**TELEPATHIC SCRIPTURE DICTATED BY THE DIVINE
FATHER JEHOVAH.- ARTICLE № 1.- ORIGIN OF THE
PLANET EARTH; THE EARTH AS THE OTHER PLANETS
OF THE UNIVERSE, WAS A MICROBE.-**

Yes little son; in every time the human creature searched for his own origin; a sublime search; for that shows that one searches for an origin; one searches for a place where one was created; of all the theories that men have created, trying to explain their own beginning, the Father's Scriptures, remain in this world; *How do you explain it divine Father Jehovah?* I shall tell you little Son: Among many divine parables said by the Father, there is one that says: One has to be very little

and humble in order to be great in the Kingdom of Heavens; And whoever more little and humble than a microbe? The Earth where you are standing was a little solar sparklet, which came out of the suns Alpha and Omega; the sparklet from which the Earth is now, has still got fire in its center; and it shall have it for many millions of centuries; the Earth, little son, has lived three quarters of a totality; there is one quarter left for her; the three quarters correspond to the world Alpha or materialistic world; or the beginning of a microscopic form of living; the three quarters, are at the same time the time of the trials of life; in this lapse of time, man created a strange and unknown life system, which came out of the laws of gold; it is said strange and unknown to what is not written in the Kingdom of Heavens; it is more likely for a life system which tried to imitate the Father in its laws above every imaginable thing, to enter the Father's Kingdom; for the most microscopic imitation of the Father is infinitely awarded by the Father.-

FATHER JEHOVAH.- ARTICLE № 4.- ORIGIN OF THE

MOON; THE MOON WAS A MICROBE AS THE EARTH

WAS; EVERYTHING COLOSSAL AND GIGANTIC WAS

A MICROBE IN ITS BEGINNING.-

Yes little son; the Moon and every planet of the Universe were microbes in their beginnings; for the Father's law is the same for everyone; everything gigantic that existed, exists, and shall exist, was, is, and shall be a microbe; the Moon which this Earth has, is neither the first nor the last one; this world has had five moons; without counting the microscopic moons; moons which existed before the microscopic Paradise of Adam and Eve; the Moon as every molecule has got its sex; for no one is disinherited in the Father's creation; the moon

is feminine; the present Moon has got as many centuries of antiquity as molecules has the Moon; the same law is fulfilled by the Earth; that is why no wise man on Earth has had the glory of demonstrating the antiquity of even just one molecule; but, being the infinity the living Universe which came out of the Father, every theory or equation which cannot be demonstrated in the world in which one is, is demonstrated out of the world; for everything imaginable exists; it is enough to think of something, and that something is materialized in remote galaxies; the latter one corresponds to the divine parable: God is infinite; which means that everything imaginable is materialized by Him; many, little son, doubt the existence of other beings; no one who doubted shall enter the Kingdom of Heavens again; for no one of this world requested the Father to doubt of Him Himself; further up little son, we shall write rolls with explanations of each planet; we shall start with the ones this world knows; *May thy divine will come true, divine Father Jehovah.*-

**TELEPATHIC SCRIPTURES DICTATED BY THE DIVINE
FATHER JEHOVAH.- ARTICLE № 11.- HOW THE HU-
MAN BRAIN WAS CREATED IN THE SUNS ALPHA AND
OMEGA; THE ALPHA LINES OF THE HUMAN BRAIN.-
EVERY BRAIN CONSTITUTES LIVING UNIVERSES,
WHICH CAME OUT OF THEIR OWN THINKING.-**

Yes little son; the brain is like a microscopic sun; its microscopic veins are like the solar lines of the sun; what is up above is the same as down below; the brain is the kingdom of knowledge; the scenes that every vision catches are registered there; between the brain and the scenes retained by the eyes there is a microscopic mental time; this time has got a magnetism which makes what has been seen by the eyes, turn into an idea; the brain registers while one lives; the ideas traverse through all the

body in a linear way; and they go to the atmosphere in a circular way; what is lineal is Alpha or beginning, and what is circular is Omega; what is circular is the end; the end which was given to the idea; the brain is composed by 12 solar magnetic lines; or 12 zones of sensibilities; everything that an incarnated spirit feels and thinks, is classified in one of these zones; the lines Alpha act through the humidity of the blood; the magnetism of every mental materialization is in this humidity; for everything that the spirit has done, has in its attribute and quality, a psychology which gets divided by two; one is earth and the other is water; for the microscopic composition of an idea has got terrestrial cherubs and water cherubs; this divine terminology is new to the world; for the world requested the Father that in their Final Judgment, all the things they imagined in their trials of life were restituted to them; and the restitution of all the things, includes what is mental; it includes the change of everything imaginable which one was

accustomed to; for I verily say unto you that not even the most microscopic custom, which came out of the strange life system of gold, shall remain in this world; not even its dust shall remain; the brain is a divine creation of the Father; Who in order to create it, He requested the divine participation of what is invisible and what is visible; the term participation corresponds to the Ark of Covenants; for although your Father created everything, He gave his everything a divine living free will; and the divine Father is the first in respecting His children's rights; the living mathematics participated in the creation of the brains; infinite solar parents; infinite mental cherubs; the brain is like a sun, surrounded by planets; the planets are the molecules of flesh and the virtues of every thinking; when the body dies, the brain becomes a totality with the thinking spirit; which means that dying is not painful; it is for the body while it feels; the brain gets detached from a totality, which kept it tied by an instant, called human life; the brain is like a life

within another life; within the spirit's life and the flesh's life; three lives in a sole one; when one is pregnant, one is putting the foundation of a galactic history, which shall never have an end; a living eternity is born like a microbe; and it has a form of life as a starting point; this form of life can be at any point of the Universe; for God is everywhere; behold a divine law, which shall make millions of immoral beings weep; for all the babies who were killed by demon-parents, shall resurrect among the first; to accuse those who violated the divine law of the Father, in them: Thou shalt not kill; behold the weeping and gnashing of teeth of fathers and mothers of all the generations; for every judgment which comes out of the Father is up above as well as down below; those who are alive on Earth, and those who departed from her, out of the Earth; the brain constitutes universes, galaxies, cosmos; its divine philosophy is to think and generate ideas; its divine hierarchy is to eternally imitate the Father; the brains have got attribute and quality; they have

got philosophy and hierarchy; the human brains requested just as the human spirit requested, to be trialed in life; they also requested to know the experience of the forgetfulness of the past; for they did not know it; every brain talks to the Father, Who created it; every brain praises Him; just like the spirit praises Him; a spirit which it accompanied in order to know a form of life, on an unknown planet; for when one requests life, he/she does not even know the planet to which they are going to; one starts knowing this as the Father is taking the spirit's knowledge in order to give it a divine planetary geometry; it is the case of the human spirits; for the Father creates in every imaginable instant way.-

TELEPATHIC SCRIPTURES DICTATED BY THE DIVINE

FATHER JEHOVAH.- ARTICLE № 12.- WHAT HAP-

PENED IN THE MICROSCOPIC PARADISE OF ADAM

AND EVE; THE PHARAONIC SERPENT IS THE SAME

SERPENT WHO TEMPTED THEM TO DISOBEY FA-

THER JEHOVAH.-

Yes little son; so it is; just as you knew it since you were a child; the pharaonic serpent is the same serpent who induced Eve to disobey Father Jehovah; for the serpent knew that disobeying the Father just one microscopic time, one does not enter the Kingdom of Heavens again; until one pays the microscopic time disobeyed, out of the Kingdom; I shall tell you little son that in the microscopic paradise of Adam and Eve, everyone was telepathic, the serpent who induced them had shrewdness

learnt; for it had received pharaonic knowledge by telepathy; Do you understand now little son, why your divine Father Jehovah damns the pharaonic dynasties? *Yes divine Father Jehovah; I understand it by your divine Light and Grace; I understand that by a celestial instant of disobedience, one pays centuries of pain;* So it is little son; and the serpent knew it; and so it is that all the elements of the paradise requested the Father not to continue fulfilling physical laws of paradise; for being matter and spirit living, they did not want in their free wills of matter to be accused of complicity before the Father; behold little son why the terrestrial nature does not express itself to the thinking spirit called man; what the spirit does reverberates on matter; if it did not reverberate, it would distort the divine mandate that says: All are equal in rights before God; for the divine mandates of the Father are for everything imaginable; they are for matter and the spirit; for He created matter and spirit; Yes little son; so it is; just as you knew it since you were a child; matter and spirit talk in

a paradise; this marvel ceased just in the instant in which Adam and Eve disobeyed Father Jehovah; behold if Adam and Eve disobeyed the Father for just an instant, and this world that has disobeyed an entire life, What a weeping and gnashing of teeth will not be awaiting them? Behold you had an entire life in order to see the Light, and you did not look for it; for you let yourselves be influenced by a strange illusion, which came out of the strange power of gold; Adam and Eve were not ambitious like you; for they did not get to know the strange influence of gold; they were deceived by shrewdness; behold Adam and Eve are closer to the Kingdom of Heavens than your own selves; for the instants, the seconds are greater in you than in your first parents; one lived the celestial time in the paradise; this time does not leave any trace; for no one gets old; death is not known in the celestial time; nor is there any living trial; the trial starts at the right instant in which a law is violated, for in the precise instant in which Adam

and eve were thrown out of the paradise, the drama started; the indifference between the elements and the spirit started; behold Adam and Eve closed the way to happiness to an entire world; and an entire world in virtue of their free will requested the Father to know a world that had violated His law; for no thinking spirit knew such experience; but, since love in the Kingdom is infinite, all of you proclaimed before the Father that the fallen angels Adam and Eve would be your terrestrial parents; for every fallen one, sooner or later stands up again; for all of you knew in the Kingdom that the Father always triumphs over every darkness; behold everything imaginable is requested to the Father; and what was imagined by you in the Kingdom of Heavens, you are living it on Earth.-

