; it is the celestial points

which each one attained in life; it is the weeping and gnashing of teeth of every spirit; it is the conscience before the Father's Revelation; it is the birth of a new psychology in humanity; it is the transformation of the human intellect; it is the beginning of the final judgment; it is the greatest surprise of the human spirit; I verily say unto you that with this surprise, the end of the world of the human trials is set; a world requested by you yourselves; a world that came out of your own free will; a free will deluded by the violations of the own men; for men did things without consulting the Father's Scriptures; they made them according to the interests of men; I verily say unto you that this strange world which came out of men, shall disappear from the human evolution; only what exalted the Father's Scriptures shall remain; he who did not exalt Him does not stay; I

verily say unto you that this world shall live the universal communism; the philosophy of the Kingdom of Heavens; the only one taught by the Father in his Scriptures; all the other philosophies requested their time in order to be trialed; an already consumed time; for there is no time that time does not reach it within time; for even time requested a time of justice; every time has got attribute and quality; every time is living before the Father; time and event are the same thing in the Father's Kingdom; their attributes communize in the everything above everything; behold when the Revelation starts expanding throughout the world, a new time shall be being born; a time that shall be called a Time of the New World; or Omega Time; behold where the human events end, which requested to be trialed; a matter and a spirit that requested it; in their attribute and

quality; I verily say unto you that in the divine plans of Father Jehovah no imagined exploitation system was taken into account; everything that the Father did not plant, shall be consumed by fire; behold the weeping and gnashing of teeth of an entire world that did not study nor guided itself in life by the Scriptures; behold the end of all the ignorant beings of this world; ignorant by their own will; behold the end of the error in this world; behold the end of the cause of every sorrow in this world; behold the first death by solar fire, coming out of the Father; behold the death of all those who make others call them professionals of the force; not a single damned one of the so-called armed-forces shall remain in this world; for such philosophy was not taught by the Father; on the contrary, the divine Commandment says: Thou shalt not kill; and if it was divinely

mandated not to kill, why did these demons constituted themselves in professionals of death? I verily say unto you that every member of the sect called armed forces, are criminals in the Father's presence; and as criminals shall they be judged by the Father's Revelation; behold the fall of one of the pillars of exploitative capitalism; behold the judgment to the legalized criminals, by the human psychology; but, every deceit is not eternal; no demon who tested weapons against his brother, shall remain in this world; you are damned demons of the armed forces; woe betide those who talk to you in life!! For damnation shall fall on their own selves; by the same voice does the spirit fall; I know little son that you are thinking of the demons of the force of your flock; *So it is divine Father Jehovah, I think of how they violated your divine law; I think and see how they will hit their chest,*

when by your divine grace, the Salvador brother resurrects; So it is little son; the entire world shall know that they were deceived by the criminals of force; who continue violating the Father's law; they continue executing others by the least pretext; they continue keeping the flock prisoner; and they tell the world that in Chile they enjoy freedom; hypocrites! For each second of hypocrisy gone by, corresponds to you an existence of darkness; existences that at each instant draw you more and more away from the Kingdom of Heavens; from the precise instant in which you murdered a Father's Emissary, who had the mission of governing along with the humble, a damned score started to run for you; only by returning to the past, such points stop; I verily say unto you that you interrupted a right requested in the Kingdom of Heavens due to ambition; you stole three

years from this right; deduce the seconds contained in three years; for each second corresponds to you to be born again in worlds of darkness; where you shall be persecuted in order to be murdered; just as you murdered in this world; what is up above is the same as down below; you must pay an eye for an eye and a tooth for a tooth damned beings of the force; cell by cell; pore by pore; hair by hair; for all your victims are waiting for you in order to accuse you in the presence of the Father; and by accusing you, they ask the Father that you pay up to the most microscopic of what they were; each little pore of flesh that you murdered is waiting for you damned beings; since for each one of them, an eternity of sorrow and calvary is awaiting you; no one is less before the Father; neither the spirit nor matter; neither the virtue nor the molecule; and all of them claim their Cre-

ator the same equality which all claimed in
life.-

TO KNOW A WORLD OF THE LIGHT.-**

Yes little son; the so-called capitalism made the so-called christian world go astray; for one cannot serve God and serve gold at the same time; the entire humanity requested

to serve the Father without self-interest; the strange life system based on gold made the entire humanity go astray; for every mental action was influenced by self-interest; there is no human creature that has no points of darkness, because of having known self-interest; there is no one who does not cry because of this score of darkness; the greater is the score against, the further away is the spirit from the Kingdom of Heavens; while one was self-interested in life, each being must add to himself a point of darkness for each second lived; beginning from the age of twelve up to the instant of the own repentances; I verily say unto you that if you had not known capitalism, all of you would have entered the Kingdom of Heavens; for the fruit of this demon which turned into a life system, is a fruit of damnation; there will not be anyone who shall not curse it; after they

know the terrible truth; that is why it was written: There shall be weeping and gnashing of teeth; it was a prophetic announcement for the entire humanity; everything said by the Father in his Scriptures, is prophetic; for having the Father created everything, He also created the future, prophesy and every future event; that is why when the Father directs Himself to the worlds, He does it by alluding the future; He is everywhere and in every time; past, present and future; I verily say unto you that the so-called capitalism is a microscopic time, within the entire time of the Earth; capitalism shall be forgotten in this world; just as many reigns of the past went into oblivion; I verily say unto you that capitalism shall be remembered as a nightmare in the future epochs of the world; it will be said about a strange life system that condemned an entire world not to enter the

Kingdom of Heavens; an epoch that shall be known as the weeping and gnashing of teeth; capitalism is one of the most arrogant weaknesses of the human spirit; when such life system disappears, an epoch of an unprecedented happiness shall come to the world; for the future generations shall not be interested; they shall not covet gold; they shall not have the complex that the present generation has; a terrible complex that made an entire world go astray; they missed the right to enter the Kingdom of Heavens again; I verily say unto you that no guilty one of such tragedy shall escape the divine justice; every demon requested to be judged when they requested the Father to know a form of life of the light; the spirits who created capitalism are spirits who came from remote darkness; for they come from all corners of the universe to Father Jehovah, in

order to request forms of life; every capitalist demon, promised the Father to oppose resistance to their own impulses of exploiting others; but, they fell in the trials of life; and by them falling, they made an entire world fall; behold the demon of the terrestrial humanity; behold the beast turned into a form of life; behold the yoke that came out of the own men; ambitious beings who never ever reconsidered their selfish way of being; they were blinds in respect to the spiritual future of this humanity; they never studied the Father's Scriptures; they stepped on the own promise that came out of themselves; they did not follow the laws of life; they did not care about their own eternity; they enclosed themselves in an ephemeral present; they built their hopes up on gold; a gold that speaks in the presence of the Father; a gold that was created by the same One who

created life; gold and creatures are trialed by the Father; each one in their respective laws; I verily say unto you that the so-called capitalism has a little time left; they shall not pass the year 2000; for every time of trials is requested to the Father; the so-called capitalists distorted their own time requested by them; they created an empire that is crumbling; they created the slavery called poverty; for they never learned to control their ambitious appetite; they were worthy imitators of the damned pharaohs of the past of the Earth; many capitalists lived in the epoch of these demons; the creators of the human materialism; the creators of the first slavery of the human gender; just like the Father pulled out the damned pharaonic dynasty from this world, likewise shall He also pull out the strange capitalism from the human evolution; everything strange from this world

starts disappearing as the centuries go by; everything strange to the Father's Scriptures and the Commandments; now it is the turn of the so-called capitalism; the present followers of this immoral life system, shall curse its own creators; they shall curse their own parents for having transmitted the capitalist inheritance to them; the tragedy of the weeping and gnashing of teeth is coming over this strange tree; I verily say unto you followers of gold that all the generations of this world that got to know you, are waiting for you out of the Earth in order to accuse you before the divinity; when every harm is not paid on the own planet, it is paid out of it; for in virtue of the individual free will, some request justice on the Earth, and others out of it; behold every debt is paid up to its most microscopic molecule; all the capitalists who deceived with the delusion of gold, and who

the Revelation of the Father surprises, on Earth, is because they requested it so; with the fall of the strange capitalism, a painful chapter is closed in the history of this world; a living tragedy which should have never existed; for no one requested the Father to exploit another being; not even in the most microscopic form; behold the short reign of shrewdness; the living roguery; a strange life system based on gold and force; behold the beast formed by all the avaricious and selfish beings of the world; each one is individually part of the beast; evil acquires unknown forms out of the microscopic Earth; every evil thinking is expansive; just as light is; I verily say unto you that all those who generated ideas of darkness, meet their own ideas out of the Earth; ideas that have taken the expansive form of colossal hells; the opposite are the colossal paradises; which came out

of good ideas; ideas that did not violate their own laws; behold the destiny that awaits the followers of gold; they came momentarily out of darkness in order to know a form of life of the light; and since they fell in the trials of life, they return to darkness; nothing happens or nothing exists by fate in the Father's creation; everything grows with a living responsibility; this living responsibility was annulled by the capitalist's free will; who built his hopes up on an easy-attitude life, based on the possession of gold; with it he avoided the divine mandate of the Father that said: Thou shalt earn thy bread on the sweat of thy face.-

Yes little son; so it is; just as you knew it since you were a boy; the strange material adoration of the so-called Catholic Church, gets expanded out of the Earth, in infinite mental germs which shall give place to other many infinite worlds, in which their creatures will also exercise the material adoration; every thinking inheritance gets extended beyond the planetary dwelling; each so-called faithful of the church has created a heaven of planets

whose philosophy in respect to the Creator, is erroneous; behold the strange fruit that came out of a strange form of understanding the Father; behold a strange salt of life; which shall provoke a tremendous backwardness in the evolution of those future worlds; just as the so-called religious provoked it on Earth; for when a world does not fulfill the Father's Scriptures, infinite genius of planetary progress, do not want to be born again on the respective planet; for they have got free will; when the geniuses do not come to a determined world, it is the world which loses; behold every strange credibility brings backwardness in the respective humanity; nobody requested the Father to make the world go backwards, on which one requested to know a form of life; from the first to the last second of backwardness, is paid before the divine justice; for every human spirit

requested to pay one part of their errors in the human life; the debts of the spirits are paid by many existences; likewise the awards are enjoyed through many existences; there is everything in the Father's flock; I verily say unto you that the planets earths are so infinite, that what takes place in yours, occurs on others; and it never stops happening; that is why it was written; What is up above is the same as down below; for you are surrounded by worlds; just like a man who is standing in the middle of a dessert is surrounded by infinite molehills; each molehill corresponds to a world; but your human knowledge will not be able to count what is contained in the desserts of the Earth; as it shall never be able to count the number of worlds of the universe; what is up above is repeated down below; I verily say unto you that every world with no exception, came out from the