TELEPATHIC SCRIPTURE DICTATED BY THE DIVINE

FATHER JEHOVAH.- ARTICLE № 13.- FACTS THAT

TOOK PLACE IN THE PLACE OF ORIGIN OF THE

PLANET EARTH; LAWS OF THE MACROCOSM.-

Yes little son; what happened in the place where the Earth was created, no one knew it; for when the human spirits requested the trials of life, they requested to be trialed, starting from their own place of origin; what happened there still continues taking place; and before it happened, it had been eternally happening; for what is of the Father has neither a beginning nor an end; *Divine Father Jehovah, who by your divine Grace I can see the Kingdom of Heavens, Why does fire get materialized and speaks there?* I shall explain it to you little son: As it was written, the Macrocosm called Kingdom of Heavens, is

gigantic and living; everything imagined has got no limit there; and it has it at the same time; for those who live there have got a divine free will; *So I can see divine Father Jehovah, by your divine Grace; I can see that by their own will they can get bigger or smaller; and I can see that they get transformed into all the existences which they had in remote worlds which have already disappeared;* So it is little son; in the Kingdom of the Father the so-called fantasy becomes true; for every idea generated by every creature of every world of the Universe, grows and matures; just as the fruits in the Earth's nature grow and mature; what is up above is the same as down below; if you in your respective sizes and forms, live normally, up above in the Kingdom of Heavens, the giants and the tiny ones live with the same normality; for normality is contained in the own divine mandates of the Father; for every mandate which came out of the Father, is so forever and ever; those in the Kingdom of Heavens had to attain that Glory, on the sweat of their faces; for nothing is given for

the sake of giving; there is also the authenticity of the merits; and this is as living as everything that came out of the Father.-

FATHER JEHOVAH.- ARTICLE № 13.- THE SOLAR
ORIGIN OF THE FLYING SAUCERS; HOW A SILVERY
VESSEL IS BUILT; THE BALLS OF FIRE OF FATHER
JEHOVAH'S SCRIPTURES.-**

Yes little son; so it is; just as you have been seeing since you were a boy; the flying saucers are of a solar origin; in the Father's Scriptures, they are written as the balls of fire; these celestial vessels have always participated in the births of the worlds; the flying saucers are created with the living numbers, or spiritual mathematics; the same mathematics with which your bodies of flesh were made; the flying saucers represent a power, constituted in hierarchies; for these vessels form conglomerates or air families; their divine organization is like the

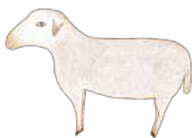

organization of the galaxies; for they proceed from there; just as your vessels proceed from your planets; what is up above is the same as down below; the celestial time exists in the flying saucers; in which one celestial second corresponds to one terrestrial century; in other words, they create times; they create space and knowledge; the creatures who govern these vessels are instantaneous; they talk to the material of the own vessel; for them, there is no mechanical or physiological problem of any kind; when these vessels travel , they do it from sun to sun; from world to world; they are accustomed to seeing colossal worlds; worlds in which your Earth would not pass from being a molecule or dust; Yes little son; they are the same worlds which you have been seeing since you were a child; *May you be blessed in them, divine Father Jehovah*; I shall tell you little son that I shall dictate to you new Rolls of the Construction of the Flying Saucers; for what is of the Father has got no end; the flying saucers have been seen by some; and

others have not seen them; I shall tell you little son that since everything imaginable is requested to the Father, those who have seen them, requested to see them; and those who have not seen them, did not request to see them; for the most microscopic encloses a divine request, and a divine mandate; not a single molecule escapes this law; the flying saucers, due to proper laws, are born babies; what the vehicles of the Earth cannot do; *Divine Father Jehovah, as You know, I see the place where these celestial vessels are built*; So it is little son; and I shall tell you little son that it is not the only place; for what is of the Father has got neither a beginning nor an end in anything imaginable; the places where these vessels are built are infinite; they are built in suns and worlds; the divine cherubs participate in their construction, which shall be in the world Omega a living symbol of the living mathematics; the mathematics of the resurrection of every flesh; the same mathematics with which the human life was built; when the flying saucers travel through

the cosmos, they do it with infinite purposes; and by doing it, they fulfill infinite Scriptures, which came out of the Father; for to each world or planet or sun corresponds a divine Scripture; no one is disinherited; the worlds and their creatures request the Father to see in their trials of life what they saw in the Kingdom of Heavens; so it is that one part of your humanity requested it; the flying saucers violate the Father's law many times; but all of them render divine account to the Father; just as it was taught to you; what is up above is the same as down below; the Father's justice is up above as well as down below; it is at any point of the Universe; Were you not taught that your God is everywhere? The term: Everywhere means that He is in everything imaginable; in what is visible and invisible; *Divine Father Jehovah! I see you in a silver ship!* So it is little son; How do you see Me son? *I see you divine Father Jehovah, on a colossal color television; and I see that the crew of the ship bow before You;* So it is little son; I appear to every child of the Cosmos,

according to their sciences and evolutions; and I shall tell you little son that these children who order matter with their minds, know that they are no more than a dust in the infinite creation of Father Jehovah; *Divine Father Jehovah, Why did these celestial creatures put their left hands on their chests up to their hearts when they greeted You?* I shall tell you little son; they imitate the divine greeting of the Kingdom of Heavens; and this salutation of the Kingdom was also seen by the human creatures; *Divine Father Jehovah, and why did this world not do it too?* Ah! Little son; for this world did not do the things and laws according to the Father's Scriptures; the own life system is strange to the divine mandate; men created a strange and unknown life system, whose god is gold; and all their customs are strange and immoral to the divine customs of the Kingdom of Heavens; I verily say unto you little son that none of those who lived the strange influence of this strange life system, has been able to enter the Kingdom of Heavens; nor shall any of

them enter; for none of them requested it in the Kingdom of Heavens.-

FATHER JEHOVAH; ARTICLE № 14.- THE SOLAR
ORIGIN OF THE MOON; THE EARTH HAD MANY
MOONS; THE MOON AS WELL AS THE EARTH WAS
A MICROBE IN TIMES WHICH ESCAPE THE HUMAN
CALCULATION.-**

Yes little son, the Moon as the Earth and all the celestial bodies, requested a destiny; for matter is living before the Father; every destiny is not only possessed by the spirit; for no one is unique in the Universe; only the Father is; matter was also created by the spirit of God; or God's blow; Were you not taught that God created everything? If He created everything, He was fair with everything; for no one is less before the Father, neither matter nor spirit; if the spirit talks about its destiny,

matter in its laws of matter talks too; the Moon requested in the Kingdom of Heavens, to know being near a planet; for she did not know such experience; every celestial body requests a destiny, as a spirit does; for the divine equality taught by the Father, is in matter and spirit; every destiny has got this law as a unique cause, which came out of the Father; the Moon which the Earth presently has, had in very remote times, a form of life, which if you saw it, you would remain as primitive beings before it; *Divine Father Jehovah, are they the same creatures who by your divine Grace, I see since I was a boy?* They are the same ones little son; these lunar creatures maintained a fabulous traffic with the Earth; they were times in which the heavens were open; and Adam and Eve's paradise was not born yet; the Moon is of a feminine sign; I know little son that she in her divine galactic free will shows herself unto you like a beautiful gigantic woman; whose face has a white veil; the celestial bodies have got a free will in their manifestations;

and every celestial body participates in everything that the divine Father creates; the celestial bodies participate in the biblical events of the planets; that is why it was written: And there shall be signals in the heavens; the flying saucers also fulfill this divine law; the celestial bodies feel joyful when a determined world sees the light of the Father; for they know that being of matter, they participate in it; the celestial bodies form an entire galactic family; just as you form human families; the Moon had other four moons as an inheritance; when the Earth was no more than a sparklet, which did not mature yet; which means that it did not have a cortex yet; the four moons that existed before the present moon, had at the same time multitudes of little moons; for seedbeds of moons were created in the older moons; they were laws proper of the paradise-moons; laws which the world shall know again; for the past returns with all its splendor; when the past returns, this strange life system which came out of gold, undergoes a tremendous

complex of inferiority; for the science of the past shall make them disappear; your strange life system is no more than a molecule, in what is to come; no one shall know you in the world Omega; a world of eternal flesh; a world which is a product of the resurrection of every flesh; a world of giant-boys; behold the divine parable: From dust you are and to dust you shall return; for oblivion is like dust; that is what is going to happen to this odd life system; a form of life which was not written in the Kingdom of Heavens; for no one requested the Father neither to exploit nor to let oneself be exploited; the Moon had the same beginning as the Earth; it came out of the suns Alpha and Omega; for everything came out of one God only; from a same point of the Universe; the Moon was also fire in her beginning; the fire of the Moon created a great pressure which had no covenant with the atmosphere; it neither has nor had air; the creatures of her lunar past, did not breathe like you; they agglutinated themselves in their own molecules; which means

that they lived from the interior; they were not like you, who need an exterior covenant; you need the air that surrounds you; the Moon of the past had an organization very similar to the Kingdom of Heavens; everything was common to everyone there; they did not know self-interest; for if they were trialed by Father Jehovah, too, they did not violate his Scriptures.-

FIRST MOLECULE OF THE PLANET EARTH; EVERY
FIRST ONE IN WHAT IS MATERIAL AND SPIRITUAL
IS OLDER IN THE GALACTIC HIERARCHY.-**

Yes little son; the molecule as the colossal planet form an infinite hierarchy, which has no end; for the living Universe of Father Jehovah is egalitarian in rights; just as you form families and generations, likewise molecules and virtues form families; I verily say unto you that he who acted evil in the trials of life, created infinite families with an evil philosophy; for each microscopic idea floats in space; just a seed sprouts in your garden; what is up above is the same as down below; and he who acted well in the trials of life, created infinite families with a good

philosophy; behold no generated idea perishes; all of them sprout, passing from the microscopic dimensions to the gigantic dimensions; the Earth had such beginning; it was microscopic and humble in its beginning, in order to become great in the Kingdom of Heavens; this beginning is fulfilled by all the planets of the Universe; for the Father's law is for everyone; this divine Revelation brings a new conception of the Universe to the world; all those conceptions which the Earth got to know were trialed by the Father; and they do not remain reigning; everything which was not trialed on Earth, is trialed out of her; for everything imaginable exists in the Father; behold all those who talked about other planetary beginnings were right; every theory as absurd as it may seem to the human credulity, exists out of what is human; for no one is unique in the Universe; only the Father is so; he who did not think like that in the trials of life, shall not enter the Kingdom of Heavens; for in there, one only thinks that only the Father is unique.-

Yes little son; the divine Solar Mother Omega is and shall be the only Mother of the Universe; the generations of the future of the world Omega shall proclaim her the only Mother; for the Mother is one, as the Father is one; in the trials of life, a period which is about to end, the thinking spirits called the divine Mother with many names; and all of them linked to one or another story; I verily say unto you that all those who got closer to the

Father's Scriptures, in the concept they had about the Mother, shall enter the Kingdom of Heavens; and it is more likely for one who always thought that the Mother was only one to enter the Kingdom of Heavens; without taking away from Her the infinite right that She is everywhere; the Father and the Mother are the same person; and they are egalitarian in every authority; keeping their divine free wills through all eternity; behold a divine law of the Most Holy Solar Trinity, in Father Jehovah; no one comes to the planetary dwellings if it is not by their divine Solar Mother Omega; without her, you would be nothing; I verily say unto you that those who denied their Mother in Heaven, shall not have a Mother anymore; and he who recognized her in the trials of life, shall have her forever; the Solar Mother Omega is waiting for the return of her children; just as the divine Father Jehovah waits for them; and you are not the only ones; for what is of the Father is not reduced to one sole world; what is of the Father is everything that exists, existed and

shall exist; the divine Solar Mother Omega shall speak to the world; for in the Kingdom of Heavens there is no divine act, in which the divine Mother is not present; behold this humanity requested in the Kingdom of Heavens that this planet, after their trials of life, passed to be called Omega Planet; *Divine Father Jehovah, what does Omega mean?* Omega little son, has an infinite translation; for what is of the Mother as well as what is of the Father, has got neither a beginning nor an end; but, I shall tell you little son that Omega means end, for the human psychology; the one that lived the trials of life; this microscopic period of the Earth is called Alpha in the Father's Kingdom; Alpha represents the materialistic world, which came out of the human free will; a strange and unknown life system, which came out of the laws of gold; it is called strange for it is not known in the Kingdom of Heavens; and it is not written in the Solar Books of the universal life; I verily say unto you that because of this strange and unknown life system, no human

creature has been successful in entering the Kingdom of Heavens; nor shall any of them enter; for the spirit got to know what it should have never ever got to know; no one requested the Father to fall into immorality and scandal; for all of you knew by means of the experiences of other creatures, which came from other trials of planetary lives, that no immoral or scandalous being would enter the Kingdom of Heavens again; you requested the Father to know weakness in what is physical and spiritual; what you did not request was to let yourselves be influenced by them; one thing is to request to know evil or darkness, and another thing is to let oneself be dominated by evil or darkness; all of you promised the Father to oppose mental resistance to the influence of evil; behold a light which clears everything out; the evil which was not resisted, claims for its prey; for I verily say unto you that good and evil are living before the Father; before the Father one makes covenants and bets; the latter one has got a mundane psychology; but,

the spirits have got free will, and they request the Father what is most incredible; this is why it is said: There is everything in the Father's flock; that everything does not only cover your world; that everything covers all the psychologies that there has been, there is, and there shall be.-

Yes little son; the flying saucers were announced in many ways, in the Father's Scriptures; there they were described as: Balls of fire; signals in the heavens; many dwellings does my Father have; for in the flying saucers many kinds of times are produced; and according to the hierarchies of the flying saucers, their crews do not get older; the silvery vessels create their own time, space and philosophy at the speed of a lightning; for they are instantaneous in their creations; the creation

and transformation which is produced in them is according to the dimension that they have to enter; that is why these celestial vessels are unreachable to the human science; *Divine Father Jehovah, who by your divine Grace I can see the flying saucers, in all the dimensions that your divine will wants me to see, Why have millions been able to see them, and millions have not seen them?* I shall tell you little son: If everything imaginable is requested to the Father, is that millions requested to see the flying saucers; and millions requested not to see them; what no one requested was to deny them; for everyone came out of the Kingdom of Heavens with the infinite conviction that everything imaginable existed in the Father; I know little son that you are thinking in those who having proofs of the existence of these vessels, hide the truth to the world; I verily say unto you little son that none of these demons of occultism and selfishness shall enter the Kingdom of Heavens; for no one requested the Father to hide things from others; not even a sole molecule;

every selfish being who materially hid things from the world, must pay his selfishness in existences; he must live an existence out of the Kingdom of Heavens for each molecule contained in what he hid; for all requested to be judged above everything imaginable; and within the term: Above everything, are also the microscopic molecules.-

illustrated in your Scriptures, deny you? I shall tell you little son that every child of this world requested to know doubt, as one more sensation; for they did not know it; what no one requested was to doubt the Father's own power; for I shall tell you little son that what one believes that it should not be, it is so out of the Earth; for no one is unique in any sensation, reasoning or logic; those who in the trials of life denied the Trinity, shall not enter the Kingdom of Heavens; for the own heavens have got a Trinity; even the microbe has got it; no one is disinherited; and I shall tell you little son that the more illustrated beings in my Scriptures, and who denied their own Trinity, they denied what not even them understood; behold every so-called illustrated who in the trials of life negated in just one trillionth of a molecule the One who created everything, shall not enter the Kingdom of Heavens; those who believe in the Father's infinity enter the Kingdom; it is enough to not to believe in the Father, and one does not see the Father; behold the

weeping and gnashing of teeth of every ungrateful being; of every backward spirit; of those who cultivated a microscopic faith; of those who built their hopes up on a microscopic present; of those who denied without even knowing their own origin; the poor in eternal causes; of the mundane; of those who measured everything with the gold standard; the Most Holy Trinity is the own mental knowledge, which came out of each one; the most microscopic mental effort has got the Father's Trinity; for every minimal mental effort imitates what the Father said: Thou shalt earn thy bread on the sweat of thy face; this parable is the oldest in the world; it is over all the others; for all the others fulfill a microscopic divine-mental effort; all of them carry the divine philosophy of work; the supreme one of all the philosophies; which without it, no philosopher, no thinking spirit enters the Kingdom of Heavens; work has also got a Trinity; and those who having worked in the trials of life, and who did not believe in their Trinity, shall not

enter the Kingdom of Heavens; for they denied the divine seal of all what they did in life; the everything above everything shall accuse them before the Father; each act, molecule, cell, idea, virtue shall complain to the Father; that having come out of the Kingdom with an inheritance, they return there without it; behold the shame and horror of all those who negated just one molecule of the infinite creation of the Father; every idea, gesture, sensation is as expansive as the Universe itself; this means that all those who negated their Holy Trinity, denied infinite worlds the eternal inheritance; galaxies; universes; for from their own ideas, gestures, and sensations microscopic planets are born as time passes by; whose creatures shall not carry the Father's Seal; this Revelation was announced to you in the divine parable that says: Each one makes his own heaven; for from his own everything above everything his future galactic inheritance is born; behold this Revelation shall shudder all those who took power away from the Father; he who takes

power away from the Father, it falls on himself; for it came out of the Father; and it must return to the Father; there is no other destiny, to which all the known and unknown destinies converge.-

Yes little son, there is just one Universe, as there is just one God only; every universe is born from the most microscopic thing that the mind can imagine; and the most microscopic thing that you can imagine are your own ideas; the ideas that you generate daily are so little that you only feel them but you cannot see them; and no one negates the *existence of their own ideas; Divine Father Jehovah, who by your divine Grace, I can see the ideas of all the*

thinking beings, I believe that in your divine Scriptures are announced what You, by your divine Grace, reveal to me in another divine psychology; So it is little son; the divine Father Jehovah has also got a divine free will like you; and what was said in one epoch and in another psychology, He expresses it again in another epoch and in another psychology; it is what constitutes the Revelation; it is said in my divine Scriptures: Each one makes his own heaven; it means that from every idea that was thought, a future and microscopic planet is born; and every planet as much dust as it may be, is surrounded by a heaven or emptiness; it was written that by your acts you shall be judged; and you know very well that in order to do work, you must think; you must generate ideas; behold the Final Judgment is a new Doctrine which shall judge you idea by idea; instant by instant; molecule by molecule; cell by cell; hair by hair; an eye for an eye; a tooth for a tooth; for the Father is in everything imagined and in everything felt; He is in what is invisible and

visible; this Doctrine is the Doctrine of the Lamb of God; and its appearance in the world shall start an era which shall be known as the era of weeping and gnashing of teeth.-

NOT ENTER AGAIN.-**

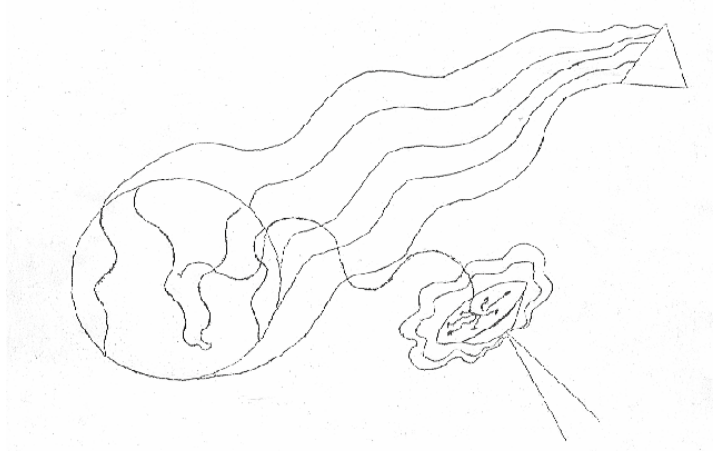

Yes little son; the Macrocosm and the Kingdom of Heavens are the same thing; every Macrocosm is born a microbe; everything that came out of the Father was a microbe; one is born in a humble size in order to become great in the Kingdom of Heavens; the living Universe of the Father creates everything imaginable; and what is imagined does not cease from getting multiplied; it never stops;

it has no limits at any instant; the Macrocosm has also got a hierarchy, as the microcosm has it; the sizes of my creatures have no limits; if you children of this world saw the Macrocosm, you would be full of dread; for you are only accustomed to your size; the Macrocosm would seem to you like a nightmare; a terrible fear would be born in you; a terrible complex of inferiority; many or almost everyone would get crazy; many would commit suicide; for those of the macrocosm would see you with the indifference that they see a microbe; if they saw you; for I shall tell you that as you many times step on a tiny ant or any insect, and you do not notice that you killed them; likewise would happen to you in the Macrocosm; what is up above is the same as down below; in unknown places of the Cosmos, where unknown laws to you are fulfilled, terrible wars among worlds take place; with destructive powers that would make you and all that your telescopes cover disappear without making any noise; for the destruction that provokes

noise is primitive; in the Macrocosm the means of destruction are mental powers; matter and spirit rival in their own molecular essence there.-