generation of an invisible mental idea; every world is born from the most microscopic that a creature has; and the most microscopic in the thinking creatures, are their own ideas; ideas, so microscopic that they only feel and do not see; and not for that they stop being physical; every creature in the universe has in a microscopic degree, the Father's creative inheritance; what is up above is the same as down below; and since from each one comes out his own creation, is that it was written: Each one makes his own heaven; for each microscopic planet that comes out of each idea, is also born with a heaven that surrounds it; the heavens grow as the planets grow and mature; just as the fruits of nature grow and mature; what is up above is the same as down below; up above in the Macrocosm there are worlds so gigantic, that their fruit would not fit on the Earth; there

is everything in the Lord's Vineyard; what is of the Father has no limits in anything imaginable; not in distance, nor in weight, form, density, gravity, number; I verily say unto you that the succession of the worlds is eternal; the expansive creation of the Father never stops; limit is not born at any instant; not shall it ever be born; every world and every planetary science that has believed to have gotten to know the limit of the universe, as time passes by, they have recognized their error; in new existences and in other worlds, they have realized past errors; infinite worlds and infinite sciences that only thought of just one materialized present, get to realize later that the presents are as infinite as the own worlds; even more they realize that in a same present, there are others that have no end; one present acts as macrocosm and the other presents as microcosms; which means that

they are invisible; not a single present from the living philosophy of the trials, realizes that it is a microbe; for elements and creatures requested geometry in a living reality; they requested to live and not realize their own inferiority; only when the mind makes the effort of searching, many spirits realize that they are only microbes before a universe that has no end; only being born again deepens this sensation; for the longer one has lived, the deeper are the ideas that the spirit has; so it is that the First-born Son having lived more than any other one, after the Father, gave new doctrines to the world; doctrines that did not come out of the earthly knowledge; nor written in any book of human conception; behold the infinite difference between the divine and the human; without the divine intervention, this world would have destroyed itself; for the generations

would have had other determinations; this world would have been turned into a world of darkness; but, those who divided the world because of their own self-interests, created a living darkness in the human psychology; for none of those who got to know these selfish beings, shall enter the Kingdom of Heavens; nor has any entered; the trials of life which was requested by everyone, consisted in that no one would get to know darkness, in any imaginable way; it was a promise made above everything; and among all the imagined ways are the strange religions, which have violated the Holy Scriptures of Father Jehovah.-

Nº 114

BETWEEN COMMUNISM AND CAPITALISM
THERE IS A COUNTERSCORE BETWEEN
THOSE WHO REQUESTED TO HAVE MORE IN
LIFE, AND THOSE WHO REQUESTED TO HAVE
LESS; CAPITALISM REQUESTED TO TRIAL
POSSESSION FOR ITSELF; COMMUNISM
REQUESTED TO GENERALIZE POSSESSION
FOR EVERYONE.-

Yes little son; everything is requested in the Kingdom of Heavens; even the most recondite is requested; the spirits request to improve their thinking philosophies, and trial them on remote planets; behold the tendencies and inclinations which no one is excepted from; capitalism of this world requested Father Jehovah to be the first to

trial in time, space and philosophy; that is why capitalism is older than communism; and communism requested the Father to trial His by taking advantage of the injustices of capitalism; His means that communism is the Father's; for all of you came out of a same common law; you came out of a same place of the universe; the love of the Creator for his creatures is common; no one is less before Him; neither the spirits nor matter that He created; that is why it was written: All are equal in rights before God; Capitalism is not from the Kingdom of Heavens; for no one gets divided there even in the most microscopic; capitalism was requested by microscopic creatures, known as human spirits; I verily say unto you that you are so microscopic that no one knows you in the Kingdom of Heavens; only Father Jehovah, the Solar Mother Omega and certain Solar

Parents, who were prophets on Earth; for no spirit who got to know capitalism, as a life trial on a remote planet, has entered the Kingdom of Heavens again; for with such system that they requested, they got to know vices; and no human spirit requested the Father to know any vice; I verily say unto you that the Father's hopes were in those spirits that did not request capitalism as a form of life; for the free will submits to the Father who created it; when the spirits go to the worlds to improve themselves, everyone makes promises to the Father; just like a son on Earth promises it to his terrestrial father; what is up above is the same as down below; the Father who has created everything, also created the future of everything that exists; the future of all the creatures and the worlds; the Father sees when the child departs to a remote dwelling, will fall into laws opposite

to what he promised in His divine presence; the Father says nothing; for every child is to live the requested experience; otherwise, he would never know it; so it is that the capitalists promised the Father to trial the philosophy of possession, without violating the laws of the Father; but they violated them; for there are injustices in the world; poverty which is not in the Father's mandates; when the creatures request to trial their philosophies, they also request time to develop them; and along with time, they also request the end of times; this end has arrived for capitalism; from the precise instant in which the world gets to know the new Revelation; for every Revelation that comes from the Father, transforms the customs of the world in which it is revealed; just as the Mosaic and Christian Doctrines transformed it; behold the final judgment; the judgment requested

by everyone; for everything is requested in the Kingdom of Heavens; when one requests to know a life, judgment is included; some requested to be judged on Earth, and others out of her; for there is judgment up above and Judgment down below; for what is up above is the same as down below; your customs are being lived in other worlds; no one is unique in any imagined way; therefore, capitalism should have never been believed as being the only life system; for it has fallen even into murder, for keeping on reigning; I verily say unto you that it is enough one second or less of violation in any life system, and one does not enter the Kingdom of Heavens; this which seems excessively rigorous, is not; for you yourselves requested it to the Father, and it was conceded to you; you requested to trial the human life without violating the Father's law above everything; the

term above everything is what capitalism did not fulfill; for one cannot serve two masters; one cannot serve two philosophies, when one requested just one; one cannot serve the god gold and at the same time the One who created gold; for what was promised to the Creator of everything gets distorted.-

Yes, little son; so it is as you see it in the

cosmos; the ideas that come out of every mind do not come out separated; all of them are united by the solar cord; they are like microscopic worlds of all the imaginable colors; each thought that each one created in life, is a future form of life; for nothing remains to fate in the creation of the Father; the ideas are as living as the own spirit; and your spirit came out of an idea, for one cannot create without ideas; when a creature thinks, what he does is to fulfill a promise to the Father; for he promised Him before leaving his place of creation, to always think above everything with the highest morality that the mind can imagine; but the so-called capitalism distorted such promise made to the Father; for the entire world that was influenced by the morality of capitalism, does not enter the Kingdom of Heavens; for all the ideas that were thought, were distorted

in their own promises made to the Father; in the Kingdom of Heavens it is not only the spirit that promises; for no one is unique in oneself; only the Father is unique; and by being unique He gives an infinite life; when the spirit returns to his place of origin, all the ideas that he generated on the remote planet, are waiting for him there; for everything that the Father creates is eternal; not only what is seen but also what is not seen; you never saw the ideas in life; for you requested not to see them; that is why your life form is called life trials; you trial a present with forgetfulness of the past; but every trial has got its end; and that end has arrived to Earth; every Revelation sent by the Father puts an end to an epoch that was trialed, in order to initiate another; this world has had many epochs; and all have had an end; now is the end of capitalism; I verily say unto you that

the end of the so-called capitalism, initiates the beginning of the true spirituality in this world; the spirituality of capitalism served the master of gold; the world that follows capitalism, shall serve the real Master; the One who created everything; for the Universal Government is coming; the government that shall lead the world according to the Father's Scriptures; and not according to money; behold the Alpha and Omega of a world; behold the difference between the capitalist world that is leaving, and the world that gets initiated; the man of this world always thought of his triumphs; he never thought of the Creator of all the triumphs; for the Father of the Universal Scriptures is the One that triumphs; He triumphs with the greatest Revolution that came out of the spirit; the human triumphs were trialed by the Father; for they came out of a life that

requested to be trialed; they were relative triumphs to the requested time; for every spirit requested a time in order to know the human life; I verily say unto you that when capitalism falls, a life system which is not of the Father, falls; for they did not take the Father into account above everything in the laws that they created; money was more important to them; I verily say unto you that all those who got to know money shall not enter the Kingdom of Heavens; for no one requested to know something that could be a violation to the Father's mandates; money is not known in the Kingdom of Heavens; all the human spirits promised the Father to imitate at the most what they got to know and saw in the Father's Kingdom; for they saw the laws of the true happiness; behold the human struggle; a struggle whose cause is in the formation of the individuality; for

the individuality is the trial for every spirit;
the good or evil inclinations are born from
the individual's interior; and according to the
interior, the spirit behaves in the exterior;
capitalism improved the exterior and created
a materialistic world; and it neglected the
interior; and having neglected one part of
the everything, it created a false story of the
Earth; for its galactic future it created infi-
nite galaxies and universes, whose planetary
histories shall be false histories; for from the
most microscopic expression that came out
of a letter an entire infinity is born; which
shall never know an end; for what comes out
of the Father does not have an end; that is
why it was written: From the most humble
and the most microscopic, the colossal is
born; one has to be very little and humble,
in order to become a colossal planet in space;
behold the weeping and gnashing of teeth

of this humanity; for having the exploitative capitalism been an old system on Earth, it influenced in the human thinking; for all the followers of capitalism shall not enter the Kingdom of Heavens; I verily say unto you that it is enough that you have trialed a strange morality for just an instant in life, and you shall not enter the Kingdom of Heavens; it is called a strange morality in the Kingdom, the morality created by life systems, which did not consider the Father in its laws; for in the Kingdom all praise the Father for above every living marvel that are seen; behold the satan of this world; capitalism deluded you with money; it made you draw away from the Father's Scriptures; it drew you away from the Kingdom of Heavens once more; for all the spirits are born again; they have and shall have many existences; and by having lived other existences, you got to know

capitalism many times; I verily say unto you that the present capitalists of the world, are the same of the past; who requested to be born again, in order to overcome the weakness of possession for oneself; but they fell again; for they divided the world in rich and poor again; I verily say unto you that neither rich nor poor are known in the Kingdom of Heavens; for money does not exist; nor are there philosophies that divide others even in the most microscopic; capitalism as well as the so-called religions, are unknown in the Kingdom of Heavens; religions shall be accused of dividing the world in many beliefs in this final judgment; being there just one God only; no one requested the Father to divide anyone; for there is just one God only; all knew in the Kingdom of Heavens that only satan divides; for you saw how he had divided the Father's angels in philosophies;

and no one promised the Father to imitate satan; behold the weeping and gnashing of teeth of religious and capitalists; behold the rock and the beast; the prostitute who traded with my divine law to the best bidder; the one who made alliances with the Kings of the Earth; and with the rich of the world; knowing the prostitute that no so-called rich shall enter the Kingdom of Heavens; knowing that it is more likely for a camel to pass through a needle's eye, than for a rich to enter the Kingdom of Heavens; I verily say unto you religious of the world, that none of you shall enter the Kingdom of Heavens; for you invented the so-called religions so to trade with what is of God; your strange religions are not in the Father's Scriptures; the Father and the Son left a Gospel and divine Commandments to the world; but no religions; this strange form of material

adoration is a tragedy for this world; for all those who worshipped images in any temple, shall not enter the Kingdom of Heavens; your error and imperfection, dragged the so-called christian world, to remain out of the Kingdom of Heavens; I verily say unto you false prophets of my Word, that it is more likely for one who did not get to know religion to enter the Kingdom of Heavens, than for one who got to know it; the first one did not divide himself nor did he divide anyone; the latter one divided himself and he divided many; for he transmitted the inheritance.-