FATHER JEHOVAH.- ARTICLE № 17.- ORIGIN OF THE
MATHEMATICS IN THE SUNS ALPHA AND OMEGA;
HOW THE FIRST MENTAL NUMBER WAS BORN; EACH
PORE OF FLESH IS A LIVING NUMBER.-

Yes little son; every living number participates in every creation which came out of the Father; and

the living numerical inheritance is also in every number; what is living is numerical; and what is numerical is living; mathematics are also born being primitive; for in order to get to the infinite degrees of perfection infinite living covenants are made between spirits and numbers; so it is that in each existence which the spirit requests to know, it gets to know new calculations; it gets to know new mathematics; new sciences; every spirit shall never stop from knowing, in its eternity, for what is created by the Father has neither a beginning nor an end; the Creator of every life, up above as well as down below, can offer His thinking spirits as many lives as they want; every number also requests the Father to know lives, which they do not know; for every number as well as every spirit is infinitely expansive; all of them, matter as well as the spirit request the Father to expand their creative inheritances; for every mental or material limit is relative; your own knowledge is relative and eternally subordinated to your own actions; even

the First-born Solar Son Christ is subordinated to the Father; behold every subordination is living before the Father; I verily say unto you that no one requested the Father to be subordinated by men; for every thinking spirit knew that the entire infinity was created by Father Jehovah and not by men; even more, all of you knew that in the Kingdom of Heavens, the so-called men are not known; being the Kingdoms of the Macrocosm so infinite; the dust-worlds or worlds of flesh are only known by Father Jehovah, the divine Solar Mother Omega, and certain solar parents, who were prophets on Earth; this cause is because the infinity has got its laws; and one of them is that those who believed of themselves as being unique in the remote worlds, are the most unknown in the Kingdom of Heavens; only the Father is unique; and the Mother and the Son are in the Father; behold the divine Trinity; a divine concept which was denied by many; all those who negated, taking power away from the Father, shall not enter the Kingdom of Heavens; the Trinity

is living; as everything that your mouth spoke in the trials of life is living; for being everyone equal in rights before God, is that each letter, syllable, sound, articulation have also got their Most Holy Trinity; for no one is less before the Father; neither the microbe nor the molecule are; the microbe and the molecule have also got their Trinity; no one is disinherited in the Father's creation; behold all those who negated shall have their weeping and gnashing of teeth; for an immense army of living beings and of infinite geometric forms, shall accuse them before the Father; when a creature negates the Father, even in one molecule, the negation corresponds to an everything above everything; for everything that was expressed in the trials of life, was requested as a trial by every molecule of flesh; and by every virtue which came out of the spirit; no one requested to be indifferent towards anyone; flesh and spirit approved each other mutually in their laws; this is why everything that a spirit does and feels is equally felt by the flesh; what is living is

a totality during life; and that everything gets separated again in the divine presence of the Father; for before having promised each other life, matter and spirit were free; all of them enjoying their living free wills; behold the weeping and gnashing of teeth of every spirit who violated the Father's law; of every immoral, of every scandalous, of every vicious one; for even his living number which participated in his own reincarnation shall accuse him of not having fulfilled what he promised the Father, above every imaginable thing; behold the weeping and gnashing of teeth of all those who lived influenced by the strange customs which came out of the strange life system of gold; for such customs and such system were not requested by anyone; and what is not requested is not written in the Kingdom of Heavens.-

Yes little son; the solar science exists, just as the terrestrial science exists; what is up above is the same as down below; my First-born Son who was announced to come to this world again, shining like a sun of wisdom, is a Solar Parent; he is a Solar First-born Son; he is from the solar science; he is from the suns Alpha and Omega, just as you are from a microscopic solar system; there are solar systems up above and down below; up above and down below have no end; *Divine Father Jehovah, what*

galactic position does the Earth occupy in your infinite creation? I shall tell you little son: the Earth where you are is a dust-world; which means a planet from the microcosm; it belongs to the infinite series of the worlds of the flesh; with a pale-yellow dwarf sun; of the microscopic galaxy Trino; this planet is the trillionth, trillionth, trillionth planet, which came out of the divine womb of the divine Solar Mother Omega; the sun Omega, is still creating planets earths; the Earth shall come to an end, and this feminine sun shall still continue creating baby planets; she shall continue creating solar sparklets; which shall give place to future planets; the little sparkle of this planet, still has fire in its centre; and it shall continue having it until its old age comes to an end; *What shall happen then, divine Father Jehovah?* What shall happen is that it shall become brittle; its surface shall not have consistency; and shall be full of cracks; which are like the wrinkles that an old man has; as time passes by even more, it shall be getting worn and smaller, until it turns into dust.-

Yes little son; the flying saucers have existed in every imaginable time; for what is of the Father has neither a beginning nor an end; in infinite worlds they are not known; in infinite others they have seen them; in infinite others they hear legends about them; in infinite others they are built; for every instant called world, is infinite in the Father; every celestial time in the Father covers very slow times of other worlds; times do not have any limit

in the Father; the flying saucers are vessels which were constructed in other worlds; in which there was another time, another science, other mathematics, another thinking, another destiny, another present, other creatures; these vessels travel from sun to sun and from world to world; these vessels' journeys are so infinite that as they travel, the worlds and suns which they were leaving behind disappear from space because of planetary old age; and creatures who they met in in determined world, meet again in other worlds; for in other places of the Universe one lives the transmigration or emigration of creatures of one world to another world; those creatures do not fulfill a life of trials as you do; they do not feel isolated from the rest of the Cosmos, like you; their activity are the galaxies, and what takes place in them; this form of life is also coming to this Earth; this shall happen after the year 2000; after the fall of the strange and unknown life system, which came out of gold; it is the consequence of the Final Judgment; for every

tree which did not come out of the Father's Gospel, shall be uprooted; and all the strange branches of this odd tree, also disappear from this world; the strange branches are the odd forms of faith, which like the rock, are unknown in the Kingdom of Heavens.-

Yes little son; the so-called spiritualist science and every form of occultism, were not requested by no thinking spirit of this world, what they requested was to fulfill the divine Scriptures and Commandments of the Father, above everything imaginable; in

the term: Above everything, is the so-called séance and occultism; every spirit requests the Father to know laws and things by name; one thing is getting to know laws which are alien to the Father's Scriptures, and to be indifferent towards them, and another thing is getting to know laws alien to what is of the Father, and let oneself be influenced by them; I verily say unto you that the most microscopic influence is judged in the Kingdom of Heavens; there are infinite kinds of influences; among all of them, that which defended the Father above everything, is the one that enters the Kingdom of Heavens; he who believed the spirits more than the Father, shall have an award of spirit but not of the Father; there is an infinite difference between the Father and the spirits; for every spirit was created by the Father; and none of them requested the Father to perturb the law of the own Father; all those spirits who did it, they and their followers shall not enter the Kingdom of Heavens; I verily say unto you that not a single spirit of those which

men got in touch with, since the world is world,
none of them are from the Kingdom of Heavens.-

**TELEPATHIC SCRIPTURE DICTATED BY THE DIVINE
FATHER JEHOVAH; ARTICLE № 1.- ORIGIN OF THE
EARTH.-**

Yes little son; the Earth where you are standing on, came out of the suns Alpha and Omega; *Divine Father Jehovah, where are the suns Alpha and Omega?* Alpha and Omega, little son, belong to the galaxy Trino; a Galaxy of the Macrocosm; a place in the Universe where everything is living and gigantic; Trino, little son, means Trinity in Spirituality; *Divine Father Jehovah, What does the divine drawing mean?* The drawing which came out of the Father, has got an infinite translation; for everything that is of the Father has got no limits in anything imaginable; the celestial drawing shows that the Earth was microscopic; everything gigantic of the Thinking

Expansive Universe was a microbe; this universal law was expressed by the divine Father Jehovah, in the parable of his Scriptures; one has to be very little, microscopic and humble in order to become great in the Kingdom of Heavens, when your divine Father said: Let there be light and there was light, such divine expression, was a divine mandate which moved suns and worlds; for the divine mandates of the Father is not reduced to only one world; those who thought that way, diminished the Father's creative power; no one who took the Father's power away on Earth shall enter the Kingdom of Heavens again; for no one requested the Father to diminish Him in power; I shall tell you little son that the colossal suns of the Macrocosm are living; just as the human beings are; there is solar life up above and human life down below; what is up above is the same as down below; *Father Jehovah who by your divine Grace makes me see the Macrocosm in marvelous colors, Could you teach me what happens in the solar luminaries?* I shall tell you little son; for the Father

has a divine free will up above, and human free will have the children down below; what is up above is the same as down below; just as you have been seeing since you were a child, the sun Alpha represents the masculine sign of every creation; the sun Omega represents the feminine sign of every creation; the sun Omega was impregnated by the sun Alpha; *Divine Father Jehovah, What does Alpha and Omega mean?* Alpha means beginning and Omega means End; Alpha is angle and Omega is circle; Alpha represents the microscopic beginning of a strange form of life, of the planet Earth; this odd form of life came out of the laws of gold; it did not come out of the Scriptures of the Father; everything that did not come out of the divine Gospel of the Father, is not written in the Kingdom of Heavens; that is why it is called strange; the life system called capitalism, is unknown in the Kingdom of Heavens; for no thinking spirit requested the Father to exploit another, in any imaginable way; this strange and unknown life system which came

out of gold, has got a little time left; it shall not be able to reach the year 2000; for biblical events are already being materialized in the world; the sun Omega represents the Solar Mother Omega; and it represents the new world at the same time; Omega also means the government of women on the planet; for all are equal in rights before God; no one is less before the Father; neither woman nor man; neither matter nor spirit; I shall tell you little son, that in the Macrocosm called Kingdom of Heavens, the celestial time reigns; one celestial second is equivalent to a terrestrial century; that is why it is said, just some instants ago the divine Father created the Earth.-

FATHER JEHOVAH.- THE ORIGIN OF THE EARTH.-

ARTICLE № 2.- EVENTS THAT TOOK PLACE IN THE

PLACE OF ORIGIN OF THE PLANET EARTH.-

Yes little son; continuing with the divine narration, in the suns Alpha and Omega happened the same thing that took place on the own Earth; what is up above is the same as down below; when your divine Father Jehovah said: Let there be light and there was light, abysmal things took place; things which still take place and shall take place forever and ever; this divine mandate made infinite cherubs move in the own infinity; *Divine Father Jehovah, Could you teach me more about what the divine cherubs are?* Yes little son, I do it with pleasure and infinite love; it is written that Father Jehovah is Eternal