ALPHA AND OMEGA.-

ALL THOSE WHO PARTICIPATED IN BLOOD AND DESTRUCTION EVENTS, SHALL NOT ENTER THE KINGDOM OF HEAVENS; ALL PROMISED NOT TO KILL.-

Yes little son; every destructor who never wanted to recognize the Father, shall not enter the Kingdom of Heavens; in your flock Chile the so-called rich tried to sink my humble; these demons who only serve gold, know nothing about philosophies; all the philosophies were requested by all the spirits to be trialed in life; the own capitalism requested to be trialed; but this philosophy was not nor is of Father Jehovah's pleasure; I verily say unto you that capitalism is the trial of millions of spirits, who requested to overcome

the demoniac influence of having more than another; capitalism got to the extreme of relegating what is of the Father to a second level; for it did not take his Scriptures into account; if it had taken them into account, the world in which you are, would be a Paradise; exploitation would be unknown to you; there would neither be rich nor poor; I know little son that you are thinking about those who killed the leader of your flock; So it is divine Father by your divine grace; why did they do it divine Father Jehovah? They did it because they were tempted by wealth; I verily say unto you little son that he who pretends to defend the right of others, does not kill; he must not violate the Father's law; for he does not enter the Kingdom of Heavens; it would be much better for them not to defend anybody; I know little son that these demons falsified everything; but, everything shall be

known; from the right instant in which the brethren Salvador became a president, according to what is written in the Kingdom of Heavens, the demons who did not care anything about justice on others, started to conspire against him in order to make him fall; I know little son that you knew it; for you read the minds of others; satan took refuge in darkness; it is the end of a dynasty called militarism; scourge of humanity; a demoniac philosophy; for no one who was military in this world shall enter the Kingdom of Heavens; no one requested in the Kingdom to intimidate others; behold the fall of the demon of force; behold the fall of one of the trees, which the divine Father Jehovah did not plant; and it shall be pulled out from the human evolution; the demons in uniform of your flock, mark the end of their own reign; behold the fall of a strange

morality, which was not requested in the Kingdom of Heavens; behold the fall of those who promised the Father not to let themselves be influenced by no degree of force; behold their trials in life; for every spirit is trialed in all his determinations; I verily say unto you that the living Word of the Father shall terrorize every demon who made of force his own philosophy; just as the pharaonic forces got terrorized in the past; behold a Revelation that shall be repeated again; I verily say unto you that the spirits who wore uniforms that represent the force are the same ones of the pharaonic past; for every spirit is born again; he requests the Father again for new existences; he who is not born again, does not improve himself in an infinite degree; for the knowledge that the Creator offers his children is not reduced into just one existence; what is of the Father has no

limit; it is just enough to request Him and He gives; were you not taught that the Father is infinite? Infinite means that He is almighty; he who doubts that he had other existences, is doubting the power of his own Creator; Who gives his creatures as many opportunities as they request; he who denied his existences, these shall deny him in the Kingdom of Heavens; for what is up above is the same as down below; the facts that took place on the planet, are revived up above; for the Father is almighty; so it is that every intrigue as the one that happened in your nation, is lived again up above; life is created by the Father as many times as it is necessary; I verily say unto you that every guilty one's mind shall be read; behold the cause of the weeping and gnashing of teeth; for nothing shall remain hidden anymore; for every occultism is not of the Father; and it shall be

uprooted from this world; I verily say unto you that the occult murders, shall be proclaimed by the own murderers; and every theft by the own thieves; I verily say unto you that what happened in Chile, makes Father Jehovah initiate the justice already written many centuries ago; this nation was the elected one by the Father; but the philosophy of my humble was crushed with innocent blood; an innocent who promised to give justice to the humble above everything was murdered; his weakness was to have trusted the demon; he respected their laws up to the last instant; this innocent forgot that one cannot serve two masters; one cannot serve the people and at the same time the privileged of always; every privileged one has no people; he is disinherited; the concept People in the Kingdom of Heavens is Justice; only the people that took the Father's

Scriptures into account, shall enter the Kingdom of Heavens; every nation that got to know a congress of capitalism, shall not enter the Kingdom of Heavens; for every generation was warned: It is more likely for a camel to pass through a needle's eye than for a rich to enter the Kingdom of Heavens; the rich are created by capitalism; this beast that caused poverty, knowing that none of them would enter the Kingdom of Heavens, dragged the rest of humanity along with it; that is why it was written: May the left be aware of what the right does; for the right's gold corrupts; the so-called capitalism is not in the Father Scriptures; and what is not with the Father, perishes; Just as all those who lived only for gold shall perish; behold the tragedy of this world, for following the creators of a life system, opposite to the Father's mandates; the murder that took place in

Chile, is a demonstration of how far the demon of privilege can get; Father Jehovah has nothing of the workers of this nation and of the world; those who conspired and those who followed him, damned are they; for innocent blood falls on them; I verily say unto you that no conspirator shall enter the Kingdom of Heavens; in the Kingdom the conspirators are not known; woe betide those who talk to every damned one!! damnation falls on them too, through the voice; so is the Thinking Expansive Universe of Father Jehovah; everything is living; everything reverberates in the everything; for matter and spirit participate in the planetary judgments of the Father; were you not taught that God is everywhere? The term: Everywhere means what you know and what you do not know; what is visible and invisible; therefore His divine justice sprouts everywhere; you

cannot be everywhere; the Father certainly can; you are only in one present; the Father is in infinite presents; I verily say unto you that he who did not make an effort to understand the infinity of the Father, expect nothing out of the Earth; being the universe living, the universe claims when it has been denied; every word, every action, every gesture, every intention, every idea repeats again out of the human life; that is why it was taught to you: What is up above is the same as down below; after the transformation that you call death, one continues living; and everything that you did in life talks to you yourselves; matter and spirit talk to each other; for both have the same rights to do it; all are equal before God; matter and spirit in their respective laws; this equality is called the divine celestial communism in the Kingdom of Heavens; and its philosophy is the

joy of a child; behold a Revelation that shall shudder and scare every privileged rich of this world; for it is more likely for one who was a communist to enter the Kingdom of Heavens, than for one who was not; one who at least tried to imitate though in an imperfect way, than for one who did not imitate what is of Heavens, at all; behold why satan has always persecuted every form of community; division has been his reign; only satan divides himself; the privileged one becomes selfish with what he has; and he does not hesitate in dividing others, as long as he does not lose his privileges; even more, he is capable of committing a crime, falsehood, and slander or libel; just as it happened in Chile and many other flocks; the privileged are a product of capitalism; easiness and the excessive comfort tempt them; every rich is a tempted one; the tempters of the world;

among all the philosophies that men have given themselves in life in order to govern themselves, the most persecuted in this world remains; the most despised; the most defamed; what has cost the most persecution and blood; what is closest to the Father's mandate; The Terrestrial Communism remains!! The law of all the worlds is fulfilled: What is up above is the same as down below; up above Celestial Communism, and down below Planetary Communism; I verily say unto you that it is more likely for those worlds that imitated even in a microscopic way what is of heaven to enter the Kingdom of Heavens, than for those that did not imitate; the Father awards the most microscopic; as well as the colossal; when one does good; and He also punishes the most microscopic and colossal when one does evil; for being God everywhere, He is also in the

microscopic and the colossal; what happened in your flock has happened in many others; the demons of ambition are in all the nations; the time they requested is over; every time in this world requested its time; the so-called capitalism comes to its end; its reign was of division and force; only satan turned into a life system, divides; and he ends up dividing himself; capitalism fell into his philosophy; for it should have never served two masters; it served gold and it served the Father; only those who served the Father unconditionally, shall enter the Kingdom of Heavens; because of the creators of capitalism, no human creature has entered the Kingdom of Heavens; for all the generations were influenced by ambition; their spirits were divided; and no divided spirit shall enter the Kingdom of Heavens; it is more likely for one who was a communist to enter the Kingdom of

Heavens, than for one who was a capitalist; the first one searched for equality; the second one perpetuated inequality; the first one got close though imperfectly, to the equality reigning in the Kingdom of Heavens; the capitalist drew himself away from the Kingdom of Heavens; even though he was warned through centuries, in the Father's Scriptures; I verily say unto you that all the capitalists of the world must add up all the seconds gone by in their existences; each second lived in capitalism corresponds to living an existence out of the Kingdom of Heavens; the more capitalist one was in life, the further away from the Kingdom of Heavens the spirit is; for not having been sincere according to the Scriptures; for serving two masters in his free will; I verily say unto you that each vice constitutes one master; a living entity in the Macrocosm; capitalism served many masters;

for it was and is a philosophy of people given to vice; being the ungratefulness to the Creator's Commandments the first of its vices; therefore the morality of a capitalist is not a morality of the Father's Scriptures; and it constitutes itself in a strange morality; behold the fall of capitalism in this world; it falls before the Father and before men, for immoral; behold how what for centuries was called Satan ends; not guiding oneself by the Father's Commandments, constitutes satan's reign; a reign of illusion; for no one who lived or knew capitalism, shall enter the Kingdom of Heavens; the eternal happiness comes out of the own mandates of the Father; it does not come out of any human conception; the so-called capitalism is of a human conception; it is not a tree planted by the Father; and it shall be uprooted from any human conception; certainly the end of the system

of things, which came out of men, has arrived; what shall happen in my flock divine Father Jehovah? I shall tell you little son; for you have been born in order to reveal the first things; the universal laws; in your country, those who murdered and isolated the people shall weep; for thus these demons thirsty of power, requested it in the Kingdom of Heavens; the reign that they usurped by using betrayal shall last them very little; I shall tell you son that these false patriots, are nothing without arms; it is more likely for those who were betrayed to enter the Kingdom of Heavens, than for the traitors to enter; the Universal Unity shall be formed; for what is of the Father is Universal; behold Father Jehovah amidst his enemies, makes the beginning of the new world be born; the world Omega; this glory was destined for the People of Israel; the older son; the oldest nation of this

dwelling; but, it has been taken away from them for giving an immoral example to the new nations; to the minor ones; Israel continues using the force and trade; which is not of Father Jehovah's pleasure; behold a Revelation that shall shudder the world; for Israel shall disappear as a nation; I verily say unto you that the Father gives and takes away; in the spiritual and material; the Universal Communism shall be born from your flock Chile; whose symbol shall be the Lamb of God; behold the dread and weeping and gnashing of teeth of those who persecuted the ideas without deepening into them; when the demons come to murder and betrayal, to kill ideas, certainly they become the most dangerous; for he who kills by sword, dies by sword; he who uses the force, falls by force; the events that are coming, shall prove it; I know little son that these false prophets

know nothing, about the future events; and if they knew it, they would not believe it; so much the worse for them; the weeping and gnashing of teeth shall be more painful for them; the Revelation shall be called the Doctrine of the Lamb of God; or Celestial Science; it shall be translated to all the languages of the Earth; for all requested to know their final judgment; I know little son that many doubted; they forgot that only the Father chooses his missionaries; and he always chooses the humble; for the humble are first; behold the error based on the greatest ignorance of those who requested in the Kingdom of Heavens, to be the first to know the Scrolls of the Lamb of God; they judged you little son without first-hand knowledge; and they fell before their trials; he who denies the Father's emissary, denies the One who sent him; he denies the Father; and he who denies

the Father denies his own entrance to the Kingdom of Heavens; behold the weeping and gnashing of teeth of those who seeing, did not believe; behold the influence which fell on them, when they got to know capitalism as a life system; the strange morality made them doubt a humble; they did not search for the truth; when my Scriptures teach that: He who searches shall find; he who investigates shall find; he who does not search, when will he find? It is more likely for those who searched for the truth to enter the Kingdom of Heavens, than for those who never searched; the most minimal effort done in life, is awarded by the Father; I verily say unto you Chileans and children of the world, that all the underdeveloped nations shall form one sole power; the greatest power that has ever been known; and shall be known on this planet; for it is written that all the

humble and despised, are the first before God; the earthly term: Underdeveloped is an immorality before the divine equality of the Father; the ambitious and exploitative capitalism created the scourge called underdevelopment; underdevelopment is not known in the Kingdom of Heavens; for equality exists there; the same one taught by the Father; he who did not live equality on the remote planets, does not enter the Kingdom of Heavens; behold the Revelation that came out of the Kingdom; for the Revelation comes out of the same place where you were created; he who never imagined that he was created somewhere in the universe, shall never arrive to his place of origin; for all of you promised in the oblivion of the past that you requested, to make the effort of imagining it; the most microscopic imagination is awarded in the Kingdom of Heavens; behold

why was it written: Faith moves mountains; there are mountains up above and down below; for what is up above is the same as down below; he who does not believe in the existence of other planetary dwellings; for with his skepticism and lack of faith, he draws them away; I verily say unto you that he who denied, denied for himself the marvels that exist out of the Earth; faith is living as your spirit is; all of you promised the Father to cultivate faith; in all your life trials; without faith in the Kingdom, no one enters the Kingdom; for in order to believe in a Creator you need faith; faith constitutes one of the 318 virtues of your thinking; I verily say unto you that without faith, you would not be in the human life; nor would you carry on any project without faith's participation; there are infinite kinds of faith; the supreme faith is the faith in the Father; for all the

faiths of all the imaginations have come out of Him; every living faith recognizes the Father; to deny the faith is to ask to be denied in the Kingdom of Heavens; I verily say unto you that all those who worshipped images, amulets, and all form of material belief, shall not enter the Kingdom of Heavens; for they divided their faith by believing in other masters; it was written: Thou shalt not worship any image nor any temple, nor any resemblance; behold the spiritual preference; he who stopped preferring the Father even if it had been for just a sigh, shall not enter the Kingdom of Heavens; for you promised to worship Him above everything; above every microscopic thing that you can imagine; thus you requested it yourselves; I verily say unto you that you requested something difficult to fulfill in this life; and being difficult it was given to you anyway; difficult to your

capacities; and even more difficult to fulfill it, in the strange morality that you were to live; the strange morality that the life system of capitalism gave to you, made it difficult for you to keep innocence; for the psychology that you were taught, was a hypocritical psychology, false, self-interested, and violator of the law of the Father; I verily say unto you that if you would not have known capitalism, all of you would have entered the Kingdom of Heavens; for Father Jehovah would have nothing against you; your life system was not inspired in the Scriptures; you did not fulfill the promise that you made in the Kingdom of Heavens; that everything that you did, would be first what is of the Father above everything; above everything; above all your tendencies; I verily say unto you that every unfulfilled promise is enough for not entering the Kingdom of Heavens; behold your

demon; there is no other one; for all the other minor demons have come out of the major capitalist demon; all the violations and immoralities that you are living and witnessing; I verily say unto you that the Father always triumphs over any form of demon; your life system based on gold does not lead one to the Father's Kingdom; for it did not consider it; no world congress study it above everything; above every human laws; behold the fall of this world; a world created in a life system, according to men and not according to the Father's law; the life system that the worshippers of gold gave to you, shall provoke in you the weeping and gnashing of teeth; you remained disinherited to enter the Kingdom of Heavens; behold your tragedy; you will have to start again; you shall request new opportunities of trialing new lives; just as it has happened infinite times; for every

spirit is born again; it requests new forms of life; it requests to reincarnate again; for what the Father can offer his children, is not limited to just one existence; for what is of the Father has no limits at all; those who believed in just one existence, limited their own Creator; they shall not have more existences; those who believed in them shall have them forever and ever; just as you thought you shall receive; for the Father has an addition for everyone; behold you shall curse the material adoration which came out of self-interested men; the so-called catholic church was trialed as all the spirits are trialed; I verily say unto you that the so-called religions do not appear in the Father's Scriptures; for the Father does not divide his children even in the most microscopic; the one who does it is the demon; only satan divides and he divides himself; I verily say unto you that

religions are unknown in the Kingdom of Heavens; as all the philosophies of all the worlds that have divided their creatures, are unknown; behold the cause of judgment for the rock of this world; when your Father Jehovah said by means of his Solar Son Christ: Upon this rock I shall build my Church, I meant: Upon this rock of selfish beings I shall build my Church; I shall trial them knowing that they will fail Me; for they shall divide the faith of the world in many beliefs; being there one God only; behold the intention that Father Jehovah had when He mentioned such divine parable: rock does not mean the eternity of the church, as many believe; for there is no rock that does not turn into dust; in the Kingdom of Heavens rock means spiritual selfishness; intellectual hardness; selfishness to understand others; my emissary hit against that rock; for no one

who requested to be the first, believed him; behold the surprise written for many centuries; And the truth shall arrive with a surprise; as the surprise that a burglar causes; behold the first ones to be the last in being able to enter the Kingdom of Heavens; for by denying the Father's own Emissary, they denied themselves; for no one who denied shall enter the Kingdom of Heavens; the rock also denied; and by negating, she dragged the so-called christian world along with her; because of the religions, no christian shall enter the Kingdom of Heavens; for they were influenced by a strange morality; behold the end of the rock and its followers; the so-called religions shall pass to the dust of oblivion; for every tree that the Father did not plant, shall be uprooted; every psychology is trialed by the Father; for everything that came out of the mind requested to be trialed;

the religions were one of the forms that men gave themselves in order to interpret the Father's Scriptures; and in that form that they gave themselves, they fell; for they were neither honest nor sincere above everything; they did not rigorously fulfill the content of the Scriptures; they molded them according to their self-interests; I verily say unto you that no self-interested one shall enter the Kingdom of Heavens; my Scriptures were distorted; for they were traded; the faith of millions of children were exploited; the morality of the Father was immoralized; that commerce of the faith is not known in the Kingdom of Heavens; nor any kind of commerce; only the absolute equality exists; the church that deceived the world comes to its end; for every trial has got its end; the rock of the human selfishness shall fall, as the materialistic world shall fall; a world that

built the hopes of the spirits up, to the degree of not letting them enter the Kingdom of Heavens; behold the work of the science of good; the science of comfort; the science of what is easy; which distorts itself before the Father's mandate; for it is more likely for one who made his living with sweat to enter the Kingdom of Heavens, than for one who made his living with no sweat on the face; the more difficulties a life had, the greater is its glory in the Kingdom of Heavens; the science of good draws the creatures away from the own spiritual merit; and it draws them away and deludes them to the point of forgetting what is of the Father; a rich forgets the Scriptures; he cannot serve two masters at the same time; there is no deluded one than a rich; for none of them shall enter the Kingdom of Heavens; nor a more backward spirit; they reduce infinity to an ephemeral present;

behold the tragedy-philosophy; for the poor shall praise themselves for not having been rich; before the universal equality of the Father, first is the needy; the last one is the one who had everything; for no one was mandated to have more than another; you were taught that all are equal before God; equal in right; equal in every participation; I verily say unto you that all those who had more than others, shall not enter the Kingdom of Heavens; for they did not abide the Father's Scriptures; the reason why this humanity shall not enter the Kingdom of Heavens is because of the scandalous and immoral beings who gave you the life system; for there is no greater scandal and immorality than not fulfilling what was promised to the Father; the Father obliges no one; it is the creature who with his violation to the law, makes the Father's justice fall on him; no one

was created evil; the covenants that are formed in the Kingdom of Heavens, give the free will to everyone; behold why by having you violated the Father's law, you keep the free will; I verily say unto you that in your world the free will is inseparable from your acts, when your spirit arrives to the place where it was created, the free will gets separated from the spirit; for there are differences in both creations; the free will accuses the spirit when this has violated the law, which he should have fulfilled on the remote planet; every return to the place of origin gives place to a justice; for one goes to the planets in order to fulfill living mandates; the entire universe returns to its place of origin; for no one is disinherited; all have a place of birth; matter and spirit; known and unknown; I verily say unto you that when you get to the place of origin, you meet all the ideas that

you created in the terrestrial existence; they have arrived first than you to the place of origin; for every very little and microscopic, is first in the Kingdom of Heavens; the most microscopic that you have are your ideas; they are so invisible that you only feel them but do not see them; every idea that your mind generated is a creature like you; I verily say unto you that every evil idea such as killing in order to govern, is a seed of a future hell-world; for every evil idea become darkness; darkness as the light forms universes, galaxies and every galactic system; evil is as expansive as light is; the colossal planets are born from the invisible ideas; for one has to be very little and humble in order to become great in the Kingdom of Heavens; the generated idea contains the philosophy that the creatures of the future planet will think; behold the cause of the divine parable: He

made them from mud; for there is no matter that has not been an idea; behold a cause that shall never stop from being a cause; for from the cause that it exists, it does not have either a beginning or an end; the ideas generate new causes at every instant; at every known and unknown instant, microscopic planets are being created; which carry in themselves the expansive force of their own free will; innocence in search of its geometry; if you human creatures, have never seen and much the less have talked with your ideas, it is because you yourselves requested it so; were you not taught that every spirit is trialed in life? Your life with all its characteristics, you yourselves requested it so; for everything is requested in the Kingdom of Heavens; every request before the Father, turns into life; that is why it is said that the Father is life; any kind of life that any mind can imagine; nothing is