Light which has no end; the divine cherubs are living magnetic lines; the cherub is matter's most little thing; it is the most little thing that the mind can imagine; even the own ideas which are generated daily are physically constituted by the divine cherubs; *Divine Father Jehovah, Can man see the divine cherubs?* In the present knowledge, man cannot see them; for his instruments and the own microscopy are made having material mathematics as a basis; the divine cherub which brings together the molecules of everything that has been created, is constituted by the spiritual or divine mathematics; man's mathematics act in one sole dimension; in one sole present; they do not penetrate what is invisible; the human being does not talk telepathically with his/her numbers; as it takes place in other worlds, in other remote galaxies; for man requested the Father to know; and every request made to the Father turns into life when the Father's divine free will determines it so; the human spirit requested the living numerical calculation, for they

did not know it; and every number of the terrestrial mathematics, requested the Father the oblivion of its own numerical past; just as the human spirit requested it; the thinking spirits, in virtue of their free wills, request Father Jehovah; *Divine Father Jehovah, who by your divine grace, I can see the physical ideas of all those who surround me, Why did the human spirit requested to know the oblivion of their past?* They requested it little son, as an experience; Can you see this spirit, little son? *By your divine grace, I can see it; I can see and hear, divine Eternal Father;* What can you hear, little son? *The spirit says to You: Father Jehovah I do not know what the past is on that remote and unknown planet Earth; What is that? And I can hear divine Father, that You say:* Thinking spirit, the oblivion of the past is a planetary trial, very dangerous; for the creatures forget even the divine mandates of the Father; and he who forgets even one molecule what is of the Father, does not enter the Kingdom of Heavens again; until he has paid all the molecule's debt; What else do you hear little son? *Divine*

Father that the spirit insists in knowing the oblivion of the past, on the remote Earth; Yes little son, so it is; this divine scene which you can see in marvelous colors, was made by each human spirit; for even the oblivion of the past, in the trials of life, was requested to the Father; everything imagined in the trials of life was requested to the Father; that is why one goes to the worlds with first-hand knowledge; if you did not have a cause, in order to be in life, you would not have the right to a judgment either; if you have a Final Judgment, it is because you have a cause, every judgment is a cause; and every cause a judgment; Divine Father Jehovah, I see enormous television screens in the Kingdom of Heavens, What is that? So it is little son; it is the divine solar television, or universal television; just as in your world there is television, there is also television in the Kingdom; what is up above is the same as down below; when every little child requests life, the Father who can do everything imagined, makes him/her know all the happenings and events that

their future life shall have on the solar television; every spirit in virtue of their free will, requests the Father, this or that change in the events of their future life; *Divine Father Jehovah, all the lives of the worlds have got an oblivion of their place of origin?* No little son; for what is of the Father is infinite; infinite means that He creates everything imaginable; if there are infinite planets, there are also infinite forms of life, for no one is unique in the Universe; only the Father is; I shall tell you little son that every request of life has got attribute and quality; they have got philosophy and hierarchy.-

N.º EN UN PARAÍSO, MATERIA y ESPÍRITU CONVERSAN; ESTA MARAVILLA, CESÓ JUSTO EN EL INSTANTE en que ADÁN y EVA, DESOBEDIERON AL PADRE JEHOVA! HE AQUÍ que SI ADÁN y EVA, DESOBEDIERON AL PADRE, SOLO UN INSTANTE, y ESTE MUNDO que es DESOBEDECIDO TODA UNA VIDA, ¿que de LLORAR y CRUJIR de dientes, NO LO ESPERARÁ? HE AQUÍ que VOSOTROS, TUVISTeis TODA UNA VIDA, PARA VER LA LUZ, y NO LA BUSCASTEIS; PORQUE OS DEJASTEIS INFLUENCIAR, POR UNA EXTRAÑA ILUSIÓN, SALIDA del EXTRAÑO PODER del ORO; ADÁN y EVA, NO FUERON AMBICIOSOS COMO VOSOTROS; PORQUE NO CONUCIERON LA EXTRAÑA INFLUENCIA del ORO; ELLOS FUERON ENGAÑADOS POR ASTUCIA; HE AQUÍ que ADÁN y EVA, ESTÁN MÁS CERCA del REINO de LOS CIELOS, que VOSOTROS MISMOS; PORQUE LOS INSTANTES, LOS SEGUNDOS, SON MAYORES EN VOSOTROS, que EN VUESTROS PRIMEROS PADRES; EN EL PARAÍSO SE VIVÍA EL TIEMPO celeste; ESTE TIEMPO, NO DEJA HUILLAS; PORQUE NADIE ENVEJECE; NO SE CONCEE LA MUERTE EN EL TIEMPO celeste; NI HAY PRUEBA VIVIENTE ALCUNA; LA PRUEBA, COMIENZA EN EL MISMO INSTANTE, en que SE VIOLA LA Ley; PORQUE EN EL MISMO INSTANTE, en que ADÁN y EVA, FUERON ECHADOS FUERA del PARAÍSO, COMENZÓ EL DRAMA; COMENZÓ LA INDIFERENCIA ENTRE LOS ELEMENTOS y EL ESPÍRITU; HE AQUÍ que ADÁN y EVA, CERRARON EL CAMINO de LA FELICIDAD, A TODO UN MUNDO; y TODO UN MUNDO, EN VIRTUD de SUS LIBRES ALBEDRÍOS, PIDió AL PADRE, CONCCER UN MUNDO que HABÍA VIOLADO SU Ley; PORQUE NINGÚN ESPÍRITU PENSANTE, CONCCÍA TAL EXPERIENCIA; MÁS, COMO EL AMOR EN EL PARAÍSO ES INFINITO, TODOS PROCLAMASTEIS ANTE EL PADRE, que LOS ANGELES CAÍDOS, ADÁN y EVA, SERÍAN VUESTROS PADRES TERRENALES; PORQUE TODO CAÍDO, TARDE O TEMPRANO, SE LEVANTA PORQUE TODOS SABÍIS EN EL REINO, que EL PADRE SIEMPRE TRIUNFA SOBRE TODA TINIEBLA; HE AQUÍ que TODO LO IMAGINABLE se pide AL PADRE y LO IMAGINADO POR VOSOTROS EN EL REINO de LOS CIELOS, LO ESTÁIS VIVIENDO EN LA TIERRA. -

de VERDAD OS DIGO, que LA NO' EXPLICACIÓN de LO SUCEDIDO EN EL PARAÍSO de ADÁN y EVA, FUE PEDIDO POR VOSOTROS MISMOS; ¿NO SE OS ENSEÑÓ, que TODO ESPÍRITU ES PROBADO EN LA VIDA? VUESTRA VIDA ES TODA de PRUEBAS; INSTANTE POR INSTANTE; y LA MAYORÍA NO OS DAIS CUENTA de ELLO; LO SUCEDIDO EN EL PARAÍSO, A INTRIGADO A TODAS LAS GENERACIONES de ESTE MUNDO; LOS que YA PARTIERON de ESTE MUNDO, y PARTIERON IGNORANDO LOS SUCESOS ACAECIDOS EN EL PARAÍSO de SUS PADRES TERRENAL OS LO SABIERON FUERA de LA TIERRA; PORQUE UNOS PIDEN CONOCIMIENTO EN LA TIERRA, y OTROS, FUERA de LA TIERRA; PORQUE LO de ARRIBA ES IGUAL a LO de ABAJO; HAY JUSTICIA ARRIBA, y JUSTICIA ABAJO; ¿NO SE OS ENSEÑÓ, que LO de VUESTRO DIOS, ES INFINITO? INFINITO, SIGNIFICA que LO del PADRE, NO ESTÁ CIRCUNSCRITO a UN SÓLO MUNDO; QUIENES ASÍ PENSARON, CREARON EN SUS MENTES, UN MICROSCÓPICO PODER de DIOS; y QUIEN LO ACHICÓ en PODER, EN LA PRUEBA de LA VIDA, NO ENTRARÁ AL REINO de LOS CIELOS; ES MÁS FÁCIL que ENTREN AL REINO, LOS que ENGRANDECIERON AL PADRE, EN LOS LEJANOS MUNDOS; a que PUEDAN ENTRAR, LOS que LE ENFUEQUERON.

ESCRITURA TELEPÁTICA DICTADA POR EL DIVINO PADRE
JEHOVA.- ARTÍCULO Nº 13.- ORIGEN SOLAR de LOS PLATILLOS VOLADORES; COMO SE CONSTRUYE UNA NAVE PLATEADA; LAS BOLAS de FUEGO, de LAS ESCRITURAS del PADRE JEHOVA.-

SÍ HIJITO; ES ASÍ; TAL COMO LO VIENES VIENDO desde NIÑO; LOS PLATILLOS VOLADORES, SON de ORIGEN SOLAR; EN LAS ESCRITURAS del PADRE, ESTÁN ESCRITAS COMO LAS BOLAS de FUEGO; ESTAS NAVES CELESTES HAN PARTICIPADO SIEMPRE EN EL NACIMIENTO de LOS MUNDOS; LOS PLATILLOS VOLADORES SON CREADOS CON LOS NÚMEROS VIVIENTES; O MATEMÁTICAS ESPIRITUALES; LAS MISMAS MATEMÁTICAS CONQUE FUERON HECHOS VUESTROS CUERPOS de CARNE; LOS PLATILLOS VOLADORES, REPRESENTA UN PODER, CONSTITUIDO EN JERARQUÍAS; PORQUE ESTAS NAVES FORMAN CONGLOMERADOS O FAMILIAS AÉREAS; SU DIVINA ORGANIZACIÓN, ES COMO LA ORGANIZACIÓN de LAS GALAXIAS; PUES de ELLAS PROCEDEN; TAL COMO VUESTRAS NAVES PROCEDEN de VUESTRO PLANETA; LO de ARRIBA es IGUAL a LO de ABAJO; EN LOS PLATILLOS VOLADORES, EXISTE el TIEMPO CELESTE; EN QUE UN SEGUNDO CELESTE, CORRESPONDE a UN SIGLO TERRESTRE; EN OTRAS PALABRAS, ELLOS CREAN TIEMPOS; CREAN ESPACIO y CONOCIMIENTO; LAS CRIATURAS que GOBIERNAN ESTAS NAVES, SON INSTANTÁNEAS; ELLOS CONVERSAN con el MATERIAL de LA MISMA NAVE; PARA ELLOS, NO EXISTE PROBLEMA