impossible for the Creator of the universe; the forgetfulness of the past constitutes the supreme trial in your eternity; your life is one of the infinite ones that are in the universe; for the Father's creation has neither a beginning nor an end; you requested forgetfulness in order to gain in philosophy and understanding towards the Father; each individuality constitutes a living promise; whose laws and covenants are written in the Solar Books of the eternal life; each one requested to understand the Father in the trials of life, according to the difficulty and the opposite in his own way of being; and the greater was the difficulty requested by you, the greater is the award in the Kingdom of Heavens; in your requests of life, you did not request to have more than others; for that constitutes an injustice before the Father; you were taught in the Kingdom and on Earth that all

are equal in rights before God; What did you do to please the Father, above everything? I verily say unto you that such question shall shudder you; for you have not lived equality, but inequality; and in this inequality my humble have undergone the worst part; you have had pain and hunger for them; knowing that every humble and despised is first in the Kingdom of Heavens!! With first-hand knowledge, you despised them; he who despises a preference that came out of the Father, he despises the Father; among all those who requested the trials of life, the easy-minded and the rich are the ones who are more distanced from the Kingdom of Heavens; for they are the ones who violated the law of equality of the Father the most; no rich is known in the Kingdom of Heavens; for having more than another there, constitutes arrogance; disharmony; darkness;

behold every so-called rich shall be despised; for because of them, millions of children shall not enter the Kingdom of Heavens; for no one who imitated them in wealth, shall enter the Kingdom; it is more likely for a camel to pass through a needle's eye than for a rich to enter the Kingdom of Heavens; the maximum expression of the violation of the Father's law in this world, is constituted by wealth; as a supreme goal of the spirit; for the rich are the greatest deluders; such philosophy is the most mundane; for it is only useful while one is still on the planets, and they never enter the Kingdom of Heavens; the rich, as long as they are so, shall never see the Father's glory; behold the philosophy of illusion; you are in the world of illusion; an self-interested illusion; for there are many kinds of illusion; and the saddest is the one that serves two masters; one cannot serve

two masters; for the spirit gets divided in its intention; and no divided spirit enters the Kingdom of Heavens; that is why it was taught to you: Only satan divides and he divides himself; for when the spirit arrives before the Father, shall find opposite ideas that came out of its own self; ideas which not being of the light, shall accuse the spirit of having created them; for every child claims for a father; when you generate ideas, you become the father of your own creations; just as your Father is; what is up above is the same as down below; you have got the Father's inheritance; the universe is an infinite succession of parents; all of them subordinated to an only One; this divine truth was misinterpreted by certain living hierarchies; they created the term gods; imitators of the only living God; every imitator gets embarrassed before the Father; for the Father

has no equal; from all those who spoke about gods, no one has entered the Kingdom of Heavens; for it was taught to you that there is only one God; the word gods that was spoken in a given instant on Earth, puts the spirit in a difficult situation when he finds himself before his Creator; moving and dramatic scenes are seen in that supreme instant; to be in front of Father Jehovah is to be before the place where one came out of; and being in the place where one was created, the whole spirit burst in tears; what is lived and seen there is infinitely opposite to all that was taught on Earth; for what happened on Earth drew one away from the Father's Scriptures and mandates; at that instant, the spirit horrified understands that he cannot enter the Kingdom of Heavens; and he curses the deluders of the remote planet Earth; he curses the strange customs that were imposed

on him; he curses his habits and his own customs; he curses his parents, who never investigated the Scriptures, above everything; he sees there the false history of the Earth; a history that was not honest and sincere with itself; a history made up to the convenience of the greatest deluders; real demons of the material interest; I verily say unto you that no one who wrote a false history has entered the Kingdom of Heavens; nor anyone who taught the false history; everything that was done by men in this world, everything is false; and since all was false, no one shall enter the Kingdom of Heavens; it is more likely for a world that did not request the Father's Scriptures to enter the Kingdom of Heavens, than for a world that requested them and did not fulfill them; behold the destiny that the materialistic spirits led you to; those who served two masters;

they served gold and they said that they were serving the living God at the same time; I verily say unto you that you shall be judged in public; for the Father's final judgments are universally public; nothing is occult in the Father; only the earthly judgment does occult things; but, no magistrate of strange justice, shall enter the Kingdom of Heavens; nor any of those who represented such justice with them; it is more likely for one who was not a judge to enter the Kingdom of Heavens, than for one who was; I verily say unto you that the occult justice has its days numbered; the justice that is approaching, is the justice to the justice; it is the final judgment; it is the beginning of the weeping and gnashing of teeth; for because of that you were led by certain ambitious beings; who believed of themselves as being unique in their calculations to gold; the term unique is when one

leaves aside the Father's Scriptures; when this happens, the final judgment is unavoidable; it always happens the same; there have been, there are, and there will be worlds that violate the world; I verily say unto you that in the final judgments to the worlds, one starts from the most powerful; from the most mundane; from the blindest; from those who were notorious in casting their first stone; from those who made themselves public, without asking to themselves if being overly notorious in the world was moral or immoral; for I verily say unto you that it is more likely for those who the world never got to know to enter the Kingdom of Heavens, than for those who were famous and known; the true humility does not need fame at all; all the contrary, it is an obstacle to enter the Kingdom of Heavens; no famous one who came out of this world or others, have been able

to enter the Kingdom of Heavens; for the fame was not because of the praising to the Father; it was for a temporary illusion; behold the weeping and gnashing of teeth of those who you admired in life; you shall only feel sorry for them; and for all of those who you disregarded, you shall feel envy; for in a life system which is a synonym of violation of the Father's law, the most despised are the first to see His glory; the more a creature deified or exalted himself in a life which was of trials, the further away is he from the Kingdom of Heavens; there is violation by evolution and violation to the Father's mandates; violation by evolution is when being more intellectual, one commits errors that the least evolved could commit them; behold a law of other existences, for in other existences, one promised to do much better what was done wrong; for every spirit is born

again; everything is done being little; for one has to be very little and humble in order to become great in the Kingdom of Heavens; the least evolved is the most little; but, since in the Father's flock there is everything, it so happens that the most ignorant is by his galactic past, the greatest wise man on the planet; all his knowledge remained in a temporary forgetfulness; while he trialed a life called human; which represents only an instant in the antiquity and eternity of the spirit; the antiquity is the experience in the facts lived in other existences; and eternity is the set of such existences; and it constitutes the celestial hierarchy; the number of hierarchies is infinite; the thinking creatures shall never be able to count them; only the Father knows it; as He knows the name of every sun and every planet; of those that existed, exist, and shall exist; as He also

knows the history and the number of each little molehill of all the deserts of all the worlds; of those that were, are, and shall be; for what is of the Father has neither a beginning nor an end; whether it is His work or His divine knowledge; I verily say unto you that a new science is coming to the world; the Omega Science; the Science that came out of the spirit of a Solar Son; who you shall see shining like a sun; an unforgettable face; the shining face of a First-born Son; the presence of the new science in this world, shall be the terror of those who trade everything; of the demons of this world; and he shall be the living marvel of the meek at heart; behold how those who mocked shall tremble; behold the weeping and gnashing of teeth of the world of illusion; behold the divine presence of what they never believed in; behold satan uncovered; behold the surprise of a world

which only believed in the power of gold; behold the fall of capitalism; behold the fall of satan's legion in this world; behold the death of the great beast; behold the demon was in yourselves; behold the fall of the great prostitute; the fall of all the commercial religions; the ones that sold themselves to the most powerful, without caring who this was; behold the fall of the Alpha or materialistic world; the fall of a world that was the product of selfish calculations; a world that came out of the exploitation and misery of many; a world that was the product of many anti-Christ; for they made the laws without taking the Scriptures of the Father into consideration; an unknown world in the Kingdom of Heavens; for no one exploits or deceives in the Kingdom; behold the happiness of the children of work; for it is the only philosophy that remains in this world; there

should have never ever existed others; this world should have never been divided; for they never made the Father's Scriptures the supreme goal of their existences; all of you promised to serve one sole master; the Scriptures of the living God; but, you fell before the deluders of satan; I verily say unto you that none of those who lived or imitated strange doctrines to the Father's Scriptures, shall enter the Kingdom of Heavens; every promise made to the Father is judged in the Kingdom of Heavens; not even the most microscopic violation to the promises made to the Father, remains without its divine justice; only repentance moves the virtues of the Kingdom of Heavens; I verily say unto you that in every weeping and gnashing of teeth, repentance is born; and the living Doctrine of the Father, acts as Comforter of millions and millions of creatures; the world you

are in comes to its end; for every earthly time requested the end of the times; a new time is initiated; the final judgment is the transformation of an immoral world for a moral one; it is the fall of a world and its corrupted customs; for another one that should have always existed; behold the end of the beginning; for your materialistic world is nothing more than a microscopic part of time, which is still left for the Earth; I verily say unto you that no one knows you in the Kingdom of Heavens; only the Father, the Solar Mother Omega and certain solar parents who were apostles or prophets on the Earth; this unawareness of you in the Kingdom, was written in other divine terms: From dust you are and to dust you shall return; which means: From the microscopic you are and to the microscopic you return; one is born, and is born again in worlds of the microcosm; the

universe of Father Jehovah is so immense that not all the worlds in their development get to know each other; there are worlds and still are, which no one shall get to know them, aside from their creatures; there are others that know each other; and not because of that they stop being the great unknown ones in space; only the Father is the great known One; and he who ignores the Father, is also ignored out of the world in which he lived; the justice of the Father is in any place of the imagined universe; it is instantaneous and infinite; it shortens the distance between up above and down below; I verily say unto you that all the injustices created by this strange world, shall be judged; every world becomes strange, when it does not fulfill the law that it promised to fulfill; only the worlds that fulfill the law of God are called worlds of God; the opposite is a world of darkness;

and your world having received the visit of the Trinity, continues being a world of darkness, for you do not get yet to the life system of equality; you still keep the struggle against the ambitious; just as it happened thousands of years ago; certainly every demon who due to his ambitions delays the development of a world, pays for it at any instant; it is what is about to happen in your world; the greatest surprise is coming to every blind of the Father's Scriptures; the surprise that a burglar produces; I verily say unto you that with the arrival of the Scrolls of the Lamb of God to the world, the greatest Revolution of the human spirit is initiated in this world; all the others disappear before such greatness; for all of you with no exception have got a spirit; and no one can stop feeling it; no one can boast of being impartial; for no impartial of this world shall enter the Kingdom of