MEJORA DE MECÁNICA, O FISIOLÓGICO; CUANDO ESTAS NAVES,
VIAJAN, LO HACEN DE SOL A SOL; DE MUNDO A MUNDO; ELLOS
ESTÁN ACOSTUMBRADOS A VER COLOSALES MUNDOS; MUNDOS EN
LOS CUALES VUESTRA TIERRA, NO PASARÍA DE SER UNA MOLECU-
LA O UN POLVO; SÍ HIJITO; SON LOS MISMOS MUNDOS QUE VIE-
NES VIENDO DESDE NIÑO; ALABADO SEAS EN ELLOS, DIVINO PADRE
JEHOVA; TE DIRE HIJITO, QUE TE DICTARÉ NUEVOS ROLLOS DE LA
CONSTRUCCIÓN DE LOS PLATILLOS VOLADORES; PORQUE LO DEL PA-
DRE NO TIENE FÍN; LOS PLATILLOS VOLADORES, HAN SIDO VISTOS
POR ALGUNOS; Y OTROS NO LOS HAN VISTO; TE DIRE HIJITO, QUE
COMO TODO LO IMAGINABLE, SE PIDIE AL PADRE, LOS QUE LOS HAN
VISTO, PIDIERON VERLOS; Y LOS QUE NO LOS HAN VISTO, NO PIDIERON
VERLOS; PORQUE LO MÁS MICROSCÓPICO, ENCIERRA UN DIVINO PEDIDO
Y UN DIVINO MANEJO; NI UNA MOLECULA, ESCAPA A ESTA LEY; LOS
PLATILLOS VOLADORES, POR LARGOS PROPIAS, NACEN BEBES; LO QUE
LOS VEHÍCULOS DE LA TIERRA, NO PUEDEN; DIVINO PADRE JEHOVA,
COMO TÚ LO SABES, VEO EL LUGAR, EN DONDE SE CONSTRUYEN ES-
TAS NAVES CELESTES; ASÍ ES HIJITO; Y TE DIRE HIJITO, QUE NO ES EL
ÚNICO LUGAR; PORQUE LO DEL PADRE, NO TIENE NI PRINCIPIO NI FÍN,
EN NADA IMAGINABLE, LOS LUGARES EN DONDE SE CONSTRUYEN
ESTAS NAVES, SON INFINITOS; SE CONSTRUYEN EN SOLES Y MUN-
DOS; EN SU CONSTRUCCIÓN, PARTICIPAN LOS DIVINOS QUERUBINES;
QUE SERÁN EN EL MUNDO OHGGA, SÍMBOLO VIVIENTE, DE LAS MATEMÁ-
TICAS VIVIENTES; LAS MATEMÁTICAS DE LA RESURRECCIÓN DE TODA
CARNE; LAS MISMAS MATEMÁTICAS, CON QUE FUÉ CREADA LA VIDA
HUMANA; LOS PLATILLOS VOLADORES, AL VIAJAR POR EL COSMOS, LO
HACEN, CON INFINITOS PROPÓSITOS; Y AL HACERLO, CUMPLEN CON IN-
FINITAS ESCRITURAS, SALIDAS DEL PADRE; PORQUE A CADA MUNDO O
PLANETA O SOL, LES CORRESPONDE UNA DIVINA ESCRITURA; NADIE
ES DESHEREDADO; LOS MUNDOS Y SUS CRIATURAS, PIDEN AL PADRE,
VER EN SUS PRUEBAS DE VIDAS, LO QUE VIERON EN EL REINO DE LOS
CIELOS; ES ASÍ QUE UNA PARTE DE VUESTRA HUMANIDAD, LO PIDIÓ;
LOS PLATILLOS VOLADORES, MUCHAS VECES VIOLAN LA LEY DEL
PADRE; MÁS, TODOS RINDEN DIVINA CUENTA AL PADRE; TAL COMO A
VOSOTROS OS FUÉ ENSEÑADO; LO DE ARRIBA ES IGUAL A LO DE ABA-
JO; LA JUSTICIA DEL PADRE, ESTÁ ARRIBA Y ABAJO; ESTÁ EN CUALQUIER
PUNTO DEL UNIVERSO; ¿NO SE OS ENSEÑO, QUE VUESTRO DIOS ESTÁ
EN TODAS PARTES? EL TÉRMINO: EN TODAS PARTES, SIGNIFICA QUE
ESTÁ EN TODO LO IMAGINABLE; EN LO VISIBLE Y LO INVISIBLE;
¡DIVINO PADRE JEHOVA! ¡TE VEO EN UNA NAVE PLATEADA! ASÍ

EN UNA COLOSAL TELEVISIÓN DE COLORES; Y VEO QUE LOS TRIBU-
LANTES DE LA NAVE, SE INCLINAN ANTE TÍ; ASÍ ES HIJITO; HE HUIS-
TRO A TODO HIJO DEL COSMOS, SEGÚN SUS CIENCIAS Y EVOLUCIONES;
¿TE DICE HIJITO, QUE ESTOS HIJOS, QUE HAN DAN LA MATERIA CON SUS
HEURES, SABEN QUE ELLOS, NO SON MÁS QUE UN POLVO; EN LA INFI-
NITA CREACIÓN DEL PADRE JEHOVA; DIVINO PADRE JEHOVA, ¿POR QUE
ESTAS CRIATURAS CELESTIALES, AL SALUDARTE, SE PUSIERON SU MANO
IZQUIERDA SOBRE EL PECHO; A LA ALTURA DEL CORAZÓN? TE LO DICE
HIJITO: ELLOS IMITAN EL DIVINO SALUDO DEL REINO DE LOS CIELOS; Y
ESTE SALUDO DEL REINO, TAMBIÉN LO VIERON LOS SERES HUMANOS;
DIVINO PADRE JEHOVA, ¿Y POR QUE ESTE MUNDO, NO LO HIZO TAMBIÉN?
¡AH! HIJITO; PORQUE ESTE MUNDO, NO HIZO LAS COSAS QUE LAS SE-
GÚN LAS ESCRITURAS DEL PADRE; EL MISMO SISTEMA DE VIDA, ES EXTRA-
ÑO AL DIVINO MANDATO; LOS HOMBRES CREARON UN EXTRAÑO y des-
CONOCIDO SISTEMA DE VIDA, CUYO DIOS ES EL ORO; y TODAS SUS COSTUM-
BRES, SON EXTRAÑAS e INMORALES; PARA LAS DIVINAS COSTUMBRES
DEL REINO DE LOS CIELOS; DE VERDAD TE DICE HIJITO, QUE NINGUNO
DE LOS QUE VIVIO LA EXTRAÑA INFLUENCIA DE ESTE EXTRAÑO SIS-
TEMA DE VIDA, A PODIDO ENTRAR AL REINO DE LOS CIELOS; NI NIN-
GUNO ENTRARÁ; PORQUE NINGUNO LO RIDIÓ, EN EL REINO DEL PADRE

ESCRITURA TELEPÁTICA DICTADA POR EL DIVINO PADRE
JEHOVA. ARTÍCULO N.º 14. ORIGEN SOLAR DE LA LUNA;
MUCHAS LUNAS TUVO LA TIERRA; LA LUNA IGUAL QUE LA
TIERRA, FUE MICROBIO EN TIEMPOS QUE ESCAPAN AL CÁLCULO
LO HUMANO.:

SÍ HIJITO; LA LUNA COMO LA TIERRA Y TODOS LOS CUERPOS
CELESTES, PIDIERON UN DESTINO; PORQUE LA MATERIA ES VI
VIENTE DELANTE DEL PADRE; TODO DESTINO, NO SÓLO LO POSEE
EL ESPÍRITU; PORQUE NADIE ES ÚNICO EN EL UNIVERSO; SÓLO
EL PADRE LO ES; LA MATERIA TAMBIÉN FUE CREADA POR EL ES
PÍRITU DE DIOS; O SOPLO DE DIOS; ENÓSE OS ENSEÑÓ, QUE VUESTRO
DIOS, CREÓ TODAS LAS COSAS? SI CREÓ TODAS LAS COSAS, FUE JUS
TO CON TODAS LAS COSAS; PORQUE NADIE ES MENOS DELANTE DEL
PADRE; NI LA MATERIA NI EL ESPÍRITU; SI EL ESPÍRITU HABLA DE SU
DESTINO, LA MATERIA EN SUS LEYES DE MATERIA, TAMBIÉN LO HA
BLA; LA LUNA PIDIÓ EN EL REINO DE LOS CIELOS, CONOCER EL
ESTAR JUNTO A UN PLANETA; PORQUE NO CONOCÍA TAL EXPERIEN
CIA; TODO CUERPO CELESTE PIDE DESTINO, COMO LO PIDE UN ESPÍ
RITU; PORQUE LA DIVINA IGUALDAD ENSEÑADA POR EL PADRE, ES
TÁ EN LA MATERIA Y EL ESPÍRITU; TODO DESTINO TIENE POR CAU
SA ÚNICA, ESTÁ LEY SALIDA DEL PADRE; LA LUNA QUE ACTUAL
MENTE TIENE LA TIERRA, TUVO EN TIEMPOS REMOTÍSIMOS, UNA
FORMA DE VIDA, QUE SI LA VIÉRAIS, QUEDARÍAIS ANTE ELLA, COMO
SERES PRIMITIVOS; DIVINO PADRE JEHOVA, ¿SON LAS MISMAS CRIA
TURAS, QUE POR TU DIVINA GRACIA, VEO DESDE NIÑO? LAS MISMAS
SON HIJITO; ESAS CRIATURAS LUNARES, MANTENÍAN UN FÁBULO
SO TRÁFICO CON LA TIERRA; ERAN TIEMPOS, EN QUE LOS CIELOS
ESTABAN ABIERTOS; Y EL PARAÍSO DE ADÁN Y EVA AÚN NO NACÍ
LA LUNA ES DE SIGNO FEMENINO; SE HIJITO QUE ELLA EN SU
DIVINO LIBRE ALBEDRÍO GALÁCTICO, SE TE PRESENTA COMO UNA
BELLA Y GIGANTESCA MUJER; CUYO ROSTRO TIENE UN VULO
BLANCO; LOS CUERPOS CELESTES, POSEEN LIBRE ALBEDRÍO EN SUS
MANIFESTACIONES; Y TODO CUERPO CELESTE, PARTICIPA EN TODO
LO QUE EL DIVINO PADRE CREA; LOS CUERPOS CELESTES PARTICI
PAN DE LOS ACONTECIMIENTOS BÍBLICOS DE LOS PLANETAS; ES POR
ELLO QUE FUE ESCRITO: Y HABRÁ SEÑALES EN LOS CIELOS; LOS

PLATILLOS VOLADORES, TAMBIEN CUMPLEN CON ESTA DIVINA LEY;
LOS CUERPOS CELESTES, SE ALEGRAN CUANDO DETERMINADO MUN-
DO, VE LA LUZ DEL PADRE; PORQUE SABEN QUE ELLAS COMO MATE-
RIA, PARTICIPAN EN ELLO; LOS CUERPOS CELESTES, FORMAN TODA
UNA FAMILIA GALÁCTICA; TAL COMO VOSOTROS, FORMÁIS FAMILIAS
HUMANAS; LA LUNA TUVO POR HERENCIA, A OTRAS CUATRO LUNAS;
CUANDO LA TIERRA NO ERA MÁS QUE UNA MICROSCÓPICA CHIPISTA
QUE AÚN NO MADURABA; ES DECIR, QUE AÚN NO LE NACÍA CORTE-
ZA; LAS CUATRO LUNAS QUE HUBIERON ANTES DE LA ACTUAL, TE-
NÍAN A SU VEZ, MULTITUD DE PEQUEÑAS LUNAS; PUES EN LAS LE-
NAS MAYORES, SE CREABAN SEÑILLOS DE LUNAS, ERAN LEYES,
PROPIAS DE LAS LUNAS-PARAÍSO; LEYES QUE EL MUNDO VUELVERÁ
A CONOCER; PORQUE EL PASADO VUELVE CON TODO SU ESPLENDOR
AL VOLVER EL PASADO, ESTE EXTRAÑO SISTEMA DE VIDA, SALIDO
DEL ORO, SUFRE UN TREMENDO COMPLEJO DE INFERIORIDAD; PORQUE
LA CIENCIA DEL PASADO, LO HARA DESAPARECER; VUESTRO ex-
TRAÑO SISTEMA DE VIDA, NO ES MÁS QUE UNA MOLECULA, EN LO
QUE HA DE VENIR; NADIE OS CONOCERÁ EN EL MUNDO OMBRA; MUN-
DO DE CARNE ETERNA; MUNDO, PRODUCTO DE LA RESURRECCIÓN DE
TODA CARNE; MUNDO DE GIGANTES-NIÑOS; HE AQUÍ EL SIG-
NIFICADO DE LA DIVINA PARÁBOLA: DEL POLVO ERES, AL POLVO
VUELVERÁS; PORQUE EL OLVIDO ES COMO EL POLVO; ES LO QUE
LE SUCEDERÁ A ESTE EXTRAÑO SISTEMA DE VIDA; UNA FOR-
MA DE VIDA, QUE NO FUE ESCRITA EN EL REINO DE LOS cie-
LOS; PORQUE NADIE PIDIO AL PADRE, EXPLOTAR NI DEJARSE ex-
PLOTAR; LA LUNA TUVO UN PRINCIPIO IGUAL A LA TIERRA;
SALIO DE LOS SOLES ALFA Y CHEGA; PORQUE TODO SALIO DE
UN SOLO DIOS NEMÁS; DE UN MISMO PUNTO DEL UNIVERSO;
LA LUNA FUE TAMBIÉN EN SU PRINCIPIO, FUEGO; EL FUEGO
DE LA LUNA, CREO' ENORME PRESIÓN QUE NO TENÍA ALIANZA
CON LA ATMÓSFERA; NO TUVO NI TIENE AÍRES; LAS CRIATURAS
DE SU PASADO LUNAR, NO RESPIRABAN COMO VOSOTROS; ELLOS
SE AGUTINABAN EN SUS PROPIAS MOLECULAS; ES DECIR VIVÍAN
DE LO INTERIOR; NO ERAN COMO VOSOTROS; QUE NECESITÁIS
DE UNA ALIANZA EXTERIOR; NECESITÁIS DEL AIRE QUE OS RODEA;
LA LUNA DEL PASADO, TENÍA UNA ORGANIZACIÓN MUY SEME-
JANTE AL REINO DE LOS CIELOS; ALLÍ TODO ERA COMÚN A TODO
NO CONOCÍAN EL INTERÉS; PUES SI BIEN FUERON PROBADOS
TAMBIÉN POR EL PADRE JEHOVA, ELLOS NO VIOLARON SUS es-
CRITURAS...

ESCRITURA FELEPÁTICA DICTADA POR EL DIVINO PADRE
JEHOVA.. ARTÍCULO Nº 15.. LA DIVINA MADRE SOLAR
OMEGA; SIN MADRE, NADIE VIENE A LA VIDA; QUIEN NEGÓ
A LA VIRGEN, EN LA PRUEBA DE LA VIDA, NO ENTRARÁ
AL REINO DE LOS CIELOS; PORQUE NEGÓ SU PROPIA CAUSA
VIVIENTE..

SÍ HIJITO; LA DIVINA MADRE SOLAR OMEGA, ES Y SERÁ
LA ÚNICA MADRE DEL UNIVERSO; LAS GENERACIONES
DEL FUTURO, DEL MUNDO OMEGA, LA PROCLAMARÁN MA-
DRE ÚNICA; PORQUE LA MADRE ES UNA; COMO UNO ES
EL PADRE; EN LA PRUEBA DE LA VIDA, PERÍODO QUE
ESTÁ POR TERMINAR, LOS ESPÍRITUS PENSANTES, LLA-
MARON A LA DIVINA MADRE, POR MUCHOS NOMBRES; Y
TODOS LIGADOS A UNA U OTRA HISTORIA; DE VERDAD
ES DIOS, QUE SÓLO AQUELLOS QUE MÁS SE ACERCARON
A LAS ESCRITURAS DEL PADRE, EN EL CONCEPTO QUE
TUVIERON DE LA MADRE, ENTRARÁN AL REINO DE LOS
CIELOS; Y ES MÁS FÁCIL QUE ENTRE AL REINO, UNO
QUE SIEMPRE PENSÓ, QUE LA MADRE ERA UNA SOLA; SIN
QUITARLE EL INFINITO DERECHO, DE QUE EN TODAS PAR-
TES ESTÁ; EL PADRE Y LA MADRE, SON UNA MISMA
PERSONA; Y SON IGUALITARIOS EN TODA POTESTAD;
CONSERVANDO SUS DIVINOS LIBRES ALBEDRÍOS, PORTAN-
DA ETERNIDAD; HE AQUÍ UNA DIVINA LEY DE LA SAN-
TÍSIMA TRINIDAD SOLAR, EN EL PADRE JEHOVA-

NADIE VIENE A LAS HORADAS PLANETARIAS, SI NO
ES POR SU DIVINA MADRE SOLAR OMEGA; SIN ELLA,
NADA SERÍAS; DE VERDAD OS DIGO, QUE QUIEN MEBO
A SU MADRE DEL CIELO, NO TENDRÁ MAS MADRE;
Y QUIEN LA RECONOCIÓ EN LA PRUEBA DE LA VIDA,
LA TENDRÁ PARA SIEMPRE; LA MADRE SOLAR OMEGA
ESPERA EL REGRESO DE SUS HIJOS; TAL COMO LOS ES-
PERA EL DIVINO PADRE JEHOVA; Y NO SÓLO VO-
SOTROS; PORQUE LO DEL PADRE, NO SE REDUCE A UNO
LO MUNDO; LO DEL PADRE, ES TODO LO QUE EXISTE,
EXISTIÓ Y EXISTIRÁ; LA DIVINA MADRE SOLAR
OMEGA, HABLARA AL MUNDO; PORQUE EN EL REINO
DE LOS CIELOS, NO HAY DIVINO ACTO, EN QUE NO ES
TE LA DIVINA MADRE; HE AQUÍ QUE ESTA HUMANIDAD,
PIDIÓ EN EL REINO DE LOS CIELOS, QUE ESTE PLANE-
TA, DESPUES DE SU PRUEBA DEVIDA, PASARA A LLAMAR
SE, PLANETA OMEGA; DIVINO PADRE JEHOVA, ¿QUE SIG-
NIFICA OMEGA? OMEGA, HIJITO, TIENE TRADUCCIÓN IN-
FINITA; PORQUE LO DE LA MADRE, ALIGUAL QUE LO DEL
PADRE, NO TIENE NI PRINCIPIO NI FIN; PERO TE DIRE
HIJITO, QUE OMEGA SIGNIFICA FIN, PARA LA PSICOL-
OGIA HUMANA; LA QUE VIVIO LA PRUEBA DE LA VIDA;
A ESTE MICROSCÓPICO PERÍODO DE LA TIERRA, SE LLE-
MA ALFA EN EL REINO DEL PADRE; ALFA REPRESENTA
AL MUNDO MATERIALISTA, SALIDO DEL LIBRE ALBEDRÍO
HUMANO; UN EXTRAÑO Y DESCONOCIDO SISTEMA DE
VIDA, SALIDO DE LAS LEYES DEL ORO; SE DICE EXTRA-
ÑO, PORQUE NO ES CONOCIDO EN EL REINO DE LOS
CIELOS; Y NO ESTÁ ESCRITO EN LOS LIBROS SOLARES
DE LA VIDA UNIVERSAL; DE VERDAD OS DIGO, QUE POR
CULPA DE ESTE EXTRAÑO Y DESCONOCIDO SISTEMA DE
VIDA, NINGUNA CRIATURA HUMANA, A LOGRADO ENTRAR
AL REINO DE LOS CIELOS; NI NINGUNA ENTRARÁ; POR-
QUE EL ESPÍRITU CONOCIÓ, LO QUE JAMÁS NUNCA, DEBÍO
HABER CONOCIDO; NADIE PIDIÓ AL PADRE, CAER EN LA
INHOMALIDAD Y EL ESCÁNDALO; PORQUE TODOS SABÍAS
POR LAS EXPERIENCIAS DE OTRAS CRIATURAS, VENIDAS
DE OTRAS PRUEBAS DE VIDAS PLANETARIAS, QUE NIN-