Heavens; there were many in this world that made others call them impartial; but, before temptation and the drive for power, they stopped being impartial; it is more likely for one who struggled against the exploitative power to enter the Kingdom of Heavens, than for one who was indifferent by making others call him impartial; the perfect impartiality is not of this world; for you are in a world of struggles; all of you promised the Father to struggle against the demon, above everything; everything that does not consider the Father is demoniac above everything; every individual or collective activity; I know little son that you are thinking about what happened in your flock Chile; all those who conspired are damned; for they have taken my humble away from what they had already conquered; if only one of the conspirators were poor and humble, he would be saved

from damnation; but, none of them is poor and much the less humble; if all of you are rich and easy-attitude minded, who then do you have your hands stained with blood for? If you do not defend what is of the Father? I verily say unto you demons of falseness and foreign servitude, that you shall have to respond before the people of all your crimes; silent murders and your treason on people who had faith in themselves; but, you demons of the force, you crushed by violating the law of God; if you are damned before the Father, what morality could you teach the people? I verily say unto you traitors of your own laws, that the people you subjugated by stabbing them from their backs, shall judge you; thus you requested it in the Kingdom of Heavens; every demon ends up in tragedy when the Revelation of the Father arrives to the worlds; I verily say unto you that you shall curse

having known the immorality called militarism; behold the future that is awaiting those who trialed the philosophy of the force; it was written: He who kills by sword dies by sword; he who uses the force instead of reasoning, is dead; for you shall envy every dead; I verily say unto you that all those who are called military was a perpetuator of distrust in this world; no one requested the Father to wear uniforms that represented the opposite to His Scriptures' teachings; either one is with the Father or one is with the demon; one cannot serve two masters; for one of them is false; he who served two masters in life, is a false prophet of the living God; and they are accused of being hypocritical in the Kingdom of Heavens; behold the beginning of the weeping and gnashing of teeth of those who served the demon of force; behold the fall of one of the trees that Father Jehovah

did not plant; the so-called armed forces shall be uprooted from the human evolution; these spirits were trialed in their own weakness; they promised the Father not to let themselves be influenced by handsome uniforms; for it is more likely for those who dressed simply to enter the Kingdom of Heavens, than for those who dressed ostentatiously; and it is more likely for those who never obtained any decoration or medal to enter the Father's Kingdom, than for those who obtained them; for such awards were attained in a strange life system; I verily say unto you that everything you did believing that it had merit, stop being so, from the precise instant in which you start enjoying a scandalous life system; the demons of gold distorted you; for the real merit is not weighed in gold; it is calculated by celestial points; no rich enters the Kingdom of Heavens; nor any merit that

carried the intention of getting rich; behold the fall of the world of hypocrisy; no hypocritical being shall enter the Kingdom of Heavens; the capitalist world is the creator of every hypocrisy; from the right instant in which it advocated in becoming a life system; knowing that some had more and others less; it would have been better for the capitalist not to have been born in this world; for they shall be ashamed; they should have never done occult things; for nothing shall remain occult; the judgment for these subjugators of worlds, shall be public; never ever should have one occulted from another; for they are accused in the Kingdom of Heavens of intellectual selfishness; behold the weeping and gnashing of teeth of those who implanted a life system, without considering the Father's Scriptures; behold the disinherited; for no capitalist shall inherit anything from this

world; for every inheritance belongs to everyone; inheritance is universal; those who defended the ones who taught the interest towards gold, shall not enter the Kingdom of Heavens; for they defended satan; it is more likely for those who defended the needy to enter the Kingdom of Heavens, than for those who defended the ones who had more; all of you promised the Father to improve justice; giving preference to the defenseless and the humble; only the revolutionaries have fulfilled with Father; for they overcame comfort; comfort that nobody should have ever had; for its enjoyment is not the same for everyone; the comfort of this world shall turn into weeping and gnashing of teeth; for no easy-attitude one shall be awarded; the easy-attitude ones by violating the law of Equality to others, enjoyed their awards in advance; but, such rewards are not the

eternity of the flesh; they are ephemeral rewards; I verily say unto you that the rewards of these mundane spirits have no comparison with the celestial rewards; what is terrestrial lasts for just an instant; a human life; what is celestial does not perish; behold the infinite difference between the terrestrial and the Celestial; the resurrection of the flesh shall be for every humble and every despised; for it was written that every humble is first in everything imagined; it is equivalent to saying: First before the Father; therefore, they are first in the physical eternity; they shall turn into children again; for nothing is impossible to the Creator of your lives; those who did not believe that they could be resurrected into new flesh, shall not be; not believing in it is enough to make it so; he who believed with his faith, attained it; behold the weeping and gnashing of teeth of every

skeptical being; of every backward spirit; for there is no spirit so backward than those who deny the own Father who created them; it is more likely for those who never doubted about the infinite power of their Creator to enter the Kingdom of Heavens, than for those who doubted; I verily say unto you that every doubt is judged in the Father's Kingdom; all of you who doubted in this life, promised the Father not to do it again; for you fell into the same thing in other lives; you renounced your own Creator; that is why you have not entered the Kingdom of Heavens for many eternities; the same shall happen to you once more; just as all those who were military; they fell into the law of force again; opposite to the law of Love of the Kingdom of Heavens.-

ALPHA AND OMEGA.-

**BETWEEN THE DIVINE REVELATION AND THE
REVOLUTIONS OF THE WORLD, EXISTS A COMMON
LAW; REVELATION MEANS REVOLUTION IN THE
KINGDOM OF HEAVENS; FOR WHAT IS UP ABOVE IS
THE SAME AS DOWN BELOW; THE REVELATION OR
DIVINE TELEPATHIC SCRIPTURE, SHALL UNIFY THE
WORLD OF FAITH, THE THIRD WORLD; A WORLD
OF THE TRINITY, IN THE OWN SPIRITUALITY; THE
DIVINE PARABLE THAT WAS GIVEN TO THE WORLD,
MANY CENTURIES AGO, WHICH SAYS: EVERY
HUMBLE IS FIRST BEFORE GOD, MEANS THAT
ALL THE NATIONS CALLED UNDERDEVELOPED,
EMERGED FROM THE STRANGE AND UNKNOWN
LIFE SYSTEM, WHICH CAME OUT OF THE LAWS OF
GOLD, SHALL BE UNIFIED BY FORMING ONE SOLE
POWER; ONE HUNDRED AND EIGHT COUNTRIES
INITIATE THE MOST FORMIDABLE POWER THAT
HAS BEEN KNOWN IN THIS WORLD; NEITHER**

BEFORE, NOR NOW, NOR IN THE FUTURE, SHALL BE SEEN SOMETHING ALIKE; EVERY RICH NATION THAT CAME OUT OF THE STRANGE LIFE SYSTEM OF GOLD, SHALL REMAIN IN THE GREATEST POVERTY; THE DIVINE CREATOR GIVES AND TAKES AWAY IN EVERYTHING IMAGINABLE; THOSE WHO HAD MORE IN THE TRIALS OF LIFE ARE JUDGED BY THEIR OWN AND STRANGE BEHAVIOR; WITH THE ROD THAT THEY MEASURED OTHERS, SHALL THEY BE MEASURED; THEY MADE OTHERS FEEL POVERTY FOR CENTURIES, NOW THEY SHALL LIVE POVERTY IN THEIR OWN FLESH; FOR THEY DID NOT IMITATE THE DIVINE EQUALITY TAUGHT BY THE FATHER IN HIS DIVINE GOSPEL; WITH THE SO-CALLED RICH NATIONS, AN EPOCH THAT WAS ANNOUNCED AS THE WEEPING AND GNASHING OF TEETH, IS INITIATED IN THIS WORLD.-

Yes little son; the revolutionaries are prophets in the Kingdom of Heavens, in virtue of the free will of the spirits, some request to be biblical prophets, and others request not

to be; these requests are made starting from the celestial psychology that whatever the request is, the Eternal is infinitely fair; it is because of this law of the free will, that was said: There is everything in the Father's flock; that everything covers the everything above everything; it covers all the individualities that have passed through this world; I verily say unto you that among all of them, the greatest ones in the Kingdom of Heavens are the individualities that were revolutionaries on the remote planets; the Father's Son was one of them; the First-born Son tried to revolutionize a world where paganism, arrogance, the force and despise for life, reigned; in his revolution the Solar Son taught a divine Revelation at the same time; a divine mandate of Father Jehovah; I verily say unto you that he who made revolutions and did not take the divine Gospel of the Father into account,

does not enter the Kingdom of Heavens; one thing is to imitate the Creator by searching a better justice, within imperfection, and another is to negate Him; those who negated Him in the trials of life, are also negated, out of the Earth; there are infinite ways of negating the own Creator of life; and one of them are the customs in the daily living; he who got used to living in a strange opulence, knowing and seeing that others did not even have anything to eat; behold because of this strange custom one is judged; he who lived that way in the trials of life, was drawing away from the Kingdom of Heavens; second after second; instant by instant; hour after hour; for no spirit of this world requested such immoral way of living; immorality consists in that one did not imitate the divine equality taught by the Father, in the own living; I verily say unto you that it is more likely

for those who were revolutionaries in the trials of life to enter the Kingdom of Heavens, who even gave their lives for a better life for others, than for those who seeing injustice and inequality, did nothing; the most microscopic effort done for others, is infinitely awarded by the Father; and if there were casualties in a revolution, three quarters of the punishment is received by those who created the strange life system, which came out of gold; for the violation of the divine Commandments that says: Thou shalt not kill was already a natural thing in the strange life system, called capitalism; this strange form of life, casted the first stone in violation; it created the first and oldest violence; it transmitted violence from generation to generation; from father to son; I verily say unto you that he who made use of force first is more infinitely punished, than those who found

themselves in the obligation of replying the force; behold the weeping and gnashing of teeth of those who cultivated philosophies of force, in the trials of life; for they shall have to pay second by second of the time that they served the strange force; for one cannot serve two masters; either one serves the God of love or one serves the demon of force; those who served two or more masters, divided themselves; their awards are divided; and no spirit who divided his award enters the Kingdom of Heavens; for no one requested to serve two masters; no one requested to divide himself; no one wanted to imitate satan, who divided the Father's angels in the Kingdom of Heavens; anticipating the divine Father Jehovah the future acts of the spirits, who requested Him to trial a form of life, is that He wrote in his divine Gospel: Only satan divides, and he divides himself; which

means that all those who divided others, in the trials of life, shall be divided and fall by their own selves; so it is that the so-called capitalism, which is the great beast of the divine Gospel of Father Jehovah, shall fall before they get to the year 2000; this strange life system which came out of the calculation to gold, shall remain reduced to just a small group, who like birds of prey, shall hide themselves in North America, surrounded by gold bars; the fall of the so-called capitalism is because the time requested by their spirits is up, in the trials of life; the nations of the Third World shall be led by one of the oldest, and one of the long-suffering of the planet; the flock called China shall lead the greatest power known on Earth; for it is the nation that surpassed their own spiritual scale, in the planetary life trials; its antiquity in being long-suffering has no equal in the

history of the nations; it is because of this fact that I was written: The Orient against the Occident; for the beast shall not participate in the new world; capitalism shall fall, for the generation shall change customs, strange customs which the world should have never known; for getting to know such strange customs, the world that came out of gold, shall not enter the Kingdom of Heavens; for nothing strange enters the Kingdom; and it will so happen that parallel to the expansion of the Doctrine of the Lamb of God, the world being terrorized about this truth, shall renounce to serve the beast; nobody would want to hold an arm; nobody shall step on a war ship; nobody shall crew any tank or war planes; nobody shall step into any barracks; nobody will want to wear a military uniform; nobody will want to do the so-called military service; the beast shall

be horrified; for the power of the beast rested on the strange force; it shall be a blow to the head of the beast; one quarter of the members of the beast, shall commit suicide; but if they commit suicide a thousand times, a thousand times they shall be resurrected from dust; the resurrection of every flesh shall take place in the year 2001, in China; the elderly shall be transformed into twelve-year old children; those who believed in the law of resurrection; those who did not believe, shall not be resurrected; Father Jehovah respects his children's beliefs; those who in their faith limited Him, shall remain with the limit on themselves; those who said that their Creator was infinite, shall remain with infinity in themselves; the world that emerged from the calculation of gold, is the world Alpha or world of the beginning; the world that gets initiated with the Third World, is

the World Omega; every revolutionary that emerged in the strange world of gold, is a prophet before God; the revolutionaries are spirits who in virtue of their free wills, request the Father to mend on remote planets, strange life forms not written in the Kingdom of Heavens; what is not written in the Kingdom is called strange; the so-called capitalism of this world, is not written; not even the so-called rich requested it; this strange life system emerged from a group of demons, who requested the Father to know laws of the light; promising the Father not to violate his divine law; but they violated it; and the first violation that came out of such demons was the strange licentiousness of not taking the Father into account, in the creation of their own life system; on every planet when their creatures do not consider the Father's divine mandate, when they create

forms of life systems, such life systems end up in tragedy sooner or later; these planetary tragedies were announced in the Creator's Scriptures: Weeping and gnashing of teeth of those who took the strange licentiousness of having more than what was taught; the divine mandate of the Father says: All are equal in rights, before God: the strange capitalism did not imitate the divine mandate of the Father; this immoral life system, was always characterized by inequality; the most microscopic imitation of what is of the Father, is infinitely awarded by the Father; he who did not imitate the Father in the trials of life, does not remain in this life; for everything imaginable requested to the Father, has got its time; I verily say unto you revolutionaries of the world, that you shall be the first in the new world; he who risked his life for others, is first in the Kingdom of Heavens; if

one is first up above is also first down below; for what is up above is the same as down below; I verily say unto you struggling children that the divine final judgment, awaited by the world of faith gets initiated with a Doctrine, which shall cover the surface of the Earth; for what comes out of God covers everything; for everything was created by a same God; this Doctrine shall be known by the world as the Doctrine of the Lamb of God; others shall call it the Celestial Science or telepathic Scripture, dictated by Father Jehovah; it is the third and last Doctrine, which the world of trials shall receive; the first was the Mosaic Law, in the pharaonic era; the second was the Christian Doctrine; the third is the Doctrine of the Lamb of God; although there are centuries of difference between one and another Doctrine, the divine Creator is never wrong; the Doctrine

of the Lamb of God has no end; what is of the Father has no limits; this divine Doctrine shall explain the origin of everything; it corresponds to the intellectual judgment; after this judgment comes the physical judgment; or fire judgment; I verily say unto you, revolutionaries of the world that the greatest Revelation in the world, comes out of the Peruvian flock; an award that was destined to the Chilean flock; but the strange fascism momentarily reigned in this flock; a strange and unknown form of government, which the Chilean flock was not accustomed to; many applaud the demon of force, who violates and mocks the divine Commandments of the Father; woe betide those who applauded and praised those who violated the divine Commandment that says: Thou shalt not kill! For they shall be accused of being accomplices in the Kingdom of Heavens; behold

the law that says: Nobody is a prophet in his own Land, is fulfilled; because of the selfishness of race; no tyrant who emerged from the strange life system, which came out of gold, none of them shall enter the Kingdom of Heavens; nor has any of them ever entered; every name of every tyrant shall be published in all the languages of the world; for all those who were so, in the trials of life, shall perish in the fire that comes out of the First-born Son; behold the weeping and gnashing of teeth of all those who took the strange licentiousness of using the force, against the Father's humble; they fell into temptation again; I verily say unto you that no one requested the Father to use the force against their brothers of life; for all the spirits of this world knew that the use of the strange force, was not of the Kingdom, nor was it written in the divine Commandments of the

Father; that is why it was written: He who kills by sword dies by sword; which means that he who makes use of force, falls by force; if it is not in the present existence, it is in another, in other worlds; for every spirit is born again in order to know new lives; and in each life he shall find a new image and resemblance of God; he who is not born again, does not see the Father's new reign; he stops in one of the infinite forms of the Father; was it not taught that God was infinite? And being infinite, why do many stop in just one life? To think in just one existence, is to think in an opposite way to what was taught by the Father; every mental limitation with first-hand knowledge belittles the Creator of life; none of those who belittled Him, not a single one shall enter the Kingdom of Heavens; it is more likely for those who exalted Him in the trials of life to enter

the Kingdom of Heavens; than for those who belittled Him; no one in the trials of life requested to lower the Creator's power; there are infinite ways in which the creatures, distorted the Creator; one of them is that they did not see Him physically in the trials of life; I verily say unto you that everything imaginable is requested to God; and the request of not seeing Him came out of ourselves, in the lapse or instant called life; for you did not know the sensation of such experience; the trials of life, requested by you, includes the everything above everything; the oblivion of the past also came out of you; for you did not know such experience, which should take place on the remote planet Earth, which you did not know either; aging was also requested by you; in the Kingdom of Heavens, one does not know aging; for everything is eternal there; all are children of

eternal flesh; you should know how to distinguish between the attribute and quality reigning in the Kingdom of Heavens, and the attributes and qualities of the infinite forms of life, that the thinking spirits request the Father; every human request turns into life in the Kingdom of Heavens; and I verily say unto you that the Macrocosm called Kingdom of Heavens, is so infinite that you are not known; only the divine Father Jehovah, the divine Mother Omega and certain solar parents who were prophets on Earth, know you; this littleness of yours was expressed in the divine parable that says: From dust you are and to dust you shall return; which means: From the microscopic you are and to the microscopic you return; for you are from the microcosm within another microcosm; you are from a dust-planet; divine Father Jehovah, what position does our planet Earth

occupy in space? I shall tell you little son; for the Light of Knowledge has arrived to the world; the Earth belongs to the galaxy Trino; of pale yellow dwarf suns; world of flesh; an almost unknown form of life in the universe; the Earth is the trillionth, trillionth, trillionth planet which was born from the sun Omega; the sun Alpha impregnated the sun Omega; for what is up above is the same as down below; there is solar creation up above and human creation down below; for the divine mandate that came out of Father Jehovah who said: Thou shalt make one sole flesh, which is equivalent to one sole matrimony; it was a divine mandate for worlds and suns; what is of the Father is not enclosed in just one world; for no one is unique in His infinite creation; the origin of the planet Earth was said in the divine Gospel of the Father; the parable that says: I am the Alpha and the

Omega, shows the cosmic place where the Earth came out of; it was a divine expression of origin, which came out of the Trinity, incarnated in the Solar First-born Son Christ; the Earth was a microscopic little solar sparklet; the little sparklet still keeps fire in its centre; the Earth was born from the invisible to the visible; it was a microbe with an expansive force; the Earth has an antiquity that escapes every human calculation; this dust-planet has got as many centuries of existence as molecules has the planet; and it has an antiquity of three quarters of an entirety; the Earth has one quarter of an entirety of life; this quarter was said in the angle of Christ; an Omega circle divided by four; it is the triceptation of a right angle of 90° ; which was the first geometry done by the planet; when the primitive little sparklet got detached from the corona of the Mother Sun Omega, it

made a geometric traverse of a right angle of 90°; every planet of the Thinking Expansive Universe was born from a geometry; for no one is disinherited in the Father's creation; neither planets nor creatures; the Earth has its polar axle deviated in 42°; this deviation has been taking place from century to century; and they are a consequence of the violations of all the generations, emerged from the strange life system, which came out of gold; there is little son, a relationship between matter and spirit, during the growth and development of the planets; it is one of the infinite laws of the living universe of God; when the First-born Son expired on the cross, the Earth trembled; for every Solar First-born Son is united by microscopic cords to each molecule of the planet on which he finds himself; this union is living; which means that at every instant, one solar son talks to

matter telepathically; and he has authority over it; the First-born Son was telepathic; this telepathy was cut off when agonizing on the cross, he said: Father, why have you abandoned me? Behold a divine Revelation, which shall shudder the entire world; for what happened in the past is repeated again; a very little time is left; the power of the Son of God shall be seen by this entire generation; the beast shall be terrorized; because for the first time it shall not be able to kill the one it considers its adversary; the Son of God shall defeat the beast by ordering the elements of nature; the beast's burrow shall know the fire falling from space; the beast in its desperation shall try to use the damned atomic bombs, without being able to accomplish its purpose; for every arm used for destruction, shall become inactive, annulled; for they were created from the same elements of

nature; behold a Revelation that will make the beast try to commit suicide; for the strange morality that gave it its own comfort, did not give it the necessary mental resistance; in order to confront the trials of life, which they themselves requested the Father; behold the weeping and gnashing of teeth of the easy-attitude minded of the world; of those who had everything at the expense of the hunger and misfortune of others; the Third World shall witness the fall of those who forced them to serve them; for this strange life system, which came out of the laws of gold, made use of the force in order to impose such strange reign; children of the world: Since all of you were obliged to live by force, in such strange life system is that three quarters of your sins, are paid by those who created the strange life system which came out of gold; the sinner pays one quarter

of the totality of his sins; if you had not been obliged to live such immoral life system, you would have had to pay all your sins; behold another weeping and gnashing of teeth of those who took the strange licentiousness of creating a form of life, without considering the Creator of their lives; behold the greatest tragedy in the so-called human history; a false history; for the protagonists of the own history were influenced by a strange morality in the moments when they did their acts; a history is true when its interpreters live with the psychology of the Father's Gospel; every psychology out of this is a strange psychology; it is not of the Kingdom of Heavens; it is not written in the Kingdom of Heavens; and each act, each fact, each purpose, each mental action becomes disinherited from the Kingdom; neither spirit nor any acts that were influenced by a strange psychology,

enter the Kingdom of Heavens again; no so-called historian shall enter the Kingdom of Heavens; nor has any of them entered, since there is history; behold another weeping and gnashing of teeth of the so-called historians who came out of the strange life system, which came out of gold; the true history of the Earth and the world, shall be witnessed by the world on the divine solar television, created by the First-born Son; the solar television is a color television, which came out of the own elements of nature; for all the imaginable things, came out of a same law, of a same God; the everything above everything returns in the form of a cosmic television; the solar television of a First-born Son has no limits; for being the first after the Father, he is infinite in everything imaginable; all the cities in the world shall observe in the clouds, the scenes that took place on