SÚN INMORAL O ESCANDALOSO, VOLVÍA A ENTRAR^U
AL REINO DE LOS CIELOS; VOSOTROS PEDÍSTEIS AL PA-
DRE, CONOCER LA DEBILIDAD EN LO FÍSICO Y LO ES-
PÍRITUAL; LO QUE NO LE PEDÍSTEIS, FUE DEJAROS IN-
FLUENCIAR POR ELLOS; UNA COSA ES PEDIR CONOCER
EL MAL O LAS TINIEBLAS; Y OTRA COSA ES DEJARSE
DOMINAR POR EL MAL O LA TINIEBLA; TODOS VOSOTROS
PROMETÍSTEIS AL PADRE, Oponer RESISTENCIA MENTAL,
A LA INFLUENCIA DEL MAL; HE AQUÍ UNA LUZ, QUE LO
ACLARA TODO; EL MAL QUE NO FUE RESISTIDO, RECLAMA
SU PRESA; PORQUE DE VERDAD OS DIGO, QUE EL BIEN
Y EL MAL, SON VIVIENTES DELANTE DEL PADRE; DELAN-
TE DEL PADRE, SE HACEN ALIANZAS Y APUESTAS; ESTO
ÚLTIMO TIENE PSICOLOGÍA MUNDANA; MÁS, LOS ESPÍ-
RITUS TIENEN LIBRE ALBEDRÍO, Y PIDEN AL PADRE,
LO MÁS INCREÍBLE; ES POR ESTO QUE SE DICE: DE
TODO HAY EN EL REBAÑO DEL PADRE; ESE TODO,
NO SÓLO ABARCA A VUESTRO MUNDO; ESE TODO
ABARCA TODAS LAS PSICOLOGÍAS QUE HAN HABÍ-
do, HAY Y HABRÁN.-

PARA LLEVAR A SER GRANDE EN EL REINO DE LOS CIELOS; ...
EL UNIVERSO VIVIENTE DEL PADRE, TODO LO IMAGINABLE LO
CREA; Y LO IMAGINADO, NO CESA DE MULTIPLICARSE; JAMÁS
SE DETIENE; EN NINGÚN INSTANTE TIENE LÍMITES; EL MACRO-
COSMO TAMBIÉN TIENE JERARQUÍA; COMO LO TIENE EL MICROCOSMO;
LOS TAMAÑOS DE SUS CRIATURAS, NO TIENEN LÍMITE; SI VOSOTROS
HIJOS DE ESTE MUNDO, VIÉRAIS EL MACROCOSMO, OS ATERRARÍAIS; POR-
QUE ESTÁIS ACOSTUMBRADOS SOLAMENTE A VUESTRO TAMAÑO; EL MACRO-
COSMO, OS PARECERÍA COMO UNA PESADILLA; NACERÍA EN VOSOTROS,
UN TERRIBLE MIEDO; UN TERRIBLE COMPLEJO DE INFERIORIDAD; MUCHOS
O CASI TODOS, OS VOLVERÍAIS LOCOS; MUCHOS SE SUICIDARÍAN; ...
PORQUE LOS DEL MACROCOSMO, OS MIRARÍAN CON LA INDIFERENCIA
CON QUE SE MIRA UN MICROBIO; SI ES QUE OS VEN; PORQUE OS DIRE
QUE ASÍ COMO VOSOTROS, MUCHAS VECES PISÁIS UNA HORMIGUITA O
CUALQUIER INSECTO, Y NO OS DÁIS CUENTA, DE QUE LOS HATASTEIS;
ASÍ OCURRIRÍA CON VOSOTROS, EN EL MACROCOSMO; LO DE ARRIBA
ES IGUAL A LO DE ABAJO; EN DESCONOCIDOS LUGARES DEL COSMOS,
EN DONDE SE CUMPLEN DESCONOCIDAS LEYES PARA VOSOTROS, OCURREN
TERRIBLES GUERRAS DE MUNDOS; CON PODERES DESTRUCTIVOS, QUE
A VOSOTROS Y A TODO ~~CONTRAFUERA~~ CUANTO ABARCAN VUESTROS TELESCO-
PIOS, LO HARÍAN DESAPARECER SIN HETER EL MENOR RUÍDO; PORQUE LA
DESTRUCCIÓN QUE PROVOCA RUÍDO, ES PRIMITIVA; EN EL MACROCOSMO
LOS MEDIOS DE DESTRUCCIÓN, SON LAS FUERZAS MENTALES; ALLÍ
MATERIA Y ESPÍRITU, RIVALIZAN EN SUS PROPIAS ESSENCIAS MOLE-
CULARES.-

ESCRIBE ALFA Y OMEGA

ESCRITURA TELEPÁTICA DICTADA POR EL DIVINO PADRE JEOVA.- ARTÍCULO N° 18.- ORIGEN DE LOS PLATILLOS VOLADORES; LAS BOLAS DE FUEGO, DE LAS ESCRITURAS DEL PADRE JEOVA; LA CIENCIA QUE CONSTRUYE LAS NAVES PLATEADAS, ES CIENCIA SOLAR.-

SÍ HIJITO; LA CIENCIA SOLAR, EXISTE; TAL COMO EXISTE LA CIENCIA TERRESTRE; LO DE ARRIBA ES IGUAL A LO DE ABAJO; MI HIJO PRIMOGENITO, QUE OS FUE ANUNCIADO, QUE VENDRÍA DE NUEVO A ESTE MUNDO, BRILLANTE COMO UN SOL DE SABIDURÍA, ES PADRE SOLAR; ES PRIMOGENITO SOLAR; ES DE LA CIENCIA SOLAR; ES DE LOS SOLES ALFA Y OMEGA TAL COMO VOSOTROS SOIS, DE UN MICROSCÓPICO SISTEMA SOLAR; HAY SISTEMAS SOLARES ARRIBA Y ABAJO; ARRIBA Y ABAJO, NO TIENEN FÍN; DIVINO PADRE JEOVA, É QUE POSICIÓN GALÁCTICA OCUPA LA TIERRA, EN TU INFINITA CREACIÓN? TE LO DIRÉ HIJITO: LA TIERRA EN QUE ESTÁS, ES UN MUNDO-POLVO; QUIERE DECIR PLANETA DEL MICROCOSMO; PERTENECE A LA INFINITA SERIE DE LOS MUNDOS DE LA CARNE; DE SOL ENANO AMARILLO-PÁLIDO; DE LA MICROSCÓPICA GALAXIA TRINO; ESTE PLANETA ES EL TRILLONÉSIMO, TRILLONÉSIMO, TRILLONÉSIMO PLANETA, SALIDO DE LAS DIVINAS ENTRAÑAS, DE LA DIVINA MADRE SOLAR OMEGA; EL SOL OMEGA, AUN SIGUE CREANDO PLANETAS TIERRAS; SE ACABARÁ ESTA TIERRA, Y ESTE SOL FEMENINO, SEGUIRÁ CREANDO PLANETAS BEBÉS; SEGUIRÁ CREANDO CHISPITAS SOLARES; QUE DARÁN LUGAR A FUTUROS PLANETAS; LA CHISPITA DE ESTE PLANETA, AÚN TIENE FUEGO EN SU CENTRO; Y LO TENDRÁ HASTA QUE TERMINE SU VEJEZ; ¿QUÉ PASARÁ ENTONCES, DIVINO PADRE JEOVA? LO QUE SUCEDERÁ, ES QUE SE VOLVERÁ QUEBRADIZO; SU SUPERFICIE NO TENDRÁ CONSISTENCIA; Y ESTARÁ LLENO DE GRIETAS; QUE SON COMO LAS ARRUGAS, QUE POSEE UN ANCIANO; AL AVANZAR AÚN MÁS EL TIEMPO, SE IRÁ GASTANDO Y ACHICANDO; HASTA CONVERTIRSE EN POLVO.-

Luis Antonio Soto Romero, whose pseudonym is: **Alpha and Omega**, is the Author of the New Doctrine of the Lamb of God, called Telepathic Scripture or Celestial Science, dictated by living telepathy by the Divine Father Jehovah. Once written they were rolled up, hence the biblical term: The Scrolls of the Lamb of God. The Author has the Mission of opening them, that is, writing them. Revelation 5.

THE PLAN WHICH WAS COMMENDED TO THE EMISSARY ALPHA AND OMEGA

The Rolls of the Lamb of God.

3,000 Rolls of the Origin of Matter.

300 Rolls of the Origin of the Ideas.

300 Rolls of the Origin of the Most Holy Trinity.

300 Rolls of the Origin of the Flying Saucers.

500 Rolls of the subject about the beast.

The Origin of Matter; it shall be a work of 3,000

Telepathic Rolls ...

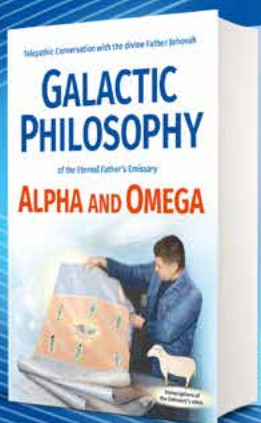

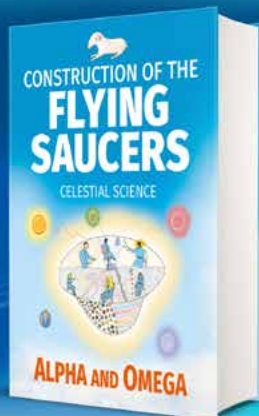

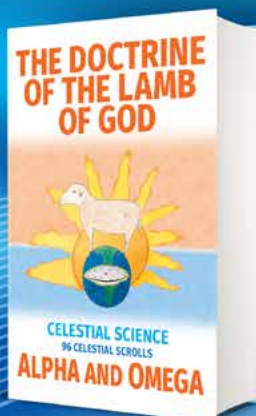

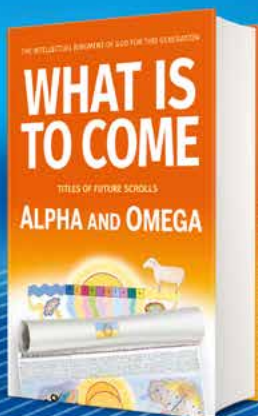

The Idea is a work of 300 Rolls ...

The silver ships shall be explained in 300 scrolls; but that is not the limit; it is the beginning; and the Translation of the Holy Scriptures, shall be 6,000 rolls of cardboard; each roll represents a parable of the Scriptures; the telepathic scripture has no end; for the universe does not have it; the living word of God does not have it either ... Here there is material to talk about for years; they are 4,000 Rolls ... and another one is born each day.