Earth at every instant; the most hidden fact that took place in all the epochs of the planet, shall be seen by every human eye; horrifying facts and sublime facts shall a shivery world see; what was believed as a truth, was a deceit; those who were seen as innocent, were real demons; and many who were found guilty, were innocent; every occult scene done by tyrant's mandates, the world shall see them; and those who applauded them shall flee ashamed from the world's presence; behold a humble and microscopic part of shivering facts, which live and dead shall see; for if what is up above is the same as down below, in the infinite Cosmos, there are other many solar televisions, in other many infinite worlds; all those who have already departed from this world, find their judgments in infinite points of the universe; for in virtue of the free will of the spirits, is that some

requested to be judged on Earth, and others out of her; some requested to pay debts of the past, during life; others after it; all the infinite variety in the facts of each one, was requested in virtue of each one's free will; absolutely nothing nor anyone is forced to come to life; the spirit's eagerness to improve, comes out of the own spirit; your Creator is so infinite in power that He does not have the complex of forcing anyone; obliging is a sign of imperfection within infinity power; it is the children who coming from very remote galaxies, come to the Father in order to know new forms of life; and spirits of darkness and of the light come to request to know what they do not know; you children of the Earth requested to know the human life, for you did not know it; each one of you chose what you were to experience in the trials of life; up to the last molecule of yourselves, came

out of you; your Creator took your present body of flesh from your own ideas, which you generated in your previous existence; for it was written: Thou shalt earn thy bread on the sweat of thy face; this effort requested to the Father, by your own selves, also included the body of your future existence; the cumulus of ideas generated in one existence is called in the Kingdom, the Salt of Life, which constitutes the future destiny which came out of oneself; for each one makes his own heaven; the divine Father, approves being born again; the means or the elements of a reincarnation, come out of your efforts; Divine Father Jehovah, what relationship is there between being born again and reincarnation? I shall tell you son: It is the same law; one law can be expressed in many forms; and not for that, it stops being the same law; I verily say unto you that all those who denied

and ridiculed reincarnation, denied and ridiculed themselves; for they denied their own eternity; I verily say unto you that when every father or mother bear children, what they do is a reincarnation; three quarters of it , when a baby comes to the world, is done in the Kingdom of Heavens; the other fourth comes out of matrimony; when a father or a mother love their children, they love them with common love; that is called in the Kingdom of Heavens, communism of the flesh; the flesh beings multiply flesh in a common law; if a father or a mother did not love their children with common love, they would be acting selfishly; and it is more likely for those who in the trials of life acted or thought in a common psychology to enter the Kingdom of Heavens, than for those who thought and acted in a strange psychology of licentiousness; the most microscopic imitation of what

is of the Father, is infinitely awarded by the Father; the so-called earthly communism imitates, though in an imperfect way, the divine equality taught by the Father, in his divine Gospel; the only thing that the terrestrial communism fell into was the negation of a Creator of everything; I verily say unto you that all those who deny the unique Creator of the universe, do not enter the Kingdom of Heavens; behold the weeping and gnashing of teeth of all the ungrateful beings who did not want to recognize, in the trials of life, a divine Author of their own lives; for they shall see with their own eyes the One who they denied; by their own eyes they shall see how others are resurrected into twelve-year-old children; for I verily say unto you that the fascination of becoming a child again, shall take hold of all the human spirits; behold the weeping and gnashing of teeth of

the strange world that came out of the laws of gold; for the majority of this strange world did not believe in their own eternity; the majority of the so-called christian world did not learn the divine Gospel given by the Father; no false christian shall enter the Kingdom of Heavens; nor has any entered again; it is more likely for a primitive being, who in his life trials did not request to know the divine Father's Gospel, to enter the Kingdom of Heavens, than for a so-called christian who requested Scriptures, and did not take them into account, in the trials of life; behold all those who proclaimed being illustrated in the trials of life shall envy the most primitive ones of the planet; behold the meaning of the parable that says: The big and powerful shall be despised; and every humble and long-suffering, exalted; it means that the psychology of the long-suffering and the

despised shall reign all over the Earth; what should have always been since the beginning of the world; this strange world which came out of the calculation of gold, always opposed the divine Father; they always gave the worst to His preferred ones, the long-suffering, the despised; the crumbs for the humble; let the humble wait; let the humble get burnt under the sun; long queues for the humble; secret meetings, on my humble backs; the heaviest taxes on the humble; since this strange world did all the opposite to the Father's law of love, is that this world also receives the opposite to what their minds waited for; the harvest of what this strange world sowed is the weeping and gnashing of teeth; for they did more evil than goodness; they divided their fruit even in their form of faith; knowing that there is only God; for I verily say unto you that many forms of faith divide the own

award; for only satan divides and he divides himself; no one of those who were influenced by the strange religious psychology, have got their award entirely; each religious being and his followers, have to divide the points of faith by the number of religions that were in the world; behold satan divided the Father's angels in the Kingdom; and the so-called religious divided my children on Earth, in many beliefs; being there one God only; division up above and division down below; what is up above is the same as down below; behold it is more likely for a worker who divided no one with his philosophy of work to enter the Kingdom of Heavens, than for a so-called religious, who divided many; behold another weeping and gnashing of teeth of those who belonged to the so-called religious rock; a strange form of faith, that emerged in the strange life system, which came out of the

calculation of gold, and not written in the Kingdom of Heavens; nor announced in the divine Gospel of the Father; one thing is the divine Gospel which came out of the divine free will of the Father, and another are the so-called religions which came out of the human free will.-

THE WORLD SHALL BE RULED BY THE SAME ONES WHO WERE EXPLOITED; THE LIFE SYSTEM BASED ON THE LAWS OF GOLD SHALL DISAPPEAR FROM THIS PLANET; FOR IT WAS A SYSTEM THAT CAME OUT OF MEN AND NOT OF GOD; EVERYTHING THAT CAME OUT OF MEN TURNS INTO DUST; WHAT IS OF GOD IS ETERNAL; IT BLOOMS FROM WORLD TO WORLD.-

Page 19

DIVINE CELESTIAL COMMUNISM; THE PHILOSOPHICAL STRUGGLE OF EACH THINKING CREATURE; THE DOCTRINE OF THE LAMB OF GOD, IS THE BRIDGE BETWEEN THE SCRIPTURES AND THE EARTHLY COMMUNISM.-

Page 68

THOSE WHO GOT UP EARLY FOR THEIR WORK ARE FIRST IN THE KINGDOM OF HEAVENS; WORK IS THE ONLY PHILOSOPHY THAT LEADS TO THE KINGDOM; IT IS MORE LIKELY FOR ONE WHO WAS A WORKER TO ENTER THE KINGDOM OF HEAVENS, THAN FOR ONE WHO WAS A KING OR MILLIONAIRE.-

Page 91

THE SO-CALLED CAPITALISM IS NOT WRITTEN IN THE KINGDOM OF HEAVENS; FOR NO ONE REQUESTED TO BE

EXPLOITED, IN ANY IMAGINABLE WAY; THERE IS NOTHING SELF-INTERESTED IN THE KINGDOM; EQUALITY OR CELESTIAL COMMUNISM EXISTS THERE, WITH PHILOSOPHY OF A CHILD; THE STRANGE CAPITALISM BELONGS TO A REMOTE AND MICROSCOPIC PLANET CALLED EARTH; A STRANGE LIFE SYSTEM THAT CAME OUT OF DARKNESS, WHICH REQUESTED THE FATHER TO KNOW A WORLD OF THE LIGHT.-

Page 107

BETWEEN COMMUNISM AND CAPITALISM THERE IS A COUNTER SCORE BETWEEN THOSE WHO REQUESTED TO HAVE MORE IN LIFE AND THOSE WHO REQUESTED TO HAVE LESS; CAPITALISM REQUESTED TO TRIAL POSSESSION FOR ITSELF; COMMUNISM REQUESTED TO GENERALIZE POSSESSION FOR EVERYONE.-

Page 122

ALL THOSE WHO PARTICIPATED IN BLOOD AND DESTRUCTION EVENTS, SHALL NOT ENTER THE KINGDOM OF HEAVENS; EVERYONE PROMISED NOT TO KILL.-

Page 178

BETWEEN THE DIVINE REVELATION AND THE REVOLUTIONS OF THE WORLD THERE IS A COMMON LAW; REVELATION MEANS REVOLUTION IN THE KINGDOM OF HEAVENS; FOR

WHAT IS UP ABOVE IS THE SAME AS DOWN BELOW; THE REVELATION OR DIVINE TELEPATHIC SCRIPTURE, SHALL UNIFY THE WORLD OF FAITH, THE THIRD WORLD; THE WORLD OF TRINITY, IN THE OWN SPIRITUALITY; THE DIVINE PARABLE THAT WAS GIVEN TO THE WORLD MANY CENTURIES AGO ALREADY, WHICH SAYS: EVERY HUMBLE IS FIRST BEFORE GOD, MEANS THAT ALL THE NATIONS CALLED UNDERDEVELOPED, EMERGED FROM THE STRANGE AND UNKNOWN LIFE SYSTEM, WHICH CAME OUT OF THE LAWS OF GOLD, SHALL GET UNIFIED BY FORMING ONE SOLE POWER; ONE HUNDRED AND EIGHT COUNTRIES INITIATE THE MOST FORMIDABLE POWER THAT HAS BEEN KNOWN IN THIS WORLD; NEITHER BEFORE, NOR NOW, NOR IN THE FUTURE, SOMETHING ALIKE SHALL BE SEEN; EVERY RICH NATION THAT CAME OUT OF THE STRANGE LIFE SYSTEM OF GOLD, SHALL REMAIN IN THE GREATEST POVERTY; THE DIVINE CREATOR GIVES AND TAKES AWAY IN EVERYTHING IMAGINABLE; THOSE WHO HAD MORE IN THE TRIALS OF LIFE, ARE JUDGED BY THEIR OWN AND STRANGE BEHAVIOR; WITH THE ROD THAT THEY MEASURED OTHERS, THEY ARE MEASURED; THEY MADE OTHER FEEL POVERTY FOR CENTURIES, NOW THEY SHALL LIVE POVERTY IN THEIR OWN FLESH; FOR THEY DID NOT IMITATE THE DIVINE EQUALITY TAUGHT BY THE FATHER, IN HIS DIVINE GOSPEL; WITH THE SO-CALLED RICH NATIONS, AN EPOCH THAT WAS ANNOUNCED AS THE WEEPING AND GNASHING OF TEETH, GETS INITIATED.-
